INDEPENDENT AUDITOR'S REPORT

October 11, 2023

To the Plan Administrator of
Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust, previously referred to as Vie de France Yamazaki, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Opinion (Continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VIE DE FRANCE YAMAZAKI, INC. 401K PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Vie de France Yamazaki, Inc. (the Company or the Plan Administrator) who meet certain eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On August 2, 2022, the Board of Directors of the Company approved a merger of the Plan and Bakewise Brands, Inc. 401(k) Plan (Bakewise Plan) to be effective October 3, 2022 through a plan amendment. The Company and Bakewise Brands, Inc. and Subsidiaries (Bakewise), the plan sponsor of the Bakewise Plan, are both wholly-owned subsidiaries of Yamazaki Baking Co., Ltd. As part of the plan amendment, the Plan previously referred to as Vie de France Yamazaki, Inc. 401k Retirement Savings Plan now operates as the Vie de France Yamazaki, Inc. 401k Profit Sharing Plan and Trust which will be sponsored by the Company and will include Bakewise and Tom Cat Bakery, Inc. as participating employers.

As of December 7, 2022, the Bakewise plan's assets were fully transferred into the Plan. A summary of the transferred net assets is as follows and is included on the changes in net assets available for benefits statement.

Investments, at fair value	\$ 2,248,643
Notes receivable from participants	<u>122,667</u>
Total	<u>\$ 2,371,310</u>

Administration

The Company is the sponsor and administrator of the Plan. Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (collectively, Empower Retirement) was the third-party administrator (TPA), custodian and trustee of the Plan. Effective August 1, 2022, Great-West Life & Annuity Insurance Company and Great-West Trust Company rebranded and became Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, "Empower Retirement").

As of November 2, 2022, substantially all Plan assets were transferred from the previous custodian and recordkeeper, Empower Retirement, to Paychex, Inc. (Paychex) as the recordkeeper and to Mid Atlantic Trust Company (MATC) as the custodian. The Plan's investment in the guaranteed annuity contract remained with Empower due to restrictions on the immediate termination of the contract. Paychex provides recordkeeping and administrative services for the Plan, including maintaining participant accounts and executing participant-initiated activity. MATC is responsible for the custody of plan assets and execution of the investment transactions. Subsequent to year-end, the remaining Plan assets invested in the guaranteed annuity contract with Empower Retirement were transferred to MATC.

1. DESCRIPTION OF PLAN (Continued)

Eligibility

Prior to October 3, 2022, employees of the Company were eligible to participate in the Plan upon the attainment of 21 years of age and completion of 45 days of service or completion of 30 days of service if hired prior to June 1, 2017. Effective October 3, 2022, the Plan was amended for employees to become eligible for Plan participation upon the attainment of 21 years of age and the completion of one month of service. Employees of the Company are eligible to receive matching contributions and discretionary profit sharing contributions upon attainment of 21 years of age and completion of six months of service. Employees of the Company must also be employed at the Company on the last day of the Plan year to be eligible for matching and discretionary profit sharing contributions. Deferral and employer match contributions begin on the first day of the month coinciding with or the month after that in which eligibility requirements are met.

Contributions

The Plan allows participants to contribute up to 92% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan.

Prior to October 3, 2022, the Company made matching contributions equal to 33% of each participant's elective deferral up to a maximum of 6% of the participant's compensation. Effective October 3, 2022, the Company makes matching contributions equal to 34% of each participant's elective deferral up to the first 2% of the participant's compensation and 33% of each participant's elective deferral up to a maximum of 6% of the participant's compensation. In addition, the Company may make discretionary profit sharing contributions on behalf of participants. The Company made no discretionary profit sharing contributions to the Plan for the year ended December 31, 2022 and 2021. Distributions from other qualified retirement plans can also be contributed as rollover contributions.

Prior to October 3, 2022, the Plan provided an automatic enrollment provision in which newly eligible participants were enrolled to contribute 3% of their annual salary if entry date to the Plan was before July 1, 2014 and enrolled to contribute 4% of their annual salary if entry date to the Plan was on or following July 1, 2014, unless the participant elected otherwise. In the absence of an employee election, contributions were defaulted to an age-based managed fund, until an election was made. Effective October 3, 2022, the Plan was amended to remove the automatic enrollment provision.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions and actual earnings and losses thereon. Allocations of Plan earnings, forfeitures, and Plan expenses are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferral contributions plus actual earnings thereon. Prior to October 3, 2022, participants vested 100% in the Company's matching and discretionary profit sharing contributions at the end of completing 3 years of continuous service. Effective October 3, 2022, participants become vested in the Company matching and discretionary profit sharing contributions based on a three-year graded vesting schedule at a rate of 33% each year. Participants are also fully vested upon attainment of age 59 ½, death or total and permanent disability.

