INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustee of
Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H - Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WRIGHT BROTHERS CONSTRUCTION COMPANY, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan (the Plan) provides general information only. Participants should refer to the Plan Adoption Agreement (Plan Agreement) for a more complete description of the Plan's provisions.

GENERAL

The Plan is a participant directed defined contribution 401(k) plan generally covering all eligible, full-time employees, excluding union and leased employees, of Wright Brothers Construction Co., Inc., the Plan Sponsor, and related party companies, Wright Brothers Contracting, Inc., and Wright Industrial Group (WIG), that is under the same management group (collectively the Company or Employer).

Oversight of the Plan is held by the plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor's management.

ELIGIBILITY

All employees of the Company, excluding any leased or union employees, who are age eighteen or older and have completed ninety days of service are eligible to participate in the Plan (Participants). Employees are eligible to participate on the first day of the start of the following quarter subsequent to them meeting the eligibility requirements.

CONTRIBUTIONS

PARTICIPANT CONTRIBUTIONS

Participants may contribute up to 100% of their pre-tax annual compensation, as defined in the Plan Agreement, or up to the annual maximum dollar amount as prescribed by the Internal Revenue Code (IRC). Participants who were age 50 and older before the close of the calendar year were allowed to make a catch-up contribution. Participants have a 100 percent vested and nonforfeitable interest in their own contributions plus actual earnings thereon. The Company's matching contribution, together with any salary reduction employee contributions, shall not exceed the maximum deductible amount under IRC Section 415(c). Participants may contribute amounts representing distributions from other qualified plans (rollovers).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

PARTICIPANT CONTRIBUTIONS (CONTINUED)

The Plan implemented an automatic deferral provision whereby all newly eligible employees from this date forward who have not elected to participate are set up with an automatic deferral percentage of 1% of compensation. On January 1 of each year, the annual elective deferral percentage automatically increases by 1% up to a maximum of 10% unless an employee is highly compensated or elects out of the increase. Contributions are subject to certain IRS limitations.

DISCRETIONARY EMPLOYER MATCHING CONTRIBUTIONS

The Company may make discretionary matching contributions to the Plan each year. For the year ended December 31, 2022, the Company elected to make a discretionary matching contribution to the Plan of \$480,007 (offset by forfeitures of \$74,433), which represents a 30% match of 100% of each Plan participant's contributions. The participant must have completed ninety days of service to be eligible to share in the discretionary matching allocation.

DISCRETIONARY EMPLOYER PROFIT SHARING CONTRIBUTIONS

The Company may make a discretionary profit sharing contribution for a participant that has completed more than 1,000 hours and must be employed on the last day of the Plan year. The discretionary profit sharing contribution allocation would be based on the ratio that each participants' compensation bears to the total of such compensation of all participants. No such contribution was made for the year ended December 31, 2022.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's discretionary matching and profit sharing contributions and an allocation of the Plan's earnings (losses). Allocations are based on participant account balances, as defined. The accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses. Should an employee withdraw from the Plan before he or she is fully vested, the non-vested portion of his or her account is forfeited. All forfeitures are reallocated to offset future Company discretionary matching or profit sharing contributions or Plan expenses in accordance with the terms of the Plan. When the participant attains his or her normal retirement age, or in the event of death or disability, the participant becomes 100 percent vested in the Company's discretionary matching and profit sharing contributions, and interest earned thereon.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

INVESTMENT OPTIONS

Participants may direct the investment of their account balances into various investment options offered by the Plan. The Plan offers a variety of mutual funds and a common collective trust as investment options for participants. These funds and contract include a variety of investment options with various objectives and degrees of financial risk.

VESTING

Participants are immediately vested in their salary deferral contributions and Rollovers, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions is based on years of continuous service. A Plan year during which a participant works at least 1,000 hours is counted as one year of vesting service. Vesting in the Company's discretionary matching and profit sharing contributions is based on a six-year graded vesting schedule as described below:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more	100%

The Plan provides for 100% vesting of Company discretionary matching and profit sharing contributions and earnings thereon upon attainment of normal retirement age of 62, disability or death.

NOTES RECEIVABLE FROM PARTICIPANTS

Loans to participants are not permitted under the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS

When a participant is entitled to a distribution on account of retirement, death, disability or termination of employment, such distribution is made in a lump sum payment. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$5,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of participant. The Plan also provides for in-service withdrawals with certain limitations set by the Plan, for participants who have attained the age of 59½. Participants who have reached the age of 72 must take the required minimum distribution. Any participant who has authorized salary reduction contributions may withdraw all or a portion of such contributions in the event of extreme financial hardship, as defined by the Plan, and approved by the plan administrator.

