INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Lake Norman Security Patrol, Inc. 401(k)
Profit Sharing Plan & Trust
Statesville, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lake Norman Security Patrol, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Lake Norman Security Patrol, Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lake Norman Security Patrol, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lake Norman Security Patrol, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the

aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lake Norman Security Patrol, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lake Norman Security Patrol, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

Note A - Description of the Plan

The following description of the Lake Norman Security Patrol, Inc. (the “Company”) 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. The plan became effective on January 2, 2018. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who are age eighteen or older and have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The company has an administrative committee that oversees governance of the Plan. This committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions. The Plan allows participants to contribute up to 92% of pretax annual compensation, as defined by the Plan. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation increasing by 1% annually until a maximum of 6%. Contributions are automatically invested in a designated balanced fund until changed by the participant. In addition, the Company may make discretionary matching contributions, as determined and authorized by The Board of Directors, to each eligible participant based on the participant’s salary reductions. For 2022 and 2021 the Company elected to contribute 100% of the first 1% of participant’s compensation deferral and 50% of the participant’s remaining compensation deferral, not to exceed 6% of total pay. The contributions to the Plan cannot exceed the maximum amount deductible under section 404(a)(3) of the Internal Revenue Code of 1986, as amended. Employer profit-sharing contributions are discretionary, and amounts are determined from year to year. These profit-sharing contributions are made in the ratio that each participant’s compensation bears to total compensation for those participants employed on the last day of the Plan year.

Participant Accounts. Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions, matching contributions, and the participant’s allocation of the Company's profit-sharing contribution, Plan earnings, and charged with benefit payments and allocations of any administrative expenses paid by the plan. The allocation of Plan earnings is based on the participants’ account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from participant’s vested account.

Investment options. Upon enrollment in the Plan, a participant may direct contributions into several investment options and each participant is responsible for directing their entire individual account.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

Note A - Description of the Plan (continued)

Vesting. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are vested in the Company's matching contribution plus actual earnings thereon, which follows a graduated scale according to the subsequent table.

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one	0%
1	0%
2 or greater	100%

Participants are vested in the Company's profit-sharing contribution plus actual earnings thereon, which follows a graduated scale according to the subsequent table.

Less than one	0%
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

If a participant dies or becomes disabled while still employed at the Company, his or her entire account balance becomes 100% vested.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits. Upon termination of service due to death, disability or retirement, the participant may elect to receive an amount equal to his or her account in either a lump-sum amount or various installment options as provided by the Plan. For termination of service due to other reasons, the participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan has a provision for cash-out distribution if a participant leaves the Company and has a balance less than or equal to \$5,000; the participant's balance can be paid out immediately at the discretion of the Plan. Distributions are subject to the applicable provisions of the Plan. Benefits are recorded when paid.

Forfeited Accounts. There were forfeitures of \$651 and \$405 for the year ending December 31, 2022 and 2021, respectively. All forfeited amounts are allocated to participants in the same manner as employer contributions.

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

Note B – Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan did not have any investments that are required to be reported at contract value as of December 31, 2022 and 2021.

Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents. The Plan considers all money market mutual funds registered under the Investment Company Act of 1940 and regulated under rule 2a-7 of the Act to be cash equivalents.

Investments Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable. Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions for the Plan years ending December 31, 2022 and 2021, respectively.

Note B – Summary of Significant Accounting Policies (continued)

Administrative Expenses. Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Administrative expenses of the Plan are allocated to participant accounts.

Reclassification. Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

Date of Management’s Review of Subsequent Events. Subsequent events were evaluated through October 10, 2023, which is the date the financial statements were available to be issued.

Note C – Information Certified by the Trustee

At December 31, 2022 and 2021, the Plan’s investments were held by Mid Atlantic Trust Company (the Trustee). The following is a summary of the Plan’s financial information that is included in the Plan’s financial statements and supplementary schedule based on information certified by the Trustee as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The Trustee also certified to the completeness and accuracy of net appreciation (depreciation) in fair value of investments and interest and dividends related to the aforementioned investments for the year ended December 31, 2022 and 2021. During 2022 and 2021, the Plan’s investment income is as follows:

Investments:	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ 1,897,462	\$1,879,147
Net appreciation (depreciation) in fair value of investment:		
Registered investment companies	(392,996)	45,574
Interest and dividend income:		
Registered investment companies	71,803	186,952

Note D – Fair Value Measurements

The Plan’s investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The administrative committee determines the Plan’s valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Note D – Fair Value Measurements (continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consists of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the period presented.

Level 1 Fair Value Measurements

The fair values of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth by level, with the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022			Assets at Fair Value as of December 31, 2021		
		Quoted Prices in Active Markets for Identical Assets (Level 1)			Quoted Prices in Active Markets for Identical Assets (Level 1)
	Fair Value			Fair Value	
Mutual funds	\$ 1,897,462	\$ 1,897,462	Mutual funds	\$ 1,879,147	\$ 1,879,147
	<u>\$ 1,897,462</u>	<u>\$ 1,897,462</u>		<u>\$ 1,879,147</u>	<u>\$ 1,879,147</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation in fair value of investments in the Statements of Net Assets Available for Benefits.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the year ended December 31, 2022 and 2021, there are no Level 2 or Level 3 investments.

Note E – Party-In-Interest Transactions

Paychex, Inc. is the third-party administrator of the Plan, Mid Atlantic Trust Company is the custodian of the assets as defined by the Plan, and ERISA Fiduciary Services provides advisory services for the Plan. Fees paid by the Plan for administration of the Plan amounted to \$1,995 and \$1,980 for years ended December 31 2022 and 2021, respectively. Fees paid by the Plan for investment management services amounted to \$19,357 and \$21,203 for the years ended December 31 2022 and 2021, respectively. All of these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Note F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participant's balances will be distributed in accordance with the Plan document.

Note G – Tax Status

The Internal Revenue Service has determined and informed Paychex by a letter, dated April 10, 2014, that the proto-type plan, adopted by the Plan, and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note H – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