1. DESCRIPTION OF PLAN (Continued)

Benefit Payments

The Plan provides for normal retirement benefits upon termination of service due to death, disability or attainment of retirement age. The normal retirement age is the date a participant reaches the age of 65. Participants may elect disbursement of their vested account balance in either a lump-sum amount or direct rollover into an individual retirement account or another qualified plan. Vested account balances of \$5,000 or less are paid as lump sum distributions or rollover distributions. Distributions due to termination or disability may be deferred until the participant retires if the value of their account exceeds \$5,000.

In-Service Withdrawals

Participants may elect disbursement of all or part of their vested account balance upon the attainment of age 59 ½.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant vested accounts under certain circumstances. All hardship withdrawals must comply with rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions for a period not to exceed five years, unless they are used to purchase a primary residence, in which case the Plan Administrator may permit terms up to 10 years. Notes receivable are secured by the participant's account and bear interest at a fixed rate of Prime plus 1% at the date of loan origination. Notes receivable are measured at the unpaid principal balance plus any accrued but unpaid interest. The Plan allows for participants to have two active notes. Notes receivable in default must be paid before another loan may be issued. Delinquent loans are treated as distributions based upon ERISA, IRS, and plan document provisions.

Administrative Expenses

Participant accounts are charged fees for processing loans and benefit payments. Certain fees may be paid by the Plan through reduction of investment income and netted against net appreciation in value of investments. All other administrative expenses may be paid by the Plan or the Company.

Forfeitures

Forfeitures of non-vested employer contributions may be used to reduce Company matching contributions, discretionary profit sharing contributions or to reduce administrative expenses of the Plan. As of December 31, 2022 and 2021, the Plan reported available forfeitures of \$12,752 and \$2,123, respectively. Forfeitures of non-vested account balances and earnings on unused amounts totaled \$12,564 and \$10,293 in 2022 and 2021, respectively. The amount of forfeitures used to reduce employer contributions and plan expenses were \$1,935 and \$16,377 during the years ended December 31, 2022 and 2021, respectively.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, all participant accounts would become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained, and the accompanying financial statements have been prepared on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America ("U.S. GAAP"). Under this basis, investment income and employer contributions are recognized when received and disbursements are recognized when made. Investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with U.S. GAAP.

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a settlement date basis. Dividends are recorded on an ex-dividend rate. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income and dividends are recorded when received.

Fair Value Measurements – Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB 820 are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See Note 4 for a description of where the Plan's assets fall within the fair value hierarchy.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).

Benefit Payments

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Empower Retirement as of and for the years ended December 31, 2022 and 2021 and by MATC as of December 31, 2022 and for the period from October 1, 2022 through December 31, 2022:

	<u>2022</u>	<u>2021</u>
Investments	\$ 18,569,402	\$ 26,198,216
Notes receivable from participants	\$ -	\$ 800,817
Investment (loss) income	\$ (4,950,644)	\$ 2,623,373
Interest on notes receivable from participants	\$ -	\$ 41,966
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31:

<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 48,841	\$ -	\$ -	\$ 48,841
Mutual funds	17,566,535	-	-	17,566,535
Investments, at net asset value				\$ 954,026
Total investments				\$ 18,569,402

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31:

<u>2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,594,874	\$ -	\$ -	\$ 2,594,874
Investments, at net asset value				<u>\$ 23,603,342</u>
Total investments				<u>\$ 26,198,216</u>

The following is a description of the valuation methodologies used for assets measured at fair value:

Interest-bearing cash: fair value approximates the carrying amounts of such instruments due to their short maturity.

Mutual funds: valued at fair value based on quoted market prices.

Collective trust funds: valued at fair value using the net asset value (NAV) per share practical expedient based on the value of underlying investments using a market approach.

Guaranteed annuity contract: valued at fair value using the net asset value (NAV) per share practical expedient based on the value of underlying investments using a market approach.

