Independent Auditor's Report

To the Plan Administrator
CSafe Global 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the CSafe Global 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the CSafe Global 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CSafe Global 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CSafe Global 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CSafe Global 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CSafe Global 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Contributions and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

YOUR SUCCESS IS OUR PASSION

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following brief description of the CSafe Global 401(k) Plan (the Plan) is provided for general information purposes. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution 401(k) plan covering substantially all employees of Doubleday Acquisitions, LLC dba CSafe Global (the Company) who are not subject to a collective bargaining agreement, unless that agreement specifically allows for participation. Generally, all eligible employees are able to participate in the Plan and to receive an allocation of Company contributions at the date of hire. Fidelity Management Trust Company serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is qualified under the Internal Revenue Code (the Code).

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. Plans were permitted to adopt these provisions immediately provided the Plan document was retroactively amended on or before December 31, 2025. The Plan document was amended on September 9, 2022, to adopt the following provisions:

On or after April 22, 2020, and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$100,000. Active employees who receive a coronavirus-related distribution from the Plan (or from any other eligible retirement plan) may repay all or any portion of the distribution to the plan within the three-year period beginning on the date after the distribution.

Qualified individuals with outstanding loans on or after April 24, 2020, were permitted to request that their loan payments through December 31, 2020, be deferred through December 31, 2020. Where payments were deferred, the loan was re-amortized in January 2021 to reflect interest accrued during the delay, and payments recommenced for the remainder of the loan period, plus one year.

The normal loan limits were increased from \$50,000 to \$100,000, and from 50% to 100% of the vested account balance, for qualified individuals taking loans on or after April 24, 2020, and before September 23, 2020.

NOTE A –DESCRIPTION OF PLAN (CONTINUED)

Contributions

Each year, participants may contribute up to the lesser of 75% of their eligible compensation, as defined by the plan document, or the maximum dollar amount allowed by the Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or benefit plans.

The Plan has automatic enrollment for all employees who meet the eligibility requirements. An automatic deferral election of 2% pre-tax will be withheld if an election is not made by the date the participant becomes eligible.

The Company makes safe harbor matching contributions equal to 100% of the first 6% of participant eligible contributions.

The Company may also make a discretionary profit sharing contribution that is allocated to all eligible participants at an amount determined by the Board of Directors for each plan year. There were no profit sharing contributions in 2022.

Effective October 24, 2022, the adoption agreement was amended to allow participants to elect to defer Roth after tax contributions.

At December 31, 2022, and 2021, included within employee loan repayments receivable was \$48 to record corrective loan repayments to the Plan. The corrective actions related to certain amounts withheld from participants but not remitted to the Plan.

At December 31, 2022, included within employer contributions receivable was \$1,291 to record corrective employer contributions to the Plan. The corrective actions related to certain participant contributions to the Plan which were not matched in accordance with the Plan adoption agreement.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor contributions, plus actual earnings thereon. Employer matching contributions and discretionary profit sharing contributions to the Plan, plus any earnings they generate, vest after the second year of service at 20% each year and are fully vested after six years of service.

NOTE A –DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, if any, and plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in participant accounts are participant-directed; however, the trustee has complete control over the investment offerings made available to plan participants.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. The Plan limits the number of loans outstanding at any given time to two. If a participant had a loan balance in the most recent prior period, the maximum loan amount is \$50,000 or 50% of their vested balance less the highest loan balance in the prior period. Loan terms range from 1-5 years, unless the loan is for the purchase of the participants primary residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 5.25% to 8.25%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions.

Distributions

Participants become eligible for benefit distributions upon retirement, disability, death, termination of employment, or termination of the Plan. A participant who has attained age 59½ and has not separated from service may also request to receive a distribution of the funds which the participant has contributed to his or her account. All benefit distributions are made in lump sum cash payments or rollovers to other plans. Benefit payments are recorded when approved. Hardship withdrawals may be authorized for the following reasons: (a) purchase of primary residence, (b) tuition expense for post-secondary education, (c) medical expenses, (d) prevention of foreclosure on a primary residence, (e) funeral or burial expenses for parents, spouse, children, or dependents, and (f) repair or damage expenses to primary home that would be tax deductible.