FORFEITURES

If a participant is not fully vested on his or her termination date, the Company's unvested portion of the discretionary matching and employer profit sharing contributions will be forfeited. All amounts forfeited are first used to pay administrative expenses then may be used to reduce the Company's discretionary matching contributions. For the year ended December 31, 2022, \$74,433 were applied to current year discretionary matching contributions. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled approximately \$231,000 and \$156,000, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP).

USE OF ESTIMATES

The preparation of the financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

BENEFIT PAYMENTS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Administrative expenses incurred in relation to the maintenance of the Plan are paid by the Company and the Plan. For the year ended December 31, 2022, expenses incurred by the Plan were approximately \$84,288. Expenses that are paid by the Company are excluded from these financial statements. In addition, certain investment related expenses are included in net depreciation in fair value of investments in the accompanying Statement of Changes in Net Assets Available for Benefits.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events for potential recognition and disclosure through October 6, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth the Plan's investments at fair value as of December 31, 2022 and 2021 by level within the fair value hierarchy:

Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3
Mutual funds	<u>\$ 15,458,207</u>	<u>\$ --</u>	<u>\$ --</u>
Collective trust fund measured at NAV (a)			<u>4,122,229</u>
Investments at Fair Value			<u>\$ 19,580,436</u>

Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Mutual funds	<u>\$ 18,928,154</u>	<u>\$ --</u>	<u>\$ --</u>

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following summarizes investments measured at fair value based on NAV per share as follows at December 31, 2022 and 2021:

Fund Name	Fair Value		Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
	2022	2021			
Putnam Stable Value Fund	\$ 4,122,229	\$ 4,461,786	\$ --	Daily	30 days

NOTE 5 - CORRECTIVE DISTRIBUTION PAYABLE

During the years ended December 31, 2022 and 2021, the Plan failed certain nondiscrimination tests. As a result, refunds of excess contributions are required to be paid out to participants in order for the Plan to meet compliance testing requirements. An accrual was made for this excess contribution of \$75,222 and \$80,003 at December 31, 2022 and 2021, respectively and was paid in the year subsequent to the year in which these contributions occurred.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

WRIGHT BROTHERS CONSTRUCTION COMPANY, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 7 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

During the year ended December 31, 2022, there were transactions involving the investment of Plan assets in investment funds maintained under the custody of the trustee, a party-in-interest as defined in Section 3(14) of ERISA. Further, personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. These transactions are exempt from the prohibited transaction rules.

NOTE 8 - TAX STATUS

The Plan uses a volume submitter profit sharing plan which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of the investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Trustee of
Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H - Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Wright Brothers Construction Company, Inc. 401(k) Profit Sharing Plan (the Plan) provides general information only. Participants should refer to the Plan Adoption Agreement (Plan Agreement) for a more complete description of the Plan's provisions.

GENERAL

The Plan is a participant directed defined contribution 401(k) plan generally covering all eligible, full-time employees, excluding union and leased employees, of Wright Brothers Construction Co., Inc., the Plan Sponsor, and related party companies, Wright Brothers Contracting, Inc., and Wright Industrial Group (WIG), that is under the same management group (collectively the Company or Employer).

Oversight of the Plan is held by the plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor's management.

ELIGIBILITY

All employees of the Company, excluding any leased or union employees, who are age eighteen or older and have completed ninety days of service are eligible to participate in the Plan (Participants). Employees are eligible to participate on the first day of the start of the following quarter subsequent to them meeting the eligibility requirements.

CONTRIBUTIONS

PARTICIPANT CONTRIBUTIONS

Participants may contribute up to 100% of their pre-tax annual compensation, as defined in the Plan Agreement, or up to the annual maximum dollar amount as prescribed by the Internal Revenue Code (IRC). Participants who were age 50 and older before the close of the calendar year were allowed to make a catch-up contribution. Participants have a 100 percent vested and nonforfeitable interest in their own contributions plus actual earnings thereon. The Company's matching contribution, together with any salary reduction employee contributions, shall not exceed the maximum deductible amount under IRC Section 415(c). Participants may contribute amounts representing distributions from other qualified plans (rollovers).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

PARTICIPANT CONTRIBUTIONS (CONTINUED)

The Plan implemented an automatic deferral provision whereby all newly eligible employees from this date forward who have not elected to participate are set up with an automatic deferral percentage of 1% of compensation. On January 1 of each year, the annual elective deferral percentage automatically increases by 1% up to a maximum of 10% unless an employee is highly compensated or elects out of the increase. Contributions are subject to certain IRS limitations.

DISCRETIONARY EMPLOYER MATCHING CONTRIBUTIONS

The Company may make discretionary matching contributions to the Plan each year. For the year ended December 31, 2022, the Company elected to make a discretionary matching contribution to the Plan of \$480,007 (offset by forfeitures of \$74,433), which represents a 30% match of 100% of each Plan participant's contributions. The participant must have completed ninety days of service to be eligible to share in the discretionary matching allocation.

