Independent Auditor's Report

To the Plan Administrator
APDerm Management LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of APDerm Management LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

APDERM MANAGEMENT LLC 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note A – Description of Plan

The following description of APDerm Management LLC 401(k) Profit Sharing Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering eligible employees of APDerm Management, LLC and its affiliates (the “Company”, “Plan Administrator”, or “Employer”). The Plan Administrator is responsible for oversight of the Plan and determining the appropriateness of the Plan’s investment options and monitors investment performance. Employees are eligible to participate upon their first day of employment and have attained the age of eighteen. The Plan was adopted by the Company on January 1, 1993. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Coronavirus Aid, Relief and Economic Security Act

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. The CARES Act provided relief provisions for retirement plan sponsors and their participants. As permitted by the CARES Act, the Plan implemented the following provisions:

- Coronavirus-related distribution: Qualified individuals were permitted to take a penalty free distribution in an amount up to \$100,000 which may be repaid within three years.
- Participant loans: The Plan permitted loans to qualified participants in the amount of the lesser of \$100,000 or 100% of the participant’s vested account balance from March 27, 2020 through September 22, 2020. This also allowed for suspension of loan payments due from March 27, 2020 through December 31, 2020.
- Required minimum distributions: Required minimum distributions were temporarily suspended in 2020.

The provisions of the CARES Act were effective and operational immediately prior to amending the Plan document. Plan management amended the Plan for the above provisions in 2022 which were effective through December 31, 2020, in accordance with Internal Revenue Service (“IRS”) regulations.

Contributions

Each year, participants may make pre-tax elective contributions and Roth 401(k) contributions of up to 100% of eligible compensation, as defined in the Plan, which could not exceed \$20,500 for 2022. Participants over the age of 50 can elect to contribute an additional \$6,500 in “catch-up” contributions. Participants may also contribute rollover amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make employer profit sharing contributions to eligible participants. A participant is eligible to receive the profit sharing contribution after one year of service and having attained the age of eighteen. The Company may make discretionary matching contributions in an amount equal to a percentage of the amount contributed by each participant. The discretionary matching contributions may be limited to a certain dollar amount. A participant is eligible to receive discretionary matching contributions after one year of service and having attained the age of eighteen.

APDERM MANAGEMENT LLC 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note A – Description of Plan (continued)

Contributions (continued)

The Company did not elect to make a discretionary matching profit-sharing contribution for the year ended December 31, 2022. The Company elected to make a safe harbor matching contributions equal to 100% of the first 3% of the participant's eligible compensation and 50% of the next 2% of the participant's eligible compensation totaling \$1,041,006 related to the year ended December 31, 2022. A participant is eligible to receive the safe harbor matching contribution after reaching one year of service, 1,000 hours and having attained the age of eighteen, with quarterly entry.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, if any, and Plan earnings (losses) from investments. A participant's account will be charged an allocation of administrative expenses by the Plan's record keeper for processing certain transactions and by the Plan's investment advisor for advisory fees. Allocations are based on participant account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting

Participants are immediately vested in their contributions and safe harbor matching employer contributions plus actual earnings thereon. Vesting in the portion of their accounts arising from Employer profit sharing contributions and qualified matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested on Employer discretionary non-elective contributions after six years of credited service.

A participant who attains early retirement age or who becomes disabled or dies will be considered 100% vested.

Payment of Benefits

Upon a disability, retirement, or termination of employment with the Company for any reason, the participant will be entitled to receive a lump sum distribution of the total vested portion of his or her account. If the vested account balance is less than \$5,000 and is greater than \$1,000, the account balance will rollover to an individual retirement account. Accounts less than \$1,000 will be distributed directly to the participant in a lump sum as soon as practicable following the termination of employment. The participant may elect to receive the distribution as a single lump sum, or by partial payments.

Active participants may take a distribution from the vested portion of their account if they are at least age 59½, attained the normal age of retirement, or through a hardship distribution from the elective deferral portion of their account.

Forfeitures

The forfeitures of unvested account balances will be used to reduce administrative expenses and any remaining amounts will be used to reduce future Employer contributions payable under the Plan. As of December 31, 2022 and 2021, there were no forfeiture balances.

