INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
403(b) Thrift Plan of Southeastern Community Action Partnership, Inc.
Lumberton, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Southeastern Community Action Partnership, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Southeastern Community Action Partnership, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Southeastern Community Action Partnership, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Southeastern Community Action Partnership, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of Southeastern Community Action Partnership, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of Southeastern Community Action Partnership, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – PLAN DESCRIPTION

The following brief description of the 403(b) Thrift Plan of Southeastern Community Action Partnership, Inc. (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

Southeastern Community Action Partnership, Inc. (the "Organization") established the Plan to provide employees with a systematic means of saving and investing for the future. All employees of the Organization (except for employees who normally work less than twenty hours per week) are eligible for the Plan. Participants are automatically enrolled in the Plan with a 1% contribution rate unless the participant informs the Plan otherwise.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Organization matches 100% of employee deferrals up to 4% of compensation. Matching contributions for 2022 and 2021 were \$189,301 and \$191,669, respectively. In addition, the Organization made a discretionary contribution of 4% of annual compensation during 2022 and 2021. Discretionary contributions for 2022 and 2021 were \$283,952 and \$288,188, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and Organization contributions, if any, as well as allocated Plan earnings (and losses) and fees, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and the Organization's matching and discretionary contributions plus actual earnings thereon.

Benefit Payments

Upon retirement, disability, or death, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum, or at the participant's election, in annual installments. Upon termination, other than by retirement, disability, or death, a participant becomes eligible to receive the current value of the participant's vested account in lump sum. Hardship distributions are allowed in accordance with the Plan document.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loan transactions are treated as a transfer between the investment fund and the loan fund. Terms range from one year to five years or up to 20 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.0% - 7.0%. The interest rate is felt to be commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are paid ratably on a monthly or quarterly basis.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Administrative expenses are paid by either the Plan or the Organization, as provided in the Plan agreement. Investment related expenses are included in net appreciation in fair value of investments.

Investment Valuation and Income Recognition

The Plan's investments in variable annuities are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts. The contract value is the relevant measurement since it represents the amount that the participant would receive if they were to initiate permitted transactions under the terms of the Plan. Accordingly, the investment contract with an insurance company is valued at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded as of the ex-dividend date.

Contributions

Contributions from employees and the Organization are recorded in the period in which the Organization makes the payroll deductions from participant earnings.

Benefit Payments

Benefit payments are recorded when paid.

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Subsequent Events

The plan has evaluated subsequent events through October 6, 2023 (the issuance date of the financial statements) and has determined that there were no subsequent events to recognize or disclose in these financial statements.

NOTE 3 – INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with The Lincoln National Life Insurance Company ("LNLIC"). LNLIC maintains the contributions in a general account. The Plan has also entered into a traditional fully benefit-responsive guaranteed investment contract with Mutual of America Life Insurance Company (MALIC). MALIC maintains the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts meet the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. The guaranteed investment contracts are presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by LNLIC and MALIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The complete or partial termination of the Plan may limit the ability of the Plan to transact at contract value. The plan administrator does not believe that this event is probable of occurring. The investment contracts do not permit the insurance companies to terminate the agreement prior to the scheduled maturity date. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts at December 31, 2022 and 2021, was \$3,864,011 and \$4,283,370, respectively.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. All of the Plan's investments are in variable annuities and investment contracts with insurance companies. In accordance with *Financial Accounting Standards Board Accounting Standards Codification 820-10*, Variable annuities are measured at fair value using the net asset value per share practical expedient. As such, they are not required to be classified in the fair value hierarchy. In addition, because the investment contracts are fully benefit-responsive, contract value is the relevant measurement for the investment contracts. Accordingly, the investment contracts have not been classified in the fair value hierarchy.

The Plan had \$1,364,399 and \$1,129,406 of investments in participation units held in variable annuities through subaccounts of insurance companies at December 31, 2022 and 2021, respectively. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The underlying securities in the variable annuities are listed on national securities exchanges and valued on the basis of year-end closing prices. The Plan has concluded that the net asset value as reported by the insurance company approximates fair value of the investments. The investments are redeemable at the adjusted net asset value under agreements with the insurance company. Participant transactions (purchases and sales) may occur daily. Redemption is permitted daily with no other restrictions or notice periods and there are no unfunded commitments.

NOTE 5 – NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are valued at the amortized cost which is felt to approximate fair value. Interest income is recorded when received. The Plan currently does not have an allowance for doubtful accounts as all amounts are considered collectible.

NOTE 6 – INFORMATION PREPARED AND CERTIFIED BY MUTUAL OF AMERICA LIFE INSURANCE COMPANY AND THE LINCOLN NATIONAL LIFE INSURANCE COMPANY

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Mutual of America Life Insurance Company and The Lincoln National Life Insurance Company:

NOTE 7 - PLAN TERMINATION

While it has not expressed any intention to do so, the Organization has the right under the Plan to discontinue its participation at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, participants will become 100% vested in their accounts, and the assets of the Plan shall be administered and distributed to the participants and beneficiaries at such time and in such nondiscriminatory manner as prescribed by ERISA and its related regulations.

NOTE 8 - TAX STATUS

The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service. The Plan is required to operate in conformity with the Code to maintain its tax exemption. The Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date. The Plan has determined that it does not have any material unrecognized tax benefits or obligations as of December 31, 2022. The Plan is generally subject to routine audits by the Internal Revenue Service and/or Department of Labor for three years, including 2019, 2020 and 2021. There are currently no audits for any periods in progress.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Certain investments held by the Plan are managed by The Lincoln National Life Insurance Company and Mutual of America Life Insurance Company, the trustees. Accordingly, the transactions in such investments qualify as party-in-interest transactions as defined by ERISA. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
