Independent Auditors' Report

To the Plan Administrator of
DCD Automotive Holdings, Inc. 401(k) Plan
Norwood, MA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of DCD Automotive Holdings, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of DCD Automotive Holdings, Inc. 401(k) Plan 's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DCD Automotive Holdings, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DCD Automotive Holdings, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DCD Automotive Holdings, Inc. 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DCD Automotive Holdings, Inc. 401(k) Plan 's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i Schedule of Assets (Held at End of Year) and Schedule H, Line 4a- Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022 and 2021

Plan Description

The following description of the DCD Automotive Holdings, Inc. (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, covering all active employees of the Employers who have completed a participation agreement. Employees who are age 21, or older and have completed 60 days of service are eligible to participate in the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act related to retirement plans. Management intends to formally amend the Plan to reflect the adoption of these temporary provisions by December 31, 2022.

Effective January 1, 2021, the Plan was amended to become a multiple employer plan, and Plymouth Ford, LLC and DCD Nucar TINH, LLC signed participating employer agreements. Approximately, \$7,055,000 of assets were transferred from the participating employers.

As of December 31, 2022, additional employers include: Autocloud LLC, DCD Dealership Management LLC, Nucar Connection, Inc., Autonorth Pre-Owned Superstore Inc, Plymouth Fund LLC, DCD Nucar Tinh LLC.

Contributions

Each year, participants may contribute a portion of their compensation, on either a pre-tax basis or post-tax basis, up to the maximum limit set by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

At its discretion, the Employers may match a percentage of participant pre-tax contributions to the Plan. The Employers accrued matching contributions totaling \$1,137,258 and \$803,534 at December 31, 2022 and 2021, respectively. The Employers may also make a discretionary profit sharing contribution on behalf of eligible participants. Profit sharing contributions are allocated to participants in a pro rata formula according to each qualifying participant's compensation. There were no profit sharing contributions in 2022 or 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial StatementsDecember 31, 2022 and 2021

Plan Description (continued)Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's employer matching and non-elective profit-sharing portions of their accounts plus actual earnings thereon is based on years of continuous service and is subject to the following vesting percentage provisions:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options

A participant may direct contributions in any of the investment funds offered by the Plan. Participants may change their investment options at any time.

Forfeited Accounts

Accounts forfeited by participants who terminate service prior to becoming fully vested may be used to pay plan expenses or reduce the employer's matching contribution. For the years ended December 31, 2022 and 2021 participants forfeited \$114,754 and \$48,996, respectively. As of December 31, 2022 and 2021, there were \$203,044 and \$112,152 of unallocated forfeitures, respectively. During 2022 and 2021, employers used approximately \$108,000 and \$68,000 of forfeitures to reduce the employer contribution, respectively.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50 percent of their non-forfeitable account balance. Under the Cares Act, eligible participants were able to borrow up to the lesser of \$100,000 or 100% of the vested account balance. The loans are secured by the participant's account and bear interest at 1% over the prime rate. Principal and interest is paid through payroll deductions.

Notes to Financial Statements

December 31, 2022 and 2021

Plan Description (continued)

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Participants may also elect to defer payment of their benefit until a later date if the value of the vested benefit is greater than \$5,000. The Plan also permits hardship withdrawals for participants who meet the criteria outlined in the Plan document, and in-service withdrawals for participants who are over age 59 1/2. Under the CARES Act, during 2020, eligible participants were able to take withdrawals of up to \$100,000 from their vested account balance without the standard 20% federal withholdings or the 10% penalty typically applied to participants under the age of 59 1/2.

Summary of Significant Accounting Principles

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, as described in the Guaranteed Investment Contract with Insurance Company footnote. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment custodians and insurance company. See Fair Value Measurements footnote for discussion of fair value measurements.

Interest income is recorded on an accrual basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair value. Purchases and sales of securities are reflected on a trade-date basis.

Notes to Financial StatementsDecember 31, 2022 and 2021

Summary of Significant Accounting Principles (continued)

Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Earnings on investments are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Administrative Expenses

The Plan's administrative expenses are paid by the participants of the Plan.

Fair Value Measurements

ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to Financial StatementsDecember 31, 2022 and 2021

Fair Value Measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual Funds: Valued at the quoted net asset values of shares held by the Plan at year-end.

Common Collective Trust/Stable Value Fund: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

December 31, 2022 and 2021

Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Investments at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,524,999	\$ -	\$ -	\$ 16,524,999

Total investments	<u>\$ 5,601,216</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 53,873,083</u>

* *Common Collective Trust, which is measured at fair value using the net asset value per share (or its equivalent) practical expedient, has not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits. There were no unfunded commitments or liquidity or redemption restrictions related to the Common/Collective Trust.*

Guaranteed Investment Contract with Insurance Company

The Plan entered into a benefit responsive investment contract with Empower Annuity Insurance Company of America (EAIC). EAIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, was \$4,841,776 and \$3,174,268, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed and reset on a quarterly basis. The average crediting interest rate for December 31, 2022 and 2021, was 0.93% and 0.90%, respectively.

Notes to Financial StatementsDecember 31, 2022 and 2021

Guaranteed Investment Contract with Insurance Company (continued)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA, as amended. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer

Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC and Empower Annuity Insurance Company of America, a qualified institution, has certified the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) as complete and accurate:

- Investments and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021;
- Net investment income dividends and interest as shown in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2022 and 2021;
- Investment information included in the Notes to Financial Statements;
- All investment information included in the Supplemental Schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) – As of December 31, 2022.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information included in the financial statements and ERISA-required supplemental schedule.

Party-in-Interest Transactions

Party-in-Interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The notes receivable from participants as of 2022 and 2021 in the amount of \$1,728,574 and \$1,789,419 are party-in-interest transactions, respectively. The Plan paid \$237,138 and \$234,491 of administrative fees to the Trustee for years ended December 31, 2022 and 2021, respectively. The Company provides certain administrative services at no cost to the Plan. The Company provides certain administrative services at no cost to the Plan. If revenue is received by the Custodian from mutual fund service providers under a revenue sharing arrangement, the Custodian remits to the Plan on a quarterly basis. Such amounts are used to reduce plan administrative expenses. Revenue service credits totaled approximately \$105,059 and \$118,402 for the years ended December 31, 2022 and 2021, respectively.

Tax Status

The Company adopted a prototype non-standard 401(k) plan that received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statement of Net Assets Available for Benefits.

Operational Issue

During 2022 and 2021, the Company did not remit participant contributions in a timely manner. The Company recorded a receivable of \$80 to correct the issue and will follow the IRS's Self Correction instructions.

Subsequent Events

The Plan evaluated subsequent events through September 13, 2023 the date the financial statements were issued.
