## Independent Auditors' Report

To the Plan Administrator  
of Linkware, LLC 401(K) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of the Linkware, LLC 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Linkware, LLC 401(K) Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Linkware, LLC 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

**Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Linkware, LLC 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Linkware, LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Linkware, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *2022 Supplemental Schedules Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Report on Compiled 2021 Financial Statement*

Plan management is responsible for the accompanying financial statement of Linkware, LLC 401(K) Plan, which comprises the statement of net assets available for benefits (modified cash basis) as of December 31, 2021. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statements of Linkware, LLC 401(K) Plan as of and for the year ended December 31, 2021.

## Notes to Financial Statements

**Note 1 – Description of the Plan**

The following brief description of the Linkware, LLC 401(K) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

*General*

The Plan was established by Linkware, LLC (the “Sponsor”) effective January 1, 2015 for the benefit of its employees. The Plan is a defined contribution plan and is subject to the provisions of the Internal Revenue Code (“IRC”) and the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Sponsor is the Plan Administrator. In general, the Plan Administrator manages the operation of the Plan, subject to the terms and provisions of the Plan. John Hancock Life Insurance Company (U.S.A.) is the trustee of the Plan’s assets.

*Eligibility*

The Plan covers all employees of the Plan Sponsor except for union employees whose employment is governed by a collective bargaining agreement. Employees become eligible to participate in the Plan on the date they are hired.

*Contributions*

Participants may contribute their compensation on a pre-tax or after-tax Roth basis, subject to IRC limitations. Participants who are at least age 50 may make additional catch-up contributions subject to IRC limitations. Rollover contributions from other qualified retirement plans are permitted.

The Plan Sponsor provides a non-elective safe harbor contribution equal to three percent of the participant’s eligible wages. The Plan Sponsor may make an additional discretionary matching contribution up to four percent of a participant’s salary deferrals. There were no discretionary matching contributions in 2022.

The Plan Sponsor may make discretionary profit sharing contributions in an amount to be determined annually by the Plan Sponsor. Participants must be employed on the last day of the Plan year to be eligible. There were no discretionary profit sharing contributions in 2022.

*Participant accounts*

Each participant’s account is credited with the participant’s contributions, the Plan Sponsors matching contributions and Plan earnings. Expenses that are paid by the Plan using the Plan’s assets will be allocated either proportionally based on the value of the participant’s account balances or as an equal dollar amount based on the number of Participants in the Plan. The method of allocating the expenses depends on the nature of the expense itself. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

*Vesting*

Participants are immediately vested in their voluntary contributions and the Plan Sponsor safe harbor matching contributions plus actual earnings thereon. Participants become fully vested in profit sharing contributions and discretionary matching contributions after three years of service.

**LINKWARE, LLC 401(K) PLAN**

## Notes to Financial Statements

*Notes receivable from participants*

A participant may borrow from the Plan a minimum amount of \$1,000 and a maximum amount equal to the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the highest outstanding loan balance in the account during the prior twelve-month period. The loans are secured by the balance in the participant's account. A participant may have one loan outstanding at any time. The term of the loan may not exceed five years unless the loan is for the purchase of a principal residence in which case the Plan Administrator may permit a longer repayment term. Uncollectible notes receivable are charged to the participant's account. The loan interest rate, which is fixed for the duration of the loan, is set at one percent above the prime rate, as defined by the Plan document. Principal and interest is paid ratably through payroll deductions. The interest rate ranged from 6.50% to 8.00% for loans outstanding at December 31, 2022.

*Payment of benefits*

Upon termination of employment for any reason, including retirement, a participant's vested account is generally distributed either in a single lump-sum payment or in installments over a period of time. Participants who are still employed may withdraw their vested accounts upon attaining age 59-1/2. If the termination is before the normal or early retirement dates and is for a reason other than death or disability and the vested balance is \$1,000 or less, the entire balance will be distributed. For retired participants, the latest commencement date for distributions is April 1 of the calendar year following the year in which the participant attains age 70-1/2 before January 1, 2020 and age 72 thereafter. A participant may request withdrawal from their account in the case of hardship as defined in the Plan document.

