## INDEPENDENT AUDITOR'S REPORT

To the Audit Committee and Management of the  
Catholic Charities of Santa Clara County 401(k) Plan  
San Jose, California

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Catholic Charities of Santa Clara County 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Catholic Charities of Santa Clara County 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Management Trust Company, the Plan trustee and custodian, which is a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Catholic Charities of Santa Clara County 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities of Santa Clara County 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Catholic Charities of Santa Clara County 401(k) Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Catholic Charities of Santa Clara County 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to Financial Statements**

December 31, 2022 and 2021

### **Note 1 - Description of plan**

#### **General**

Effective January 1, 1998, Catholic Charities of Santa Clara County (the "Organization", "Plan Administrator", "Employer" and "Plan Sponsor") adopted a defined contribution 401(k) plan (the "Plan"), covering all eligible employees of the Organization.

The Plan was amended and restated in December 2020, with an effective date of January 1, 2021, to simplify the eligibility and auto-enrollment provisions of the Plan.

The Plan was amended and restated on January 18, 2022, as part of the Cycle 3 restatement required by the Internal Revenue Service (IRS).

The provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act related to loans and distributions were formally included in the Plan document in April 2023.

The following description of the Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **Administration**

The Organization has appointed an Administrative Committee (the "Committee") to manage the operations and administration of the Plan. The Organization has contracted with Fidelity Management Trust Company ("Fidelity") as the trustee, custodian, and the third-party administrator to process and maintain the records of participant data.

The Plan has also contracted with CBIZ Retirement Plan Services to monitor compliance with governmental regulatory requirements. CBIZ Financial Solutions, Inc., an affiliate of CBIZ Retirement Plan Services, is the Plan's investment advisor.

#### **Contributions**

Each year, participants may elect to defer up to 75% of their annual gross compensation as defined in the Plan Document. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investments in mutual funds and a money market fund to its participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically entered into the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. The Organization is allowed to make discretionary matching and profit sharing contributions as defined in the Plan Document. Employer profit sharing contributions for the years ended December 31, 2022 and 2021 were \$862,666 and \$884,999, respectively. No employer discretionary matching contributions were made during 2022 or 2021. Contributions are subject to certain IRS limitations.

## **Notes to Financial Statements**

December 31, 2022 and 2021

### **Note 1 - Description of plan (continued)**

#### **Participant accounts**

Each participant's account is credited with the participant's contribution, Plan Sponsor discretionary matching and profit sharing contributions, as well as allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's discretionary matching and profit sharing contributions is based on years of continuous service. A participant is 100% vested upon the completion of two years of credited service.

#### **Notes receivable from participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. For loans qualifying under the Disaster Tax Relief and Airport and Airway Extension Act, the Tax Cut and Jobs Act, the Bipartisan Budget Act of 2018, and the CARES Act, and if so provided in the Plan's loan procedures, the dollar limit is \$100,000 or 100% of the participant's account balance. The loans are secured by the balance in the participant's account and bear interest at 5%, which is commensurate with local prevailing rates as determined by the Plan Sponsor. Loan terms range up to five years or may exceed five years for the purchase of a primary residence. A participant may only have one loan outstanding at any given time. Principal and interest are paid ratably through bi-weekly payroll deductions.

#### **Payment of benefits**

Upon reaching the age of 59½ and at the discretion of the participant or upon termination of service due to death, disability, or retirement, a participant or the designated beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Upon termination, if the participant's or beneficiary's vested account balance is \$5,000 or less, the Plan allows the trustee to distribute the vested account balance to an Individual Retirement Account ("IRA") for the participant's benefit. If the vested balance is \$1,000 or less, it will be distributed as a lump-sum amount without the participant's consent.

#### **Forfeited accounts**

Forfeitures of non-vested employer contributions may first be used to pay Plan administrative expenses and any remaining amounts may be used to reduce future employer contributions payable under the Plan. Forfeitures used to pay Plan administrative expense for 2022 was \$11,500. No forfeiture was used to pay Plan administrative expenses in 2021. No forfeiture was used to reduce employer contributions in 2022. Forfeitures used to reduce employer contributions for 2021 were \$5,602. Forfeited non-vested balances were not significant as of December 31, 2022 and 2021.

## **Notes to Financial Statements**

December 31, 2022 and 2021

### **Note 2 - Summary of accounting policies**

#### **Basis of accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Use of estimates**

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates. Significant estimates used in preparing these financial statements include the fair value of investments in mutual funds, the money market funds, and allowance for losses on notes receivable from participants.

