INDEPENDENT AUDITORS' REPORT

**To the Administrative Committee and Plan Participants of
the Whitco Supply, LLC 401(k) Profit Sharing Plan and Trust
Broussard, LA**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Whitco Supply, LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Whitco Supply, LLC 401(K) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 250.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Whitco Supply, LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for the ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Whitco Supply, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Whitco Supply, LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Whitco Supply, LLC 401(k) Profit Sharing Plan and Trust to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditors' Responsibility for the Audit of the Financial Statements, continued

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4i-schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Schedules Required by ERISA, continued

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE A – PLAN DESCRIPTION

The following description of the Whitco Supply, LLC (the “Company” or “Employer”) 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company who have completed the earlier of 1,000 hours of service or six consecutive months of service with no age requirement. However, eligible employees who are not employed on the last day of the Plan year, have less than 1,000 hours of service during such Plan year and are not 21 years of age are generally not eligible for an allocation of the Employer’s profit sharing contribution. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The trustees, with assistance of the administrative committee, oversee governance of the Plan, determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

Participant Contributions

All eligible employees are entitled to designate all or any portion of elective deferrals as Roth 401(k) deferrals. All eligible employees are entitled to make elective deferrals up to ninety percent (90%) of his or her compensation not to exceed the maximum annual contribution limit. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified retirement plans. Additional voluntary contributions are not allowed. A special election may be made for deferrals on bonuses. Contributions are subject to certain IRS limitations. Participants direct the investment of contributions into various investment options offered by the Plan (Note D).

Employer Contributions

The Employer elected to operate as a safe harbor plan. Under the safe harbor plan, the Employer will make safe harbor matching contributions in an amount equal to 100% of the first 3% of elective deferral percentage, and 50% of the next 2% of the elective deferral percentage. The Employer is not obligated to make other matching or profit sharing contributions. However, the Employer can elect to make a qualified matching contribution, a qualified non-elective contribution, or a profit sharing contribution in an amount determined annually by the Employer. Employer profit sharing contributions and safe harbor matching contributions, net of forfeitures, totaled \$987,301 for the year ended December 31, 2022.

NOTE A – PLAN DESCRIPTION, continued

Participant Accounts

Each participant's account is credited with the participant's voluntary contribution and an allocation of (a) the Employer's qualified non-elective, qualified matching, safe harbor, or profit sharing contribution, if any, and (b) Plan earnings and charged with certain administrative expenses, where applicable. Allocations are based on participant's voluntary contributions, participant earnings or account balances, or specific participant transactions, as defined. With respect to these participant-directed assets, the earnings, losses, and transactional expenses of such assets are allocated to the account of the participant having the authority to direct the investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions, qualified matching contributions, qualified non-elective contributions, and safe harbor contributions, plus actual earnings thereon. Vesting in the profit sharing contributions plus accrued earnings is based on years of continuous service. A participant becomes vested in the following manner:

<u>Years of Service</u>	<u>Vesting Schedule</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of service, a participant may elect to receive a lump-sum distribution or an eligible rollover distribution, equal to the value of the participant's vested interest in his or her account. If the participant's vested balance does not exceed \$5,000 and the participant has terminated employment, the administrator has the discretion to rollover the vested amount into an individual retirement account without the participant's consent. If the participant's vested account balance is greater than \$5,000, the participant must consent to the benefits. There were no assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan but had not yet received such distribution as of December 31, 2022 and 2021.

Distributions

In service distributions are not permitted prior to normal retirement age. However, early withdrawal is permitted through hardship distributions subject to certain limitations.

NOTE A – PLAN DESCRIPTION, continued

Notes Receivable from Participants

Under the terms of the Plan, participants may borrow from their accounts a minimum of \$1,000 up to \$50,000 or 50% of their vested balance, whichever is less. The loans are secured by the balance in the participant's account. The interest rate for a loan is established at the inception of the loan and is set at the prime lending rate as posted in the Wall Street Journal (or similar financial institution) when the loan is made. Principal and interest are paid ratably through payroll deductions. A participant may have a maximum of two loans outstanding at a time.

Forfeited Accounts

At December 31, 2022 and 2021 forfeited non-vested accounts totaled \$28,843 and \$31,174 respectively. These accounts, if available, may be used to pay administrative expenses of the Plan, provide restoration of the participants' accounts, or to reduce Employer contributions. In 2022, \$31,174 of forfeitures were utilized to reduce Employer contributions.

SECURE Act

SECURE 2.0 Act of 2022 was signed into law in December 2022. The provisions of SECURE 2.0 continue the themes and reforms that began with the 2019 SECURE act. These changes have various effective dates starting in 2023 and forward, therefore, there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America, except for the recording of benefits paid. Investments held by defined contribution plans are required to be reported at fair value except for fully benefit responsive investments, which are reported at contract value.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

WHITCO SUPPLY, LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments in pooled separate accounts and the guaranteed interest account (Note D) are reported at fair value. Fully benefit-responsive investment contracts, if any, are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment manager and custodian. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document. Therefore, no allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. At December 31, 2022 and 2021, there was no liability for excess contributions recorded in the financial statements.

Administrative Expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements, as further described in Note G. Participants who elect to enter into certain transactions not covered by the Company are charged directly to the participant's account and are included in administrative expenses. Other administrative expenses paid for by the Plan are allocated to participant accounts as defined by the Plan. Certain investment management and advisory fees are included in net depreciation in fair value of investments.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Subsequent Events

The Plan has evaluated for subsequent events through October 4, 2023, which is the date the financial statements were available to issue.