*Forfeited accounts*

Non-vested forfeited participant accounts may be used to pay administrative expenses. In some cases, remaining forfeitures are used to reduce Plan Sponsor contributions to the Plan. Plan assets included unallocated forfeitures of approximately \$1,470 and \$1,250 on December 31, 2022 and 2021, respectively.

**Note 2 – Summary of significant accounting policies***Method of accounting*

The Plan prepares its financial statements and supplemental schedules on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, contributions and expenses are not recognized until received or paid, respectively.

*Use of estimates*

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Accordingly, actual results may differ from these estimates.

*Investment valuation and income recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See discussion under Note 4 - Fair Value of Investments for a description of valuation methodologies used for assets measured at fair value.

**LINKWARE, LLC 401(K) PLAN**

## Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Gain or loss on sales of investments is based on average cost. Interest income is recorded, as earned, on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents the net appreciation or depreciation in the fair value of its investments in the Statement of Changes in Net Assets Available for Benefits which consist of the realized gains or losses and the unrealized appreciation and depreciation on those investments.

*Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

*Payment of benefits*

Benefits are recorded when paid.

*Administrative expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

**Note 3 – Information certified by the Plan’s trustee (unaudited)**

The following information included in the Plan’s financial statements and supplemental schedules was derived from data that has been certified by the trustee as being complete and accurate and has been furnished to the plan administrator.

	<u>2022</u>	<u>2021</u>
Pooled separate accounts	\$ 9,118,888	\$ 8,499,578
Common collective trust	515,726	387,513
Notes receivable from participants	25,167	11,307
Net depreciation in fair value of investments	1,696,689	
Interest income on notes receivable from participants	977	

**Note 4 – Fair value of investments**

The Fair Value Measurements topic of the FASB Accounting Standards Codification (FASB ASC) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**LINKWARE, LLC 401(K) PLAN**

## Notes to Financial Statements

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled separate accounts are investments measured at fair value using the NAV per share (or its equivalent) practical expedient and have not been categorized in the fair value hierarchy.

The common collective trust is valued using the NAV per share (or its equivalent) provided by the administrator of the fund as a practical expedient and has not been categorized in the fair value hierarchy. The NAV is based on the fair value of the underlying investments held by the fund. Participant transactions (issuances and redemptions) may occur daily. Were the Plan to initiate a full redemption of the investment for reasons other than participant withdrawals, a 12-month written notice must be provided and the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. The investment seeks to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long term through its investment in an underlying fund, which invests in a portfolio comprising primarily of benefit responsive contracts issued by insurance companies and other financial institutions and fixed income securities.

**Note 5 – Plan termination**

Although the Sponsor has not expressed any intent to do so, it may terminate the Plan at any time, subject to the provisions of ERISA. If the Plan is terminated, all participants would become 100% vested in their employer contributions.

**Note 6 – Income tax status**

The Plan has not obtained a private letter ruling or determination letter from the Internal Revenue Service stating that the plan, as designed, is in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). However, the Plan operates under a prototype plan sponsored by The Rose Financial Group, LLC. The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examinations by the Federal and State tax authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

**Note 7 – Related party transactions**

Affiliates of the Trustee manage investments and provide recordkeeping services to the Plan. These investments and the administrative fees associated with the recordkeeping services qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.

**LINKWARE, LLC 401(K) PLAN**

## Notes to Financial Statements

**Note 8 – Risks and uncertainties**

The Plan provides for various investment options within the pooled separate accounts, which invest in mutual funds and other investment securities. The Plan also invests in a common collective trust. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

**Note 9 – Subsequent events**

The Plan has evaluated subsequent events and transactions through October 12, 2023, the date the financial statements were available to be issued. There were no subsequent events or transactions requiring recognition or disclosure in the financial statements.
