INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Cattron North America 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Cattron North America 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cattron North America 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cattron North America 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Catron North America 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Catron North America 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of Cattron North America 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

GENERAL

The Plan is a defined contribution plan, covering substantially all employees of Cattron North America (the Company) who are not leased, nonresident aliens, or covered by a collective bargaining agreement, as defined by the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

There is no age or service requirement to participate in the Plan. Service time includes service with the Predecessor Employer.

Fidelity Management Trust Company was the Plan's trustee (the Trustee) and record keeper during the years ended December 31, 2022 and 2021. The Plan administrator is responsible for all matters including, but not limited to, oversight of the Plan, eligibility, rights to benefits, interpreting Plan documents, maintaining participants' accounts, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

During the year ended December 31, 2021, the Plan Sponsor acquired a company, resulting in the Adams Keegan Retirements Savings Plan merging into the Plan. Transfers from this Plan totaled \$1,839,994 for the year ended December 31, 2021.

The Plan was restated effective September 8, 2021 to comply with all applicable recently adopted laws and regulations.

CONTRIBUTIONS

Participants may elect to contribute from 1% to 90% of their eligible compensation to the Plan through payroll reductions on a pre-tax or Roth basis, as defined by the Plan, up to the annual Internal Revenue Service (IRS) contribution limit, plus catch up contributions as defined in the Plan document. Newly eligible participants are automatically enrolled to defer 3% of eligible compensation on a pre-tax basis, with annual increases of 1% not to exceed a total deferral of 10% of eligible compensation. Rollover contributions are permitted as described in the Plan document.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Company is able to make discretionary matching contributions and qualified matching contributions to satisfy the Plan's ADP testing requirement. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (IRC). Total discretionary matching contributions were \$0 for both years ended December 31, 2022 and 2021. Total qualified matching contributions were \$402,629 and \$203,437 for the years ended December 31, 2022 and 2021, respectively.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, the Company's qualified matching contributions and any earnings thereon, and charged with an allocation of administrative expenses. Allocations of discretionary and qualified matching contributions are based on participant compensation, as defined in the Plan document. Participants are eligible to receive discretionary and qualified matching contributions if they are employed on the last day of the plan year unless they are exempted due to death, disability, or retirement during the plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions, and non-elective and matching Company contributions, plus actual earnings thereon.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. The forfeitures may be used to offset Company contributions or administrative expenses. Forfeited, non-vested accounts totaled \$0 at December 31, 2022 and 2021. There were no forfeitures used to offset Company contributions or administrative expenses during the years ended December 31, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, or reasons of proven financial hardship, participants or their beneficiaries may receive a lump-sum amount equal to the value of their vested account if the participant's account is in excess of \$5,000. Hardship withdrawals are subject to a \$500 minimum amount. The Plan requires involuntary cash out distributions for terminated employees with balances under \$5,000. Involuntary cash out distributions for terminated employees with balances exceeding \$1,000, who do not elect otherwise, are rolled out of the Plan into an individual retirement arrangement (IRA). The Plan, in line with IRS rules, also requires the participants to receive required minimum distributions upon attainment of age 72.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts the lesser of (a) 50% of their vested account balance; and (b) \$50,000 reduced by the excess of the highest outstanding balance of plan loans during the one-year period ending on the day before the loan is made. Notes receivable terms range from 1 to 5 years or a reasonable amount of time for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's vested account and bear interest at a reasonable rate based on the prevailing interest rates charged by persons in the business of lending money for loans that would be made under similar circumstances at the time of issuance. Principal and interest are paid ratably through payroll deductions.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct contributions to their accounts into various investment options offered by the Plan.

ADMINISTRATIVE EXPENSES

All administrative expenses are paid by the Plan or the Company, at the discretion of the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to participant accounts.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for credit losses was recorded as of December 31, 2022 and 2021.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 12, 2023, the date these financial statements were available to be issued. Other than the matter noted below, there were no events identified that required recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net (depreciation) appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate the Trustee. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Registered Investment Companies - Investments in registered investment companies are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the plan year. The NAV is a quoted price on an active market.

Common Collective Trust - (Fidelity Managed Income Portfolio Fund or MIP) The investment in the MIP is presented at fair value, which reflects the NAV of the fund. The NAV of the MIP is based on the fair value of the underlying securities plus the contract value of the fully benefit-responsive wrapper contract. The MIP's NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund. A participant's ownership of the MIP is represented by units. Units are issued and redeemed daily at the MIP's constant NAV of \$1.00 per unit. Although it is the policy of the MIP to use its best efforts to maintain a stable NAV of \$1.00 per unit, there is no guarantee that the MIP will be able to maintain that value.

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The MIP is unlikely to maintain a stable NAV if, for any reason, it cannot obtain or maintain wrap contracts covering all of its underlying assets that are not otherwise invested in money market funds. In the event that an issuer of a wrap contract fails to perform as intended, the MIP's NAV may decline if the market value of its assets declines. Plan management believes the occurrence of events and circumstances that would cause the MIP to transact at less than NAV is not probable.

The Plan has applied the practical expedient in ASC 820 Fair Value Measurement for assets valued at NAV, therefore the common collective trust is excluded from the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Total
Registered Investment Companies	<u>\$14,081,582</u>	<u>\$14,081,582</u>

NOTE 5 - TAX STATUS

Prior to September 8, 2021, the Plan had adopted a Volume Submitter Profit Sharing Plan. The Volume Submitter Profit Sharing Plan obtained its latest opinion letter on March 31, 2014, in which the IRS stated that the Volume Submitter Profit Sharing Plan, as then designed, was in accordance with applicable sections of the IRC. Effective September 8, 2021, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement. The Non-Standardized Pre-Approved Profit Sharing Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Non-Standardized Pre-Approved Profit Sharing Plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments at December 31, 2022 and 2021 are invested in funds managed by the Trustee, and therefore, these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2022</u>
Net assets available for benefits per the financial statements	\$15,133,243
