SAVINGS AND INVESTMENT PLAN**

**Financial Statements
Together with Independent Auditors' Report
For the Years Ended December 31, 2022 and 2021**

INDEPENDENT AUDITORS' REPORT

To the GCP Applied Technologies Inc. Savings and Investment Plan
and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the GCP Applied Technologies Inc. Savings and Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the GCP Applied Technologies Inc. Savings and Investment Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the GCP Applied Technologies Inc. Savings and Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the GCP Applied Technologies Inc. Savings and Investment Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the GCP Applied Technologies Inc. Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the GCP Applied Technologies Inc. Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GCP APPLIED TECHNOLOGIES INC. SAVINGS AND INVESTMENT PLAN

Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the GCP Applied Technologies Inc. Savings and Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document, the Summary Plan Description, and the Prospectus Supplement for the Plan for more information.

General

The Plan is a defined contribution plan established January 1, 2016 (the Date Established) and is a successor to the W. R. Grace & Co. Savings and Investment Plan (the Predecessor Plan), which was originally adopted by W. R. Grace & Co. (Grace) on September 1, 1976. Effective June 29, 2017, the Plan was amended to grant participation to Darex Packaging Technologies (Darex) employees from Henkel AG & Co. KGaA (Henkel) as part of a Participation Agreement between GCP and Henkel. Effective June 30, 2018, the Participation Agreement was terminated in accordance with the terms of the agreement, and all Darex employees transferred to a new Plan. Effective July 3, 2019, the Plan was amended to merge the Halex Corporation 401(k) Profit Sharing Plan and Trust into the Plan. Effective November 15, 2019, the Plan was amended to merge the Ductilcrete Technologies, LLC 401(k) Plan into the Plan. Fidelity Management Trust Company (Fidelity or Trustee) and its related organizations administer the Plan's recordkeeping and serve as the Plan's Trustee and Custodian. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was most recently amended effective January 1, 2022, to reflect legislative and regulatory changes as permitted by the Internal Revenue Service (IRS) and to discontinue the discretionary non-elective Company contribution equal to 2% of eligible wages of all eligible employees, as defined in the Plan document, who were employed by the Company as of December 31, 2021.

In connection with the separation agreement entered into on January 27, 2016 between GCP and Grace, the former parent company of GCP, certain assets and liabilities relating to GCP employees were transferred from the Predecessor Plan to the Plan during 2017. The Plan is intended to be qualified under Internal Revenue Code (IRC) - Sections 401(a) and 401(k) and maintained by GCP.

Except as otherwise provided herein or by law, the terms of the Predecessor Plan as in effect from the time before the Date Established govern the determination of rights and liabilities under the Plan with respect to events before the Date Established. Except as otherwise permitted under section 411 (d) (6) of the IRC and the Treasury Regulations promulgated thereunder, no participant who has an account balance from the Predecessor Plan transferred to the Plan shall realize any elimination or reduction of his or her benefit accrued under the Predecessor Plan as of the Date Established.

Eligibility and Vesting

Any salaried or hourly employee of GCP or its U.S. subsidiaries who is in an eligible employment classification, as defined by the Plan, is immediately eligible to participate in the Plan. With respect to each GCP employee that transferred from Grace and was a participant in the Predecessor Plan on the day before the Date Established, the employee became a participant in the Plan on the Date Established. All other employees who begin employment on or after the Date Established will be automatically enrolled in the Plan upon meeting eligibility requirements.

Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN - cont'd.

Eligibility and Vesting - cont'd.

A participant's interest in the Plan, which comprises their contributions, Company matching contributions, and earnings thereon, is always fully vested. Participants will become 100% vested in their discretionary non-elective contributions upon completion of 3 years of vesting services, except those who were employed by the Company as of December 31, 2021, which are 100% vested in this contribution account

Participant Contributions

The Plan allows automatic enrollment of employees once the eligibility requirements have been met. Employees are automatically enrolled with pre-tax deferral contributions deducted from their pay at a rate of 6% of their compensation unless the employee opts out of Plan participation.

Participants may otherwise elect to contribute 2% to 25% of their compensation to the Plan. For this purpose, compensation consists of salary and/or commissions, incentive compensation, and bonus awards, excluding long-term incentive bonuses and retention bonuses.

Participant contributions may be made from before-tax and/or after-tax compensation, as provided under Sections 401(k) and 401(m) of the Code, as amended, subject to an annual dollar limit on total contributions of \$20,500 and \$19,500 for the years ended December 31, 2022 and 2021, respectively. The Plan also allows participants to make after-tax contributions to a Roth 401(k), an account within the Plan from which tax-free withdrawals can be made upon retirement under certain circumstances. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, subject to limitations imposed by the Code, which totaled \$6,500 for the years ended December 31, 2022 and 2021. Participants are permitted to make rollover contributions to the Plan. Federal income tax law limited the annual compensation on which tax-qualified plan benefits may be based to \$305,000 and \$290,000 for the years ended December 31, 2022 and 2021, respectively.