NOTE C - INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule H, line 4i – schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest income for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company, the custodian of the plan.

NOTE D - INVESTMENT OPTIONS

The trustees of the Plan entered into a contract with John Hancock Life Insurance Company (“John Hancock”). All funds sent to John Hancock are to be invested at the direction of each participant with respect to their account balances into variable investment funding options through a number of pooled separate accounts or a guaranteed interest account provided by John Hancock under a group annuity contract. Participants may change their investment options at any time.

The guaranteed interest account is a non-benefit responsive investment contract backed by the general account of John Hancock. The contributions and transfers allocated to this account will be credited with earnings on the underlying investments and charged for participant withdrawals and certain operating expenses. The account is included in the financial statements at fair value based on principal plus compound interest over a 10 year term, less applicable contract or participant-level recordkeeping charges, provided all contributions remain in the accounts until the end of the guarantee period. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at the participant’s account value. At the end of each reporting year, a composite rate of interest is determined for each participant’s account depending on amount contributed and the rate in effect on the date allocated to the participant’s account. Contributions continue to earn the calculated composite rate for the duration of the guarantee term and are not reset during the guaranteed period.

NOTE E - FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, *Fair Value Measurements*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in the active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Guaranteed interest account (GIA) – The GIA cannot be sold to a third party; valued at principal plus accrued interest, less applicable charges, which approximates fair value. Certain unobservable inputs are assessed through review of contract terms, for example, duration, payout date or composite guaranteed rates.

NOTES TO FINANCIAL STATEMENTS

NOTE E - FAIR VALUE MEASUREMENTS, continued

Pooled separate accounts – Investments in pooled separate accounts represent a unit of account whose per unit value is the result of the accumulated values of the underlying investments. The underlying investments are mutual funds that are registered with the U.S. Securities and Exchange Commission valued using NAV per share, as determined by the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value.

The table below sets forth by level, within the fair value hierarchy, the Plan's investments at fair values as of December 31, 2022 and 2021:

December 31, 2022

<u>Asset Category</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Guaranteed interest account	\$ -	\$ -	\$ 72,324	\$ 72,324
Pooled separate accounts ^(a)	-	-	-	14,823,924
Totals	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 72,324</u>	<u>\$ 14,896,248</u>

December 31, 2021

<u>Asset Category</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Guaranteed interest account	\$ -	\$ -	\$ 66,331	\$ 66,331
Pooled separate accounts ^(a)	-	-	-	17,120,955
Totals	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 66,331</u>	<u>\$ 17,187,286</u>

(a) In accordance with ASC 820-10, certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

WHITCO SUPPLY, LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE E - FAIR VALUE MEASUREMENTS, continued

The pooled separate accounts provide participant daily redemptions by the plan with no advance notice requirements and have redemption prices that are determined by the funds net asset value as of the redemption date. There were no redemption notices or unfunded commitments at December 31, 2022. The practical expedient is used for valuation, unless it is probable that the Plan will sell a portion of the investment at an amount different from net asset value.

The table below sets forth a summary of changes in the fair value of the Plan's level 3 investment for the year ended December 31, 2022:

	Guaranteed Interest Account
Balance, January 1, 2022	\$ 66,331
Interest	650
Purchases	9,275
Contract earnings	(3,932)
Balance, December 31, 2022	<u>\$ 72,324</u>

NOTE F - TAX STATUS

The Plan has not received a separate determination letter from the Internal Revenue Service stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code. However, the Company adopted a non-standardized pre-approved profit sharing plan which received a favorable opinion letter from the Internal Revenue Service which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The plan administrator believes that the Plan (and the trust established under the Plan) is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt as of December 31, 2022.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has concluded that there are no uncertain tax positions at December 31, 2022. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

WHITCO SUPPLY, LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan does not consider Employer contributions to the Plan to be a party-in-interest transaction. The Employer provides certain accounting and administrative services to the Plan for which no fees are charged. Also, the Company absorbs certain administrative expenses of the Plan.

Parties-in-interest are defined under the Department of Labor's (DOL) Rules and Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. The Plan has a number of service providers, including custodian, third party administrator ("TPA"), investment advisors, and auditors. All of these party-in-interest transactions are intended to qualify as exempt from the prohibited transaction rules of ERISA.

Certain administrative services paid by the Plan are pursuant to service agreements between the Employer and the individual party in interest.

John Hancock receives revenue from mutual fund service providers for services John Hancock provides to the funds. The revenue is used to offset certain amounts owed to John Hancock for its administrative services to the Plan. The Employer may make payments to John Hancock for administrative expenses not covered by revenue sharing.

Fees paid directly by the plan to parties-in-interest amounted to \$72,851 for the year ended December 31, 2022 and are included in administrative expenses.

Corrective contributions in the amount of \$690 are included in other employer contributions for the year ended December 31, 2022.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, currency, market, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cyber-security attacks, etc. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. There has been significant volatility in the investment markets both nationally and globally during the year ended December 31, 2022, resulting in a substantial market decline in the value of the Plan's investment portfolio.

WHITCO SUPPLY, LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer profit sharing contributions. All unallocated assets of the Plan shall be allocated to participant accounts and distributed in accordance with provisions of the Plan.
