INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Those Charged with Governance of
Hurt & Proffitt, Inc. 401(k) Profit Sharing Plan
Lynchburg, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hurt & Proffitt, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hurt & Proffitt, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and December 31, 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hurt & Proffitt, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hurt & Proffitt, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hurt & Proffitt, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hurt & Proffitt, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

Note 1. Description of the Plan

The following description of the Hurt & Proffitt, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement, as amended and restated, for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Hurt & Proffitt, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the Plan Administrator. All assets of the Plan are held by the Trustee, Matrix Trust Company.

Eligibility

All employees who have reached 18 years of age and completed 2 months of service are eligible to participate in the Plan starting the first day of the next Plan quarter. Employees, if any, who are governed by a collective bargaining agreement, are excluded from participating in the Plan. Part-time employees who are scheduled to work less than 1,000 hours during the Plan year will be excluded from all Plan Sponsor contributions.

Participant contributions

Participants may contribute up to 100% of their eligible pre-tax annual compensation, subject to certain *Internal Revenue Code (IRC)* limitations. For the year ended December 31, 2022, participants could contribute up to \$20,500. Qualified distributions from other qualified retirement plans can also be contributed to the Plan and retained as a rollover contribution.

The Plan includes an automatic enrollment provision which stipulates that eligible Plan participants are deemed to have made a 3% pre-tax salary deferral election in the event the participant fails to make a salary deferral election and does not affirmatively elect out of participating in the Plan. Additionally, the Plan includes an automatic escalation provision which stipulates each participant’s salary deferral percentage will automatically increase annually on March 1 by 1% up to a maximum contribution percentage of 6%, unless a participant elects a different contribution percentage.

Catch-up contributions

For the year ended December 31, 2022, if a participant is eligible to make deferrals and reaches age 50 before the end of any calendar year, the participant may defer an additional \$6,500 into the Plan as a pre-tax contribution subject to certain *IRC* limitations.

Note 1. Description of the Plan (Continued)

Company matching contribution

The Plan provides for a Company safe harbor matching contribution to eligible participants equal to 100% of the participant's contributions up to 1% of eligible compensation plus 50% of the participant's contributions that exceed 1% but do not exceed 6%. The Company may also make a discretionary profit sharing contribution; however, no discretionary profit sharing contributions were made during the year ended December 31, 2022.

Participant accounts

Each participant's account is credited with the participant's contribution, matching contribution, Company's discretionary contribution, if any, Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant investment options

Under the Plan, the participant may direct the investment of both the Company and his or her contributions. Participants may change their investment options daily.

Vesting

Participants are immediately vested in their salary deferral contributions, rollover contributions, and actual earnings thereon. A participant also becomes 100% vested upon death, becoming permanently disabled, or reaching the normal retirement age, as defined by the Plan.

Company discretionary matching contributions and profit sharing contributions vest as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	-0-%
2	20
3	40
4	60
5	80
6 or more	100

Note 1. Description of the Plan (Continued)

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000. Total loans outstanding may not exceed 50% of a participant's vested account balance. Repayment terms for the loan are five years unless the loan is used to purchase the principal residence of the participant, in which case the loan term may not exceed thirty years, with the loan balance amortized in equal installments over the life of the loan. Each loan is secured by the participant's vested account balance. The interest rate is determined on the first business day of each month and applied to all loans applied for in that month. The interest rate utilized is the current prime rate listed by the Trustee plus 1.00%. As of December 31, 2022, interest rates on notes receivable from participants ranged from 4.25% to 8.00%. Principal and interest are paid ratably through payroll deductions.

Benefit payments

Distributions to participants can be made due to retirement, death, disability, attainment of age 59½, or termination of employment and are subject to the applicable provisions of the Plan agreement. Up to 100% of the participant's account balances can be paid as a direct rollover to another qualified plan or as a lump sum to the participant or their beneficiaries.

Upon showing of "financial hardship", a participant may withdraw part or all of the vested portion of their accounts, except any Qualified Non-Elective Contribution account and certain earnings of a participant's Elective Deferral account.

Forfeitures

Plan forfeitures are used to reduce Company contributions, pay Plan expenses, or reallocated to Plan participants. No forfeitures were utilized to reduce the Company safe harbor matching contributions during 2022. Plan expenses for the year ended December 31, 2022 were reduced by \$896 in forfeitures. Forfeiture balances as of December 31, 2022 and 2021, were \$-0- and \$896, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Continued)

Valuation of investments and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expense and are expensed when they are incurred.

Payment of benefits

Benefit payments to participants are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events

Subsequent events have been evaluated through October 11, 2023, which is the date the financial statements were available to be issued.

Certain information was certified as complete and accurate by Matrix Trust Company (the Trustee). That information is as follows:

- Investment assets at fair value
- Investment transactions
- Investment income
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year), excluding participant loans

Note 4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Note 4. Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

Note 6. Tax Status

The Plan has adopted a volume submitter plan sponsored by Employee Fiduciary, LLC which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020 stating the Plan and related trust are designed in accordance with applicable sections of the *IRC*. The Plan has been amended since receiving the opinion letter; however the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the *IRC* and therefore believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 7. Party-in-Interest Transactions

The Plan receives investment management and advisory services from Evolution Advisers, Inc. The Plan pays investment management fees to Evolution Advisers, Inc. and, therefore, these transactions qualify as party-in-interest transactions. During the year ended December 31, 2022, the Plan paid investment management and advisory fees of \$32,682, which are included in administrative expenses in the accompanying statement of changes in net assets available for benefits. In addition, notes receivable from participants are considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services.