Company Contributions

The Company makes a safe harbor matching contribution equal to 100% of eligible employees' first 6% of deferrals on a per payroll basis. Employees who make deferrals during a payroll period are eligible for Company safe harbor matching contributions. Participants are at all times fully and immediately vested in the safe harbor matching contributions. The safe harbor matching contribution totaled \$3,824,858 and \$3,956,630 for the years ended December 31, 2022 and 2021, respectively.

GCP APPLIED TECHNOLOGIES INC. SAVINGS AND INVESTMENT PLAN

Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN - cont'd.

Company Contributions - cont'd.

The Company made a discretionary non-elective contribution to eligible employees who were hired on or after January 1, 2018 and were not eligible to participate in a Company-sponsored pension plan, equal to 2% of their eligible wages during the 2021 Plan Year. The participant must have been employed on the last day of the 2021 Plan Year in order to receive the annual retirement contribution unless termination was due to death, disability, retirement on or after age 55, or a severance-eligible involuntary termination of employment.

Effective January 1, 2022, discretionary non-elective Company contributions equal to 2% of eligible wages, will no longer be made to the Plan. All eligible employees, as defined by the Plan document, who were employed by the Company as of December 31, 2021, will be 100% vested in this contribution account. The Company discretionary non-elective contributions totaled \$0 and \$473,336 for the years ended December 31, 2022 and 2021, respectively.

Company contributions are allocated to investment options in accordance with participants' investment elections.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participants may allocate their future contributions among any of the investment options and may transfer the amounts related to their existing balances among any of the investment options to other investment options. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances.

Any former Grace employee with an account balance within the Plan may directly roll over into the Plan a lump sum distribution from a Grace defined benefit plan.

Notes Receivable from Participants

Participants may borrow up to one-half of the value of their account balance up to \$50,000, but not less than the minimum note amount of \$500. Notes may be for a term of one to five years for a general-purpose note and up to twenty years for a note to purchase a principal residence. For notes issued by the Plan, the interest rate on the note is set on the application date and equals the prime interest rate on the last business day of the preceding calendar quarter plus 2 percentage points. The interest rate and repayment amounts for the notes are fixed for the term of the note, and notes are repaid through payroll deductions. Participants may repay the outstanding note balance in full at any time without penalty.

Notes receivable from participants are measured at their unpaid balances plus accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Notes are considered to be in default and treated as a distribution for tax purposes if no payment is received for ninety days. If employment with the Company ends, any outstanding note balance will be considered a distribution if not repaid within ninety days.

1. DESCRIPTION OF THE PLAN - cont'd.

Notes Receivable from Participants – cont'd.

Interest paid on notes is credited to the individual participant's investment options from which the note was taken.

Payment of Benefits

Upon disability, retirement, death, or other termination of service, a participant or inactive participant, who is not eligible to elect or who does not elect to defer the distribution, may elect to receive his/her benefit in the form of a single lump sum payment, annual or quarterly installment payments, or a partial payment of an portion of his or her distributable vested balance if the balance exceeds \$5,000. Effective May 1, 2021, participants may elect to receive their benefit in the form of a single lump sum payment, monthly, quarterly, or annual installment payments over a period not to exceed 20 years, or a partial payment of any portion of their distributable vested balance. A terminated participant with an account balance less than \$1,000 will receive an automatic direct distribution of that amount; for amounts greater than \$1,000 but less than \$5,000, the balance will remain in that terminated participant's account until the participant elects to have it distributed as a single lump sum payment.

Effective May 1, 2021, the Plan was amended to allow for qualified birth or adoption distributions, as defined by the Plan, up to \$5,000 per child or eligible adopter.

Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½.

There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan but had not received such distributions as of December 31, 2022 and 2021.

Administrative Expenses

Expenses incurred in the administration of the Plan are required to be paid with assets of the Plan unless the Company, at its discretion, elects to pay them. The Company paid a portion of Plan expenses for the years ended December 31, 2022 and 2021. Plan expenses are shown gross on the accompanying statements of changes in net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained on the accrual basis of accounting, which is acceptable under U.S. Department of Labor Regulations and is in accordance with generally accepted accounting principles in the United States of America (GAAP).

GCP APPLIED TECHNOLOGIES INC. SAVINGS AND INVESTMENT PLAN

Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - cont'd.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results may differ from the estimates used.

