INDEPENDENT AUDITOR'S REPORT

401(k) Employee Council
TPx 401(k) Plan
303 Colorado Street, Suite 2075
Austin, Texas 77002

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TPx 401(k) Plan (the "Plan") , an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 20 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The TPx 401(k) Plan (the "Plan") was established on January 1, 1998 to provide voluntary retirement benefits and tax-deferred savings opportunities to eligible employees of U.S. TelePacific Corp. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Certain designated officers of the Company serve as the plan administrator. Investment Fund options are participant-directed.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. Participation

Company employees are eligible to participate in the Plan the first day of each month.

B. Benefits

Benefits under the Plan begin when a participant retires, becomes disabled, dies or ceases to be an employee, whichever applies. Normal retirement age is 65. Hardship withdrawals are permitted.

C. Vesting

A participant is fully vested immediately as to voluntary and rollover contributions and related earnings. Employer contributions are 50% vested after 1 year of service and 100% vested after 2 years of service. Qualified nonelective contributions are always 100% vested.

D. Contributions

Participants may contribute to the Plan through tax-deferred salary reductions from 1% to 50% of compensation, as defined in the Plan, and up to 100% of bonuses received during the year, up to a statutory annual maximum as determined by the Internal Revenue Code (the "Code").

The Company may, at its discretion, make matching contributions. The Company will match participant contributions in an amount equal to 50% of the participant's contribution up to a maximum of $1,000 for the year.

E. Notes Receivable from Participants

A participant is allowed to borrow a maximum of 50% of his or her vested account balance up to $50,000. The maximum loan allowed is reduced by the highest outstanding loan balance during the previous 12 months. The minimum loan amount is $1,000. Loans must be repaid through payroll deductions within 5 years (unless the loan is for the purchase of a primary residence). All loans must be adequately secured and accrue interest at the current prime rate plus 2%.

F. Forfeitures

Forfeitures of terminated participants' non-vested accounts occurring in a Plan year are applied to reduce Plan expenses. Forfeitures for the year ended December 31, 2022 totaled $23,091. Investments as of December 31, 2022 and 2021 include $71,280 and $57,622, respectively, of forfeited funds available for future use.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

G. Expenses

Certain administrative expenses are paid by the Plan.

H. Expense Budget Account

Effective October 4, 2021, the Plan established an expense budget account ("EBA") which is an unallocated plan account for the purpose of holding assets that may be used by the plan administrator to pay reasonable Plan administrative expenses, subject to the terms of the Plan and applicable laws. The EBA is funded by revenue received by Empower Trust Company, LLC that exceeds its revenue requirements for the Plan. On an annual basis, any remaining balance not used to pay reasonable Plan administrative expenses will be allocated to participant's accounts. The balance in the EBA as of December 31, 2022 and 2021 were $216,214 and $177,627, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

B. Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Level 1 investments consist of mutual funds valued at fair value based on quoted market prices.

D. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risk associated with investments, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 3 - INCOME TAX STATUS

The Plan is based upon a prototype plan document that has received tax exempt status from the Internal Revenue Service. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts, and Plan assets would be distributed based upon the participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2022 and 2021 and investment income (loss) for the year ended December 31, 2022 that is disclosed in the accompanying financial statements and supplemental schedules were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the trustees of the Plan.

NOTE 6 - FIXED INCOME OPTION

The Plan maintains a fully benefit-responsive group annuity contract with Massachusetts Mutual Life Insurance Company ("SAGIC") through the Fixed Income Option ("Guaranteed Interest Accounts"). Contributions to the Guaranteed Interest Accounts are maintained in an insurance company general account and credited for interest and charged for participant withdrawals and administrative expenses. SAGIC is contractually obligated to repay principal and a specified rate of interest that is guaranteed to the Plan. The Guaranteed Interest Accounts meets fully benefit-responsive investment contract criteria and is reported at contract value at December 31, 2022 and 2021. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants when they initiate permitted transactions under the terms of the Plan.

The crediting rate is based on a formula established by SAGIC but may not be less than 1% percent. The crediting rate is reviewed on a monthly basis for resetting. The crediting rate for 2022 and 2021 were 2.50% and 2.10%, respectively.

The Plan's ability to receive amounts due is dependent on SAGIC's ability to meet its financial obligations. There are no reserves against contract value for credit loss. Certain events might limit the ability of the Plan to transact at contract value, including premature termination of Plan's investments in the Guaranteed Interest Accounts. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

NOTE 8 - PLAN AMENDMENTS

On September 13, 2022, the Plan was amended effective date of January 1, 2022 to adopt the following:

- Forfeiture allocation method was changed to reduce matching contributions and plan expenses.
- Plan entry date was changed to first day of each month.
- Type of automatic deferral arrangement was changed to Eligible Automatic Contribution Arrangement (EACA).

On November 1, 2021, the Plan was restated to change trustee to Great-West Trust Company, LLC and to adopt Internal Revenue Service Cycle 3 Retirement Plan provisions to comply with certain changes required by law.

NOTE 9 - SUBSEQUENT EVENTS

In 2023, the Plan was amended to adopt the provisions for the CARES Act and Secure Act.

Management has evaluated subsequent events through October 9, 2023, the date on which these financial statements were available to be issued. Except as discussed in the preceding paragraph, there were no material subsequent events that required recognition or additional disclosures in these financial statements.
