Independent Auditor's Report

To the Plan Administrator
Kitestring Technical Services 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Kitestring Technical Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit.) The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kitestring Technical Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosing under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kitestring Technical Services 401(k) Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free for material misstatements, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kitestring Technical Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kitestring Technical Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kitestring Technical Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held (at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed or derived from the certified investment information,

including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KITESTRING TECHNICAL SERVICES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note 1: DESCRIPTION OF THE PLAN

The following description of Kitestring Technical Services 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan is a defined contribution plan sponsored by Kitestring Technical Services (the "Employer") for the benefit of its employees. Employees who have at least one month of service are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan uses the following service providers:

- Trustee and recordkeeper: Empower Retirement LLC
- Third-party plan administrator: Gateway Pension Services, LTD.
- Investment advisors: Arvest Asset Management

Contributions

Participants may make elective deferral contributions to the Plan of at least 1% up to 100% of their annual compensation, excluding bonuses, up to IRS maximum limits. Participants who are projected to be age 50 or older by the end of the calendar year may also make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollover" contributions). The Employer makes safe harbor matching contributions equal to 200% of the participants' elective deferrals up to 4% of compensation. Additionally, the Employer may make discretionary profit-sharing contributions as authorized by the Employer. The Employer made no discretionary profit-sharing contributions to the Plan for the years ended December 31, 2022 and 2021.

Participant Accounts

Investment account options available include mutual funds and a fixed annuity fund. Each participant has the option of directing their contributions into any of the available fund options and may change the allocation daily. Each participant's account is credited with the participant's contribution, the Employer's contribution, earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and all Employer contributions, plus earnings thereon.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note 1: DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

The Plan allows for in-service distributions for participants reaching age 59 ½. For amounts invested in profit sharing non-elective or regular matching contribution accounts, in-service distributions are permitted for amounts that have been allocated to the participant's account for at least two years, or the participant has participated in the Plan for at least five years. The Plan also allows for hardship distributions as defined in the Plan Document.

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of his account, a rollover to an individual retirement account or other qualified plan, or a rollover to a new employer's plan.

Plan Termination

Although it has not expressed an intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of investment valuation.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)***Administrative Expenses***

Administrative expenses may be paid by the Employer or the Plan, at the Employer's discretion.

Note 3: INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Life & Annuity Insurance Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Investment loss as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022;
- Investment information included in the footnotes as of December 31, 2022 and 2021 and on the supplemental schedule as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

KITESTRING TECHNICAL SERVICES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Accounting Standards Codification Topic 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

Fair values are based on quoted market prices in active markets for identical issues that the plan has the ability to access at the measurement date. The Plan's Level 1 investments include mutual funds and interest-bearing cash.

Level 2 Fair Value Measurements

Fair values are based on inputs other than quoted market prices included within Level 1 that are observable for valuing the asset, either directly or indirectly. Observable inputs include quoted prices for similar assets in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The Plan's Level 2 investments include a fixed annuity fund. The fixed annuity fund is valued based on the estimated future cash flows of the annuity contract.

Level 3 Fair Value Measurements

Fair values are based on unobservable inputs used for valuing the asset. Unobservable inputs are those that reflect the plan's own assumptions about assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

The Plan holds no Level 3 investments.

Note 5: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. The ongoing COVID-19 pandemic, rising inflation, and international military conflicts have resulted in substantial volatility in financial markets. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

KITESTRING TECHNICAL SERVICES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note 6: PLAN TAX STATUS

The Plan operates under a volume submitter plan in connection with a 401(k) profit-sharing plan and trust sponsored by Gateway Pension Services, LTD. This volume submitter plan document has been filed with the appropriate agency and has obtained an opinion letter from the Internal Revenue Service stating that the volume submitter plan constitutes a qualified plan under Section 401 of the Internal Revenue Code (IRC) as of the date of the letter (March 31, 2014).

Although the Plan has been amended since receiving the opinion letter on the volume submitter plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities as of December 31, 2022.

The Plan files income tax returns in the U.S. Federal jurisdiction. The statute of limitations for Federal tax returns is three years; therefore, all tax returns filed over three years ago are no longer subject to examination.

Note 7: PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

For the year ended December 31, 2022, the Plan paid:

- \$20,405 for investment advisory services to Arvest Asset Management
- \$7,181 for administrative and recordkeeping fees to Gateway Pension Services, LTD
- \$14,445 in recordkeeping fees to Great-West Life & Annuity Insurance Company.

The Plan's fixed annuity fund is issued by Great-West Life & Annuity Insurance Company, therefore transactions to related to this fund qualify as party-in-interest transactions.

Note 8: SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date of the independent auditor's report, which is the date the financial statements were available to be issued.