Risks and Uncertainties

The Plan provides for investments in assets that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur that materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments in mutual funds are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end, which is fair value. Refer to Note 3 for further discussion.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is accrued when earned.

The Plan presents in the statements of changes in net assets available for benefits the "net appreciation (depreciation) in fair value" of its investments, which consists of the realized gains (losses) and the unrealized appreciation (depreciation) on those investments.

Payments of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 12, 2023, the date the financial statements were available to be issued, and determined there were no material events that warrant disclosure.

GCP APPLIED TECHNOLOGIES INC. SAVINGS AND INVESTMENT PLAN

Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

3. FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Interest in common collective trust: Value is based on the net asset value (practical expedient) as determined by the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

GCP APPLIED TECHNOLOGIES INC. SAVINGS AND INVESTMENT PLAN

Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

3. FAIR VALUE MEASUREMENT – cont’d.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 108,135,898	\$ -	\$ -	\$ 108,135,898
Total investments in the fair value hierarchy	108,135,898	-	-	108,135,898
Interest in common collective trust *	n/a	n/a	n/a	17,945,715
Total investments	\$ 108,135,898	\$ -	\$ -	\$ 126,081,613

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 155,319,442	\$ -	\$ -	\$ 155,319,442
Total investments in the fair value hierarchy	155,319,442	-	-	155,319,442
Interest in common collective trust *	n/a	n/a	n/a	19,875,861
Total investments	\$ 155,319,442	\$ -	\$ -	\$ 175,195,303

(*) In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

In accordance with the fair value measurements and disclosure guidance, the following table presents the category, fair value, redemption frequency, redemption notice period, and unfunded commitments for Plan investments, the fair value of which are estimated using the net asset value per share as a practical expedient, as of December 31,:

	2022	2021	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Common/Collective Trust ^(a)	\$17,945,715	\$19,875,861	Daily	None	n/a

(a) This fund invests in conventional and synthetic investment contracts issued by insurance companies. Individual assets of the conventional and synthetic investment contracts include domestic and foreign fixed income securities and investments in investment companies or collective investment trusts.

4. INVESTMENTS

All investment data contained in the accompanying financial statements and supplemental schedule, including assets held as of December 31, 2022 and 2021, interest and dividend income and net realized and unrealized appreciation (depreciation) in fair value of investments for the years then ended, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by the Trustee of the Plan.

GCP APPLIED TECHNOLOGIES INC. SAVINGS AND INVESTMENT PLAN

Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

5. RELATED-PARTY TRANSACTIONS

The Plan invests in shares of mutual funds managed by Fidelity Investments Institutional Operations Company, Inc. (FIIOC). The fair value of the Fidelity investments were \$45,308,497 and \$73,801,230, as of December 31, 2022 and 2021, respectively. FIIOC acts as Custodian for the Plan and is related to the Plan's Trustee. The Plan advances funds as notes receivable to its participants according to the applicable provisions of the Plan agreement. Notes receivable from participants were \$1,224,987 and \$1,434,663 as of December 31, 2022 and 2021, respectively. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. Administrative fees paid by the Plan to Fidelity amounted to \$120,069 and \$138,948 for the years ended December 31, 2022 and 2021, respectively. All such transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

6. TAX STATUS

The Plan received a favorable determination letter from the Internal Revenue Service (IRS) dated June 18, 2018. The Plan has been amended since receiving the letter. The Plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, the provisions of ASC 740 do not have a material impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2022 and 2021. The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

GCP anticipates that the Plan will continue indefinitely but reserves the right to amend or discontinue the Plan at any time. A participating business unit may terminate its participation in the Plan with the approval of GCP's Board of Directors. In the event the Plan terminates, participants would become fully vested and receive the value of their account balances at the time of distribution in accordance with the Plan and ERISA.

GCP APPLIED TECHNOLOGIES INC. SAVINGS AND INVESTMENT PLAN

Notes to the Financial Statements For the Years Ended December 31, 2022 and 2021

8. EXCESS CONTRIBUTIONS PAYABLE

During the year ended December 31, 2022, the Plan complied with all non-discrimination rules. During the year ended December 31, 2021, the Plan failed to comply with certain non-discrimination rules. As a result of failing these tests, the Plan was required to refund certain excess contributions to affected participants. As of December 31, 2021, corrections were required to be made totaling \$3,080, and are recorded as excess contributions payable in the accompanying statements of net assets available for benefits. The refund payments related to the corrections required for the year ended December 31, 2021 were made May 4, 2022.

9. RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of the net assets available for benefits reported on the financial statements to the Form 5500 as of December 31,:
