INDEPENDENT AUDITOR'S REPORT

To the Plan Trustees
Structural Integrity Associates 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Structural Integrity Associates 401(k) Plan (formerly the SI Holding Company 401(k) Plan) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of change in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

STRUCTURAL INTEGRITY ASSOCIATES 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1: DESCRIPTION OF PLAN

The following description of the Structural Integrity Associates 401(k) Plan (formerly the SI Holding Company 401(k) Plan) (the “Plan”) provides only summarized general information. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan, established January 1, 2002, is a defined contribution plan established for the benefit of the employees of Structural Integrity Associates, Inc. (SIA). Employees are eligible to enter the Plan on the day they are hired if they are twenty (20) years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Two employees of SIA serve as trustees to the Plan. Hand Benefits & Trust Company is the custodian of the Plan’s assets.

Effective January 1, 2021, the Plan was restated to comply with regulatory and legislative changes. Also on this date, the Plan’s name was changed to SI Holding Company 401(k) Plan (formerly Structural Integrity Associates 401(k) Plan), sponsorship of the Plan was transferred from Structural Integrity Associates, Inc. to SI Holding Company (the “Plan Sponsor”), and Structural Integrity Associates, Inc. adopted the Plan as a participating employer. SI Holding Company owns 100% of the outstanding shares of Structural Integrity Associates, Inc.

On November 2, 2022, SI Holding Company was acquired by another company. There are currently no intentions to terminate the Plan.

Effective December 1, 2022, the Plan was restated to change the name of the Plan to Structural Integrity Associates 401(k) Plan and transfer sponsorship of the Plan to Structural Integrity Associates, Inc. In addition, the following provisions were added to the Plan on this date: 1. Discretionary employer matching contributions; 2. Roth contributions; 3. Normal retirement date revised to the later of a participants 55th birthday or 5th anniversary of a participants employment date; and 4. A 6 year graded vesting schedule for employer matching contributions. These provisions are effective January 1, 2023.

Plan Year

The Plan year begins January 1st and ends December 31st.

Contributions

The Plan provides for the following types of contributions:

- Employee Salary Deferral 401(k) Contributions
The Plan includes an elective salary deferral arrangement pursuant to Section 401(k) of the Internal Revenue Code (the “Code”). Employees may voluntarily contribute up to 100% of their eligible compensation subject to various nondiscrimination tests and limitations prescribed by the Code.
- Employer Qualified Non-Elective Contributions
Each plan year, the Plan Sponsor may contribute to the Plan an amount determined by the Plan Sponsor at its discretion. The Plan Sponsor did not make a qualified non-elective contribution into the Plan for the years ended December 31, 2022 and 2021.
- Employee Rollover Contributions from Another Qualified Plan
Participants may make rollover contributions from another qualified plan.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Vesting

Participants are 100% vested in their salary deferral contributions, rollover contributions, and employer qualified non-elective contributions, as well as related gains/losses credited to their account.

Participant Accounts and Allocations

The Plan provides various investment fund options and allows participants to direct their investments. Investment earnings and losses are allocated to participants' accounts based on the earnings and losses of the investments selected. The benefit to which a participant is entitled is limited to the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts. The minimum loan amount is \$1,000 up to the maximum of \$50,000 or 50% of the participants vested account balance, whichever is less. Borrowings bear interest and are paid through payroll deductions. Loans are secured by the participant's vested account balances.

Payment of Benefits

Payment of benefits may be made at the following times under the Plan: 1) normal retirement, 2) termination of employment of the participant, 3) disability of the participant, 4) termination of the Plan, 5) death of the participant, 6) demonstration of financial hardship, or 7) attaining the age of 59 ½. Benefit payments are made in a single lump sum.

Retirement

Normal retirement under the Plan is the later of the participants 65th birthday or the 5th anniversary in which Plan participation commenced.

Administrative Expenses

Administrative expenses are paid by the Plan or Plan Sponsor at the discretion of the Plan trustees. Expenses related to specific participant transactions are charged to the respective participant's account.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are stated at fair market value using quoted market prices when available. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Increases in the unit values of investments are reflected in each participant's self-directed account. Investments are valued daily.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits to participants are recorded when paid.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Excess Contributions Refundable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to employee contributions. Excess contributions amounting to \$0 and \$167,829 are recorded as a liability in the accompanying statements of net assets available for benefits at December 31, 2022 and 2021, respectively, and as reductions to contributions in the statements of change in net assets available for benefits for the years then ended.

Income Taxes

The Plan has adopted a Volume Submitter plan which obtained a favorable opinion letter on January 15, 2021, in which the Internal Revenue Service stated that the Plan is acceptable under Section 401 of the Code. Plan management believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has determined that as of December 31, 2022 there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine examinations by taxing authorities; however there are currently no examinations for any tax periods in progress.

Estimates and Assumptions

The preparation of these financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation. There have been no changes to previously reported net assets available for benefits.

NOTE 3: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 4: INFORMATION CERTIFIED BY THE CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Plan custodian, Hand Benefits & Trust Company, as of and for the years ending December 31, 2022 and 2021:

	2022	2021
Self directed brokerage accounts	\$ 23,379,938	\$ 27,732,072
Mutual funds	\$ 1,886,596	\$ 1,995,730
Common collective trusts	\$ 453,211	\$ 429,770
Notes receivable from participants	\$ 160,191	\$ 123,013
Net (depreciation) appreciation in fair value of investments	\$ (438,852)	\$ 242,858
Net (loss) income from self directed brokerage accounts	\$ (4,708,579)	\$ 3,235,573
Interest, dividends and other (loss) income	\$ 60,442	\$ 68,606
Interest income, notes receivable from participants	\$ 6,482	\$ 5,393

NOTE 5: RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6: PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

Certain investments are units of common collective trusts issued by Hand Benefits & Trust Company. Hand Benefits & Trust Company is the custodian of the Plan, as defined by the Plan. Fees paid by the Plan for investment management services are recorded in net appreciation in fair value of investments. Fees for certain administrative expenses are paid to service providers which are considered parties in interest. Plan assets also include notes receivable from participants. These investments and transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 7: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820 provides a framework for measuring fair value. That framework provides a three-tier hierarchy that prioritizes the inputs to valuation techniques used for measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

- Level 1 - Inputs are unadjusted quoted prices for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, model-based valuation techniques for which all significant assumptions are observable in the market, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 - Inputs that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee of the fund, is based on the fair value of the underlying mutual fund investment held by the collective trust. Collective trust investments include a stable value fund that is composed primarily of fully benefit-responsive investment contracts. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

NOTE 7: FAIR VALUE MEASUREMENTS (CONTINUED)

Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self directed brokerage accounts: Valued at the daily closing price as reported by the underlying investments. Self directed brokerage accounts consist primarily of cash, common stocks, exchange traded funds, corporate bonds, and mutual funds.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments:

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

NOTE 8: FORM 5500 RECONCILIATION

The Plan financial statements include differences from the Form 5500 as of December 31, 2022 and 2021 as follows:

	2022	2021
Employee contributions per Form 5500	\$ 2,153,102	\$ 1,895,628
Excess contributions refundable	-	(167,829)
Employee contributions as reported	<u>\$ 2,153,102</u>	<u>\$ 1,727,799</u>

NOTE 9: **SUBSEQUENT EVENTS**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 9, 2023, the date the financial statements were available to be issued, and management has determined that no subsequent events have occurred that should be disclosed other than the matter below:

The following provisions in the Plan became effective on January 1, 2023:

- Employer discretionary matching contributions;
- Roth contributions;
- Normal retirement date of the the later of a participants 55th birthday or 5th anniversary of a participants employment date; and
- 6 year graded vesting schedule for employer matching contributions.