Investment in Entities that Calculate Net Asset Value

The Plan was invested in common collective trust funds (CCT) that calculate net asset value on a daily basis. Units were issued and redeemed as of the end of each day at the daily net asset value.

The CCT's primary investment objectives were to seek income while preserving principal and provide daily liquidity at contract value for participant withdrawals and transfers. Redemptions were generally restricted to processing on a valuation date at the daily net asset value per unit computed on that date. CCT units could be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in CCTs. The CCTs did not have any unfunded commitments.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurements at the reporting date.

Plan investments include a guaranteed annuity contract (GAC) with Empower Annuity Insurance Company of America (previously referred to Great-West Life & Annuity Insurance Company) that guarantees the contract benefit value upon termination, death, disability or retirement of a participant for participant-initiated transactions. Contract value is defined as the value paid when funds are withdrawn at maturity or at the time of termination, death, disability, or retirement of a participant and is equal to amounts deposited plus accrued interest. However, provisions of the contract prevent full and immediate payout of the contract value for Plan-initiated transactions. Additionally, there are possibilities of market value adjustments when funds are withdrawn prior to maturity.

4. FAIR VALUE MEASUREMENTS (Continued)

Investment in Entities that Calculate Net Asset Value (Continued)

As such, Empower Annuity Insurance Company of America does not consider the GAC to be fully benefit responsive at the Plan reporting level. Accordingly, the GAC is included in the financial statements at net asset value as a practical expedient of estimated fair value as reported and certified by Empower Retirement. Net asset value is generally determined based upon the fair value of the underlying assets held by the fund less its liabilities. Net asset value may not be used in situations whereby it is probable that the fund will transact at an amount different than reported net asset value. In certain situations, the Plan trustee and investment custodian may temporarily delay withdrawal if necessary to ensure an orderly liquidation of assets.

Estimated fair value is determined annually for financial statement reporting purposes. In determining the reasonableness of the fair value methodology, the Plan evaluates a variety of factors including reviewing existing contracts, economic conditions, industry and market developments, and overall credit ratings. Certain observable inputs are assessed through review of contract terms while others are substantiated utilizing available market data. Any difference between contract value and fair value are reflected as components of investment income (loss) for the years ended December 31, 2022 and 2021. The average yields for the investment contract and actual average yields earned on the investment contract as reported by Empower Retirement were approximately 0.93% and 0.90% for the years ended December 31, 2022 and 2021, respectively.

5. INCOME TAX STATUS

Prior to October 3, 2022, the Plan was based on an Internal Revenue Service (IRS) approved prototype plan provided by Empower Trust Company, LLC. The IRS has determined, by the letter dated March 31, 2014, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees.

Effective October 3, 2022, the Plan is based on an IRS approved prototype plan provided by Paychex. The IRS has determined, by the letter dated August 31, 2020, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees.

In both instances, the Plan itself has not received a determination letter from the IRS. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

6. PARTIES-IN-INTEREST

Empower Retirement served as the TPA, custodian and trustee of the Plan's investment assets through October 1, 2022 and as the custodian and trustee of the Plan's investment in the GAC through December 31, 2022. MATC serves as the custodian and trustee of the Plan's investment assets and Paychex serves as the TPA for the period October 1, 2022 through December 31, 2022. Consequently, transactions between Empower Retirement, MATC, Paychex, the Company and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

7. RECONCILIATION TO FORM 5500

While net assets available for benefits are reconciled between the financial statements and Form 5500 in total as of December 31, 2022 and 2021 below, additional classifications may differ between the financial statements and Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to net assets available for benefits per Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits, per the financial statements	\$ 19,396,499	\$ 26,999,033
Cumulative deemed distributions on participant notes	<u>(7,931)</u>	<u>(123,737)</u>
Net assets available for benefits, per Form 5500	<u>\$ 19,388,568</u>	<u>\$ 26,875,296</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to changes in net assets available for benefits per Form 5500 for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Change in net assets available for benefits, per the financial statements	\$ (7,602,534)	\$ 861,846
Change in deemed distributions on participant notes	<u>115,806</u>	<u>35,906</u>
Change in net assets available for benefits per Form 5500	<u>\$ 7,486,728</u>	<u>\$ 897,752</u>

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 11, 2023, which is the date the financial statements were available to be issued.
