REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees and Participants and their Beneficiaries
BIN Insurance Holdings 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of BIN Insurance Holdings 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 7, 2022 (liquidation basis) and December 31, 2021 (going concern basis), and the related statement of changes in net assets available for benefits for the period January 1, 2022 through December 7, 2022 (liquidation basis), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 7, 2022 and December 31, 2021, and for the period January 1, 2022 through December 7, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As described in Note A to the financial statements, effective March 15, 2022, the Board of Directors of BIN Insurance Holding, LLC, approved the termination of the Plan, and management determined liquidation to be imminent. Accordingly, the Plan changed its basis of accounting from the going concern basis used in presenting the Plan's 2021 financial statements to the liquidation basis used in presenting the Plan's 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

BIN Insurance Holdings 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

December 7, 2022 and December 31, 2021

NOTE A - PLAN DESCRIPTION

The following description of the Iris Remainco Holdings LLC, formerly known as, Insureon Holdings LLC (the “Company,” “Plan Sponsor” and “Plan administrator”) BIN Insurance Holdings 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering employees of the Plan Sponsor, its wholly owned subsidiaries and other variable interest entities as specified in the Plan agreement. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Plan was most recently amended effective March 22, 2022. The policies below reflect all respective changes from the Plan’s amendments.

Plan Termination

The Plan Sponsor has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provision of the Employee Retirement Income Security Act of 1974, as amended and subject to the terms of the Plan. The Board of Directors of Bin Insurance Holdings LLC announced the Plan’s termination effective March 15, 2022. Prior to the termination, participants were 100% vested in their accounts and as of the effective date of the plan termination participants were required to make one of the following elections with respect to their participant balances: (1) distribution; (2) rollover to an IRA or another plan; or (3) a combination of a distribution and rollover. Liquidation of the Plan became imminent in 2022 as a result of the Plan’s termination. For any participant that failed to return the appropriate distribution forms by September 30, 2022, the Plan directed Charles Schwab Trust Bank, the custodian of the Plan, to distribute their account in the form of an automatic rollover into an IRA established in the participant’s name, provided the participant’s account balance exceeded \$1,000. For participants with balances less than \$1,000, the account balance was distributed by check. As of December 7, 2022, all account balances were distributed from the Plan.

The following paragraphs describe the policies applicable to the Plan prior to its termination.

Plan Administration

The Plan is administered by the Company. Trustee and custodial services are provided by Charles Schwab Trust Bank.

Eligibility

Employees of the Company who have attained the age of 21 and 1 month of service are eligible to make employee contributions to the Plan and receive employer matching contributions.

Contributions

Each year, participants may elect to reduce their compensation by a specific percentage or dollar amount and have that amount contributed to the Plan as a salary deferral. There are two types of salary deferrals: Pre-Tax 401(k) deferrals and Roth 401(k) deferrals. The amount the participants elect will be deducted from their pay in accordance with a procedure established by the Administrator. The procedure will require the participant to enter a salary deferral agreement after they satisfy the Plan’s eligibility requirements. They may elect to defer a portion of their salary as of their entry date or on as of each payroll period. Participants who have attained or are expected to attain age 50 before the end of the Plan year are eligible to make catch-up contributions.

BIN Insurance Holdings 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 7, 2022 and December 31, 2021

The Plan sponsor will make a safe harbor matching contribution equal to 100% of participants salary deferrals that do not exceed 3% of the participants compensation plus 50% of their salary deferral between 3% and 5% of compensation. The safe harbor matching contribution is 100% vested.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's discretionary matching contribution thereon, and an allocation of the Company's additional discretionary contributions and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Administrative Expenses

Substantially all administrative expenses, including audit, trust, and recordkeeping fees, are paid by the Company. Investment transaction fees and participant-directed transaction fees for loans and benefit payments are paid by the Plan.

Vesting

Participants are immediately vested in their voluntary and safe harbor contributions plus actual earnings thereon.

Investment Allocation

Assets of the Plan are held in various funds as determined by the Company. All accounts are participant directed. Participants may change their investment allocation daily.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by outstanding loan balances for the previous year or 50% of their vested account balance. Participants may only have one outstanding loan.

Loan terms are generally for up to five years unless the loan is for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, or termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested account balance in a lump sum amount.

Vested account balances of terminated employees of \$1,000 or less are subject to a mandatory lump-sum cash distribution provision. Additionally, vested account balances of terminated employees of greater than \$1,000 but less than \$5,000 are subject to mandatory direct rollover provisions.

In addition, hardship withdrawals are available to all participants and in-service withdrawals are available for those participants who are at least 59½ years of age.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 7, 2022 and December 31, 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of Accounting

In accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), the Plan has changed its basis of accounting from the going concern basis in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements, as the Plan Sponsor approved and communicated a Plan termination effective March 15, 2022. That was no impact to the financial statements as a result of this change.

Investment Valuation and Income Recognition

The Plan's mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation in Fair Value of Investments

Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 7, 2022 and December 31, 2021. Delinquent notes are reclassified as distributions based upon the terms of the Plan agreement.

Payment of Benefits

Benefits paid to participants are recorded by the Plan when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with U.S. GAAP. Those estimates and assumptions affect the reported amounts of assets, liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

BIN Insurance Holdings 401(k) Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 7, 2022 and December 31, 2021

Subsequent Events

The Plan has evaluated subsequent events for potential recognition and disclosure through October 12, 2023, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events that would require recognition or additional disclosure in the financial statements.

NOTE C - FAIR VALUE MEASUREMENTS

Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value (“NAV”) of shares held by the Plan at year end, based on quoted market prices.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

 Investments, at fair value				\$ 7,392,701

NOTE D - TRUSTEE'S CERTIFICATION

The Plan administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103 5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank, trustee of the Plan, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments, at fair value, cash and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 7, 2022 and December 31, 2021.
- Investment income (loss) and interest income on notes receivable from participants, as shown on the statement of changes in net assets available for benefits for the period January 1, 2022 through December 7, 2022.

NOTE E - INCOME TAX STATUS

The underlying non-standardized prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the form of the Plan is qualified under Section 401 of the Internal Revenue Code ("IRC") and, therefore, the related trust is tax-exempt. The Plan Sponsor has determined that it is eligible, and has chosen, to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain qualification. The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 7, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