#### **Investment valuation and income recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

#### **Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for losses has been recorded as of December 31, 2022 and 2021.

#### **Payment of benefits**

Benefits are recorded when paid.

#### **Expenses**

Pursuant to a revenue sharing agreement with Fidelity, the Plan receives revenue from mutual fund service providers for services Fidelity provides to these funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan, investment advisor fee and other professional fees. Fees related to the administration of notes receivable from participants and benefit payments to participants, as well as annual record-keeping fees from the third-party administrator are charged directly to the participant's account and are included in administrative expenses. Fees paid to the Plan's investment advisor are also included in administrative expenses. Investment related expenses are included in net appreciation and depreciation of fair value of investments.

## Notes to Financial Statements

December 31, 2022 and 2021

### Note 2 - Summary of accounting policies (continued)

#### Subsequent events

In preparing its financial statements, the Plan has evaluated subsequent events through October 12, 2023, which is the date the financial statements were available to be issued.

### Note 3 - Certified investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule (Schedule of Assets Held at End of Year), including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation and depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management, and agreed to or derived from information certified as complete and accurate by Fidelity, the trustee and custodian of the Plan.

The Plan's investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$6,101,880 during 2022 and appreciated in value by \$2,673,504 during 2021.

### Note 4 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. The Plan's investments in mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The Plan's investment in the Fidelity Government Money Market Fund is valued at quoted prices in active exchanges.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

## Notes to Financial Statements

December 31, 2022 and 2021

### Note 4 - Fair value measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

No assets were noted at Levels 2 and 3 for the years ended December 31, 2022 and 2021. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

|                           | Assets at Fair Value as of December 31, 2022 |             |             |                      |

### Note 5 - Rollover contributions

During 2022, rollover contributions of \$130,603 from another plan came from four participants. During 2021, rollover contributions of \$39,176 from another plan came from one participant.

### Note 6 - Related-party transactions and party-in-interest transactions

Certain plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee and custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Refer to **Note 2 - Expenses** for expenses of the Plan paid and the Plan participants to the various parties-in-interest. Amounts paid under a revenue sharing arrangement are discussed at **Note 2 - Expenses**. All these transactions are considered party-in-interest transactions under ERISA regulations, but are permitted under the provisions of the Plan and are specifically exempt from the prohibition of parties-in-interest transactions under ERISA.

### Note 7 - Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

# CATHOLIC CHARITIES OF SANTA CLARA COUNTY 401(k) PLAN

## Notes to Financial Statements

December 31, 2022 and 2021

### Note 8 - Tax status

The Internal Revenue Service has determined and informed Fidelity by letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Organization is currently in the process of determining the full extent of the error related to inconsistencies in applying the definition of eligibility and plan compensation for the calculation of the profit sharing contribution identified during 2022 (see Note 11). These errors will be corrected through qualified non-elective contributions. The Committee does not expect these inconsistencies to affect the Plan's tax-exempt status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position not likely to be sustained upon examination by taxing authorities and government agencies. The Plan is subject to routine audits by taxing jurisdictions; however there are currently no audits in progress for any tax periods.

### Note 9 - Risk and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### Note 10 - Reconciliation of the financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022 and 2021:

### Note 11 - Plan compliance matters

During the years ended December 31, 2022, 2021, and 2020, it was discovered that the definition of eligible employees per the Plan Document was not properly applied during the daily operations of the Plan, which caused some eligible employees to be excluded from participating in the Plan. In addition, one participant was not auto-enrolled into the plan in a timely manner. Furthermore, the profit sharing contribution was not properly calculated due to inconsistencies in applying the definition of eligibility and plan compensation and errors in the discretionary contribution limit. The corresponding non-elective contributions related to the errors identified in 2021 and 2020 were funded subsequently in February 2023. Plan management is currently working with Fidelity to determine the full extent of the error identified in 2022. The effect of this error will be recognized in the period the corresponding non-elective contribution is funded by the Organization.

### **Note 12 - Prohibited transactions**

During 2022 and 2021, the Organization failed to remit participant contributions to the Plan in a timely manner. The Organization identified several instances of employee deferrals, including loan repayments, totaling \$139,159, which was remitted late to the Plan in violation of Department of Labor (DOL) regulations. The Organization will reimburse the Plan participants for lost investment earnings.
