Independent Auditors' Report

**To Plan Administrator of
UMH Properties, Inc. 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of UMH Properties, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of ended December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and (2) Schedule H, Part IV - Line 4j - Schedule of Reportable Transactions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UMH Properties, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2022

1. Description of Plan

The following brief description of the UMH Properties, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution profit sharing plan available to all full-time employees of UMH Properties, Inc. (“UMH”) (the “Plan Sponsor”) and Monmouth Real Estate Investment Corporation (“MREIC”) . The Plan is a qualified salary deferral plan under the provisions of the Internal Revenue Code (“IRC”) sections 401(a) and 401(k). The Plan is subject to the applicable regulations of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the IRC.

Effective August 15, 2022, the Plan was restated to among other things, remove MREIC as a participating employer in the Plan.

Assets Held for Investment

All Plan assets are held with Principal Trust Company (“Principal”), the trustee, and record-keeper over all of the Plan’s assets. Among other duties, Principal is responsible for the custody of the Plan assets and for the payment of benefits to eligible participants.

Eligibility

All full-time employees of the Plan Sponsor are eligible for Plan participation and may enter the Plan provided they are over 21 years of age.

An employee who has satisfied the eligibility requirements may enter the Plan at the beginning of each quarter, following the date which he or she satisfies such eligibility requirements.

Contributions

Eligible employees may contribute up to 100% of their eligible compensation up to the annual limit determined by the IRC. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

1. Description of Plan (*continued*)

Contributions (continued)

Rollover contributions are comprised of distributions made to the participants from their former employers' qualified retirement plans and transferred to the Plan.

The Plan Sponsor provides a safe harbor contribution equal to 100% of the first 3% of eligible compensation plus 50% of the next 2% of eligible compensation.

The Plan Sponsor may make a discretionary employer contribution each Plan year. The amount of the contribution and allocation formula is determined by the Plan Sponsor each year and allocated to employees accordingly. For the year ended December 31, 2022 there was no discretionary contributions.

Participant Accounts

A separate account is maintained for each participant, which is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contributions and, (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the investment options offered by the Plan. There is no limit to how often a participant may change their investment options. Participants should refer to each fund's prospectus for a more complete description of the risks associated with each fund.

Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings thereon. Discretionary contributions vest 25% after 2 years of service, 50% after 3 years of service, 75% after 4 years of service and 100% after 5 years of service.

Forfeitures

Forfeitures of terminated participants' non-vested accounts serve to reduce employer contributions or Plan expenses. As of December 31, 2022 and 2021, there was a \$110,527 and \$136,797 in the forfeiture account, respectively. The Plan Sponsor did not utilize the forfeiture account during the year ended December 31, 2022 to reduce employer contributions or Plan expenses.

1. Description of Plan (*continued*)

Payment of Benefits

Benefits are paid upon retirement (age 65), death, disability, or termination of employment. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, an annuity contract to be distributed under an option of the participant's choice, or a combination of both.

A participant may apply to the Plan administrator for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under the Plan Sponsor's medical programs, expenses for the purchase of a principal residence or material alterations thereto, payments to prevent eviction from or foreclosure on a principal residence and burial or funeral expenses for the participant's parent, spouse, children or dependents.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. These loans are secured by the balance in the participant's account and bear interest as determined at the time of the loan origination. Only two loans may be outstanding by a participant at a time. Principal and interest is paid ratably through monthly payroll deductions over a period of time not to exceed five years. If the proceeds are used to construct or rehabilitate a participant's principal residence, the Plan administrator may permit a longer repayment term. Principal and interest repaid is reinvested based on the participant's present investment allocation selection. As discussed earlier, certain terms were modified as a result of the CARES Act provisions.

The interest rate for all outstanding loans ranged from 4.25% to 8.00% at December 31, 2022 and 2021.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested with the Plan Sponsor's contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan prepares its financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP"), using the accrual basis of accounting, which recognizes revenue when it is earned and expenses as they are incurred.

UMH Properties, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2022

2. Summary of Significant Accounting Policies (*continued*)

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions to net assets during the period. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on Fair Value Measurements which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold during the year as well as those held at the end of the year.

Shares of common stock of the Plan Sponsor held by the Plan are valued at the closing price on The New York Stock Exchange.

Mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value ("NAV") and to transact at that price. Pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The common/collective trusts are valued at NAV of units held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Pursuant to US GAAP guidance, alternative investments where fair value is measured using NAV are not categorized within the fair value hierarchy.

Notes to Financial Statements

2. Summary of Significant Accounting Policies (*continued*)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement. Interest is recorded on the accrual basis. Delinquent participant loans totaling \$2,977 were distributed during the year ended December 31, 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses

With the exception of the Plan's recordkeeping fees and participant loan expenses (loan setup and loan maintenance fees) which are charged to the individual participant's account, all other administrative expenses incurred by the Plan are paid by the Plan Sponsor and are excluded from these financial statements.

Expenses relating to investment management are paid directly by the respective investment vehicle and are included in net depreciation in fair value of investments.

3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, Part IV - Line 4j - Schedule of Reportable Transactions, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in value of investments, dividend and interest income, and interest on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal, a qualified institution.

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

Common/Collective Trusts - Principal Trust Target Date Funds

The Plan offers 14 non-benefit-responsive common/collective trusts called the Principal Trust Target Date Funds ("Target Date Funds"). These Target Date Funds include: the Principal Trust Target 2010 Fund; the Principal Trust Target 2015 Fund; the Principal Trust Target 2020 Fund; the Principal Trust Target 2025 Fund; the Principal Trust Target 2030 Fund; the Principal Trust Target 2035 Fund; the Principal Trust Target 2040 Fund; the Principal Trust Target 2045 Fund; the Principal Trust Target 2050 Fund; the Principal Trust Target 2055 Fund; the Principal Trust Target 2060 Fund; the Principal Trust Target 2065 Fund; Principal Stable Value Fund; and the Principal Trust Income Fund. The unit value of each of these funds is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value.

The following is a reconciliation of total additions per the financial statements to the Form 5500 for the year ended December 31, 2022:

Total additions per the financial statements	\$ (4,863,901)
2021 Participants' contributions receivable	30,878
2022 Participants' contributions receivable	<u>(42,207)</u>
Total Additions per Form 5500	<u>\$ (4,875,230)</u>

6. Tax Status

The Internal Revenue Service ("IRS") issued an opinion letter to the prototype plan document preparer, Principal, dated June 30, 2020, which states that the form of the prototype plan qualifies under the applicable provisions of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examination by taxing jurisdictions for periods since 2019; however, there are currently no examinations for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

UMH Properties, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2022

8. Party-In-Interest Transactions

Certain Plan investments are managed by Principal. Principal is the trustee as defined by the Plan and, therefore, those transactions qualify as exempt party-in-interest transactions under ERISA.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Plan Sponsor, who may be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

The Plan holds investments in the common stocks of the Plan Sponsor, comprised of the following at:

	UMH	MREIC
<u>December 31, 2022</u>		
Fair value	\$ 8,629,680	\$ -
Number of shares held	536,005	-

Fair value	\$ 13,960,288	\$ 4,257,294
Number of shares held	126,746	195,311

9. Subsequent Events

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 12, 2023, and has determined that there were no subsequent events or transactions which would require recognition or disclosure in the financial statements.
