Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **WILKE & ASSOCIATES, LLP**

(2) EIN: **25-1871694**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

INDEPENDENT AUDITORS' REPORT

To the Trustees of
Chemistry Communications, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audit of the accompanying financial statements of Chemistry Communications, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Chemistry Communications, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chemistry Communications, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chemistry Communications, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Chemistry Communications, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chemistry Communications, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule I – Schedule H, Line 4i, Schedule of Assets (Held at End Of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was

derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material concepts, in conformity with the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHEMISTRY COMMUNICATIONS, INC
401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE A – DESCRIPTION OF PLAN

The following description of Chemistry Communications, Inc 401(k) Profit Sharing Plan (hereinafter referred to as “the Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General:

The Plan is a multiple-employer, defined contribution plan covering all employees of Chemistry Communications, Inc, Chemistry South, LLC, Pinta, LLC and Test Tube Productions (the Companies) who have completed six consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year a participant may elect to make salary deferral contributions equal to a minimum of one percent of eligible compensation but no more than one hundred percent of compensation, per pay period subject to the Internal Revenue Code Section 402(g) limits. Participants may also contribute amounts representing rollovers from other qualified plans.

The Companies make a Safe Harbor matching contribution equal to 3% of the participant’s eligible compensation. In addition, the Companies may make a discretionary profit-sharing contribution. There were no profit-sharing contributions for the years ended December 31, 2022 and 2021.

Participant Accounts:

Each participant’s account is credited with salary reduction amount, and employer contributions, and an allocation of Plan earnings and administrative expenses. Allocations of Plan earnings and administrative expenses are based on participant earnings or account balances, as defined.

Investment Options:

Each participant directs the manner in which contributions are to be allocated among the investment options available under the Plan.

Vesting:

Participants become fully vested in their elective deferrals, Safe Harbor contributions and rollover accounts immediately. Participants become vested in profit-sharing contributions as follows: 20% after 2 years of service, 40% after 3 years of service, 60 % after 4 years of service, 80% after 5 years of service, and 100% after 6 years of service. A year of service is defined as at least 1,000 hours in each Plan year.

CHEMISTRY COMMUNICATIONS, INC
401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

Notes Receivable From Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the prime plus two percentage points. The interest on the outstanding loans is currently between 4.50% - 6.00%. Loans must be fully repaid within five years unless the loan is used for the purchase of a primary residence. Principal and interest are paid ratably through standard payroll deductions.

Payment of Benefits:

On termination of service due to death, disability, retirement, or other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan allows for in-service distributions if a participant reaches age 45 and hardship distributions subject to plan provisions.

Forfeited Accounts:

Forfeitures are used to reduce employer contributions and/or to pay administrative expenses. During the year ended December 31, 2022, no forfeitures were used to reduce employer contributions and/or to pay administrative expenses. At December 31, 2022 and 2021, forfeited accounts totaled \$0.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefit and change therein. Actual results could differ from these estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on the investments purchased and sold as well as held during the year.

CHEMISTRY COMMUNICATIONS, INC
401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Administrative expenses are paid by the Plan or the Companies, at the discretion of the Companies. Expenses paid by the Companies are excluded from these financial statements.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in profit-sharing contributions.

NOTE D – TAX STATUS

The Companies adopted a volume submitter profit sharing plan with a cash or deferral arrangement which received a favorable determination letter from the IRS on March 31, 2014 which stated that the Plan is acceptable under the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the determination letter, the Plan administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believe the Plan is qualified.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E – CERTIFIED INVESTMENTS

Certified information related to investments in pooled separate accounts and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments in pooled separate accounts and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments in pooled separate accounts, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock, custodian, as of December 31, 2022 and 2021.

CHEMISTRY COMMUNICATIONS, INC
401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE E – CERTIFIED INVESTMENTS (CONTINUED)

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE F – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G – PARTY-IN-INTEREST TRANSACTIONS

The Plan makes loans to participants. Plan investments include units of pooled separate accounts managed by John Hancock Life Insurance Company (U.S.A) and, therefore, these transactions qualify as party-in-interest transactions under ERISA. In addition, the Plan pays investment management fees, which amounted to \$1,350 and \$16,233 for the years ended December 31, 2022 and 2021, respectively.

NOTE H — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE H — FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability as a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair Value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022.

Life Insurance Policy – Valued at the cash surrender value as of the measurement date.

At December 31, 2022, the Plan held the following assets with fair value measurements:

	Level 1	Level 2	Level 3	Totals
Investments in life insurance	\$ 274,878	\$ -	\$ -	\$ 274,878

At December 31, 2021, the Plan held the following assets with fair value measurements:

	Level 1	Level 2	Level 3	Totals
Investments in life insurance	\$ 226,430	\$ -	\$ -	\$ 226,430

NOTE I — INVESTMENTS AT NET ASSET VALUE

The Plan's investments in pooled separate accounts are measured at net asset value ("NAV") as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy.

NOTE I — INVESTMENTS AT NET ASSET VALUE (CONTINUED)

The following table summarizes investments for which the fair value is measured using NAV per share practical expedient as of December 31, 2022. There are no participant redemption restrictions for these investments.

<u>Description</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 6,681,749	N/A	Daily	N/A

The Plan holds various pooled separate accounts that are not direct filing entries. These pooled separate accounts have investment strategies that include: various target date funds, international and sector funds, equity and index funds.

The plan holds insurance policies that are in the name of the plan and were purchased with plan funds per the plan document. The option to purchase life insurance was made to all employees and is nondiscriminatory. The cash value of the policies as of December 31, 2022 and 2021 were \$274,878 and \$226,430, respectively.

NOTE J — SUBSEQUENT EVENT

The trustees and management of the Plan have evaluated subsequent events and determined that there are no subsequent events necessary for disclosure as of the date of the independent auditors' report