At December 31, 2022, and 2021, included within excess contributions due to participants was \$9,334 and \$10,243, respectively, to record corrective distributions from the Plan. The corrective actions primarily related to inadvertent withholdings from expense allowances provided to participants during 2021 and 2020.

At December 31, 2022, and 2021, included within excess loan repayments due to participants was \$96 to record corrective distributions from the Plan. The corrective actions primarily related to loan repayment withholdings not timely applied to participant loan balances.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeitures resulting from the non-vested portion of participants' accounts who terminate prior to being fully vested are generally used first to pay any administrative expenses of the Plan. Any remaining forfeitures will be used to reduce employer contributions. At December 31, 2022 and 2021, forfeitures were \$49,762 and \$29,247, respectively. For the year ended December 31, 2022, \$39,265 were used to reduce employer contributions and administrative expenses.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in the employer portion of contributions.

Plan Merger

Effective January 1, 2023, the Softbox Systems Inc. 401(k) Plan (Softbox Plan) was merged into the Plan. Net assets, including notes receivable from participants, totaling \$999,774 were transferred from the Softbox Plan to the Plan on January 30, 2023.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan are allocated to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments. Administrative expenses paid by the Plan were \$52,221 for the year ended December 31, 2022.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation in fair value of investments are calculated by comparing fair value to cost.

See accompanying independent auditor's report.

CSAFE GLOBAL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments are recorded when approved. There were no approved, but unpaid distribution requests as of December 31, 2022 or 2021.

NOTE C – INVESTMENTS (INFORMATION CERTIFIED BY THE PLAN TRUSTEE)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. All investment information disclosed in the accompanying financial statements and supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), including investments held at December 31, 2022 and 2021, net depreciation in fair value of investments, and interest and dividends for the year ended December 31, 2022, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurements* (ASC Topic 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

<i>Level 1</i>	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
----------------	---

CSAFE GLOBAL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE D –FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds/money market funds: Mutual funds and money market funds are stated at fair value as defined by observable quoted prices in active markets (Level 1).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 247,362	\$ -	\$ -	\$ 247,362
Mutual funds	8,064,201	-	-	8,064,201

CSAFE GLOBAL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE F – TAX STATUS

The plan sponsor amended and restated the Plan effective January 25, 2021, by adopting the Fidelity Management & Research Company Volume Submitter Defined Contribution Plan (Profit Sharing/401k Plan). The underlying volume submitter plan has received an advisory letter from the Internal Revenue Service (IRS) dated November 5, 2018 stating that the form of the plan is qualified under Section 401 of the Code and therefore, the related trust is tax-exempt. In accordance with Revenue Procedures 2017-41 and 2017-49, the plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter advisory letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) of the Plan if the Plan has taken an uncertain tax position that are more likely than not would not be sustained upon examination by the IRS. The Plan has taken no uncertain tax positions that require adjustment to the financial statements.

The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in process. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE G – RISKS AND UNCERTAINTIES

The Plan provides for various investment options including any combination of certain mutual funds. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risks associated with certain investment securities, and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the statement of net assets available for benefits and participants' individual account balances.

NOTE H – PARTIES-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

CSAFE GLOBAL 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE H – PARTIES-IN-INTEREST TRANSACTIONS (CONTINUED)

Certain plan investments are mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee, as defined by the Plan, and qualifies as a party-in-interest. The Plan also issues loans to participants, which are secured by the balances in the participants' accounts.

Certain administrative expenses are provided by the Company at no cost to the Plan and certain administrative expenses of the Plan are paid by the Company.

NOTE I – SUBSEQUENT EVENTS

In connection with the preparation of the Plan's financial statements for the year ended December 31, 2022, events and transactions subsequent to December 31, 2022 through October 11, 2023 have been evaluated by the plan administrator for possible adjustment and/or disclosure.

Beyond those identified within Note A, related to subsequent plan merger, no additional events requiring financial statement adjustment and/or disclosure have been identified