DISCRETIONARY EMPLOYER PROFIT SHARING CONTRIBUTIONS

The Company may make a discretionary profit sharing contribution for a participant that has completed more than 1,000 hours and must be employed on the last day of the Plan year. The discretionary profit sharing contribution allocation would be based on the ratio that each participants' compensation bears to the total of such compensation of all participants. No such contribution was made for the year ended December 31, 2022.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the Company's discretionary matching and profit sharing contributions and an allocation of the Plan's earnings (losses). Allocations are based on participant account balances, as defined. The accounts are charged for any withdrawals, distributions, and an allocation of administrative expenses. Should an employee withdraw from the Plan before he or she is fully vested, the non-vested portion of his or her account is forfeited. All forfeitures are reallocated to offset future Company discretionary matching or profit sharing contributions or Plan expenses in accordance with the terms of the Plan. When the participant attains his or her normal retirement age, or in the event of death or disability, the participant becomes 100 percent vested in the Company's discretionary matching and profit sharing contributions, and interest earned thereon.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

INVESTMENT OPTIONS

Participants may direct the investment of their account balances into various investment options offered by the Plan. The Plan offers a variety of mutual funds and a common collective trust as investment options for participants. These funds and contract include a variety of investment options with various objectives and degrees of financial risk.

VESTING

Participants are immediately vested in their salary deferral contributions and Rollovers, plus actual earnings thereon. Vesting in the Company's discretionary matching and profit sharing contributions is based on years of continuous service. A Plan year during which a participant works at least 1,000 hours is counted as one year of vesting service. Vesting in the Company's discretionary matching and profit sharing contributions is based on a six-year graded vesting schedule as described below:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more	100%

The Plan provides for 100% vesting of Company discretionary matching and profit sharing contributions and earnings thereon upon attainment of normal retirement age of 62, disability or death.

NOTES RECEIVABLE FROM PARTICIPANTS

Loans to participants are not permitted under the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS

When a participant is entitled to a distribution on account of retirement, death, disability or termination of employment, such distribution is made in a lump sum payment. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$5,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of participant. The Plan also provides for in-service withdrawals with certain limitations set by the Plan, for participants who have attained the age of 59½. Participants who have reached the age of 72 must take the required minimum distribution. Any participant who has authorized salary reduction contributions may withdraw all or a portion of such contributions in the event of extreme financial hardship, as defined by the Plan, and approved by the plan administrator.

FORFEITURES

If a participant is not fully vested on his or her termination date, the Company's unvested portion of the discretionary matching and employer profit sharing contributions will be forfeited. All amounts forfeited are first used to pay administrative expenses then may be used to reduce the Company's discretionary matching contributions. For the year ended December 31, 2022, \$74,433 were applied to current year discretionary matching contributions. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled approximately \$231,000 and \$156,000, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP).

USE OF ESTIMATES

The preparation of the financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

BENEFIT PAYMENTS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Administrative expenses incurred in relation to the maintenance of the Plan are paid by the Company and the Plan. For the year ended December 31, 2022, expenses incurred by the Plan were approximately \$84,288. Expenses that are paid by the Company are excluded from these financial statements. In addition, certain investment related expenses are included in net depreciation in fair value of investments in the accompanying Statement of Changes in Net Assets Available for Benefits.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events for potential recognition and disclosure through October 6, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

NOTE 3 - CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth the Plan's investments at fair value as of December 31, 2022 and 2021 by level within the fair value hierarchy:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 15,458,207</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 15,458,207

Investments at Fair Value				<u>\$ 19,580,436</u>

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 18,928,154</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 18,928,154

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following summarizes investments measured at fair value based on NAV per share as follows at December 31, 2022 and 2021:

Fund Name	Fair Value		Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
	2022	2021			
Putnam Stable Value Fund	\$ 4,122,229	\$ 4,461,786	\$ --	Daily	30 days

NOTE 5 - CORRECTIVE DISTRIBUTION PAYABLE

During the years ended December 31, 2022 and 2021, the Plan failed certain nondiscrimination tests. As a result, refunds of excess contributions are required to be paid out to participants in order for the Plan to meet compliance testing requirements. An accrual was made for this excess contribution of \$75,222 and \$80,003 at December 31, 2022 and 2021, respectively and was paid in the year subsequent to the year in which these contributions occurred.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

WRIGHT BROTHERS CONSTRUCTION COMPANY, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 7 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

During the year ended December 31, 2022, there were transactions involving the investment of Plan assets in investment funds maintained under the custody of the trustee, a party-in-interest as defined in Section 3(14) of ERISA. Further, personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. These transactions are exempt from the prohibited transaction rules.

NOTE 8 - TAX STATUS

The Plan uses a volume submitter profit sharing plan which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of the investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