APDERM MANAGEMENT LLC 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note A – Description of Plan (continued)

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000. A loan cannot be greater than 50% of the vested account balance under the Plan. Additionally, the loan cannot exceed \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made. The loans are secured by the balance in the participant's account and bear interest at a rate comparable to the current interest rates charged by financial institutions for similar loans. Principal and interest are paid ratably through after-tax payroll deductions each pay period. Interest rates are fixed for the duration of the loan. Such loans are scheduled to mature within 5 years, unless loan proceeds are applied to acquire a principal residence, in which case, at the discretion of the Plan Administrator, maturity may be for a longer period. The maximum loan term for a principal residence loan is fifteen years.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Investments in the collective investment trust fund are reported at net asset value as a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See below for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Dividend income includes capital gain distributions from the investments. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, then the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

APDERM MANAGEMENT LLC 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note B – Summary of Significant Accounting Policies (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and recordkeeping fees are charged directly to the participant's account and are included in administrative expenses. Fees related to advisory services are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Evaluation of Subsequent Events

The Plan Administrator has evaluated the effect which subsequent events may have on these financial statements. The Plan Administrator's evaluation was completed on October 10, 2023, the date the financial statements were available to be issued.

Note C – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. *Level 1* inputs consist of unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access, *Level 2* inputs in general consist of quoted prices for similar assets in active markets and *Level 3* inputs are unobservable and significant to the fair value measurement priority.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Collective investment trust fund: The collective investment trust fund is valued based on the net asset value per unit reported to the Plan. The net asset value is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities and for the collective trust with underlying investments in benefit-responsive investment contracts is adjusted to the value ("contract value") that participants are able to transact at with the fund. Participant purchases and sales of the fund may occur daily.

Investments at fair value	<u>\$ 27,796,993</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 28,315,941</u>

- (a) Certain investments that are measured at net asset value per share have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no transfers between levels for the year ended December 31, 2022.

APDERM MANAGEMENT LLC 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note C – Fair Value Measurements (continued)

The following table summarizes investments measured at fair value based on the net asset value per unit as of December 31, 2022 and 2021.

	December 31, 2022 and 2021		
	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Transamerica Stable Value Core Option	N/A	Daily	1 day

The Transamerica Stable Value Core Option (“Stable Value Fund”) allows participants withdrawals at any time without penalty. A Plan Administrator initiated withdrawal from the Stable Value Fund may require a 12 month written notice of the intent to withdraw assets from the fund.

Note D – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note E – Tax Status

The Internal Revenue Service has determined and informed the Plan Administrator by a letter dated June 30, 2020, that the prototype plan and related trust adopted by the Company are designed in accordance with applicable sections of the Internal Revenue Code (“IRC”).

The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest expense or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

Note F – Information Certified by Trustees (Unaudited)

For the years ended December 31, 2022 and 2021, Reliance Trust Company, the trustee, held the Plan's investments. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the trustees as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

	2022	2021
Statements of Net Assets Available for Benefits:		
Investments at fair value	\$ 24,385,703	\$ 28,315,941
Notes receivable from participants	107,175	77,211
Statement of Changes in Net Assets Available for Benefits:		
Net depreciation in fair value of investments	\$ (5,874,591)	
Dividend income	505,041	
Interest income on notes receivable from participants	4,120	

Note G – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note H – Related Party and Party-in-Interest Transactions

Employees of the Company perform certain routine administrative services for the Plan without charge.

The Plan's recordkeeper receives certain investment management fees directly from certain Plan investment options. The Plan incurred \$51,101 in recordkeeper administrative fees for the year ended December 31, 2022. The Plan's trustee retains a certain percentage of fees paid by certain Plan investment options to the Plan. Participant notes receivable also qualify as party-in-interest transactions.

Thayer Partners LLC ("Thayer") provides certain consulting advice to the Plan pursuant to a retirement plan consulting agreement. The Plan incurred \$29,508 in consulting advice fees to Thayer for the year ended December 31, 2022.

APDERM MANAGEMENT LLC 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

Note I – Reconciliation of Financial Statements to Form 5500

The net assets available for benefits and changes in net assets available for benefits per these financial statements agree to the Form 5500. There are no reconciling items.

Note J - Subsequent Event

In 2023 the Plan was amended to remove the 1,000 hour requirement from eligibility on the Safe Harbor Match and Profit Sharing contributions. Eligibility as of 2023 was changed to age 18 and one year of elapsed service, eliminating the hours requirement.
