INDEPENDENT AUDITORS' REPORT

To the AKRF, Inc. Profit Sharing Plan and 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of AKRF, Inc. Profit Sharing Plan and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for Plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for Plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AKRF, Inc. Profit Sharing Plan and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AKRF, Inc. Profit Sharing Plan and 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AKRF, Inc. Profit Sharing Plan and 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of AKRF, Inc. Profit Sharing Plan and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AKRF, Inc. Profit Sharing Plan and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of The Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the AKRF, Inc. Profit Sharing Plan and 401(k) Plan (the “Plan”) is provided for general information purposes only. For a more complete description of the Plan, see the Plan Document and Summary Plan Description.

The Plan, established August 1, 1986, is a qualified profit sharing and defined contribution plan organized under Internal Revenue Code (IRC) Section 401(k) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers all employees of AKRF, Inc. and effective January 1, 2016, GreenUp Construction & Maintenance, Inc. (the “Company”) who have reached the age of twenty-one and have completed six consecutive months of service. The Plan allows for a maximum annual pretax contribution by the employee equal to the lesser of \$20,500 (\$27,000 if age 50 and over) or 90% of compensation. The Plan provides for discretionary employer profit sharing contributions subject to Plan and statutory limitations, to all eligible employees who have reached the age of twenty-one and have completed one year of service. There were no employer profit sharing contributions for the 2022 Plan Year. There were \$310,499 in employer profit-sharing contribution for the 2021 Plan Year which were offset by \$36,000 of forfeitures. Effective January 1, 2018, the Plan provides for employer match contribution, which is the lesser of 50% of elective deferrals or 3% of compensation for the period which elective deferrals are made by the participant. Effective January 1, 2019, the employer match contribution is discretionary.

Effective June 2, 2014, all employees are eligible to participate in the Plan following the attainment of age twenty-one and the completion of three consecutive months of service. Any participant, upon first becoming eligible to participate in the Plan, who fails to affirmatively make any deferral election within the time prescribed by the Plan shall be deemed to have elected to defer 3% of his compensation as a pre-tax contribution. Any participant may elect to participate in the Plan’s voluntary automatic elective deferral increase feature and have his elective deferral rate increased by a whole percentage not in excess of 3% on an annual basis, up to a maximum deferral rate of 15%. Effective January 1, 2019, the automatic enrollment deferral increased to six percent (6%). Effective March 1, 2022 the automatic enrollment deferral increased to eight percent (8%).

In addition, unless the employee otherwise elects, such deemed elective deferral shall be increased by one percent (1%) annually up to a maximum of fifteen percent (15%).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Each participant's account is credited with the participant's contribution and an allocation of the employer's profit sharing contribution, plan earnings, and charged with an allocation of administrative expenses and investment losses. Income and expense allocations are based on the participant's earnings or account balances, as defined. The benefit a participant is entitled is the benefit that can be provided from the participant's vested account.

Information as to investment options, which are all participant directed, has been published and made available to all participants.

The Plan offers an investment advisory service ("Retirement Advice") program through John Hancock Retirement Plan Services, LLC and the independent third-party investment advisor, Morningstar Associates, LLC. Participants in the Retirement Advice program are charged an annual fee ranging from 0.20% to 0.50% based on their account balance. Participants may cancel their participation in the Retirement Advice program at any time without penalty.

Participants are immediately vested in their voluntary contributions and earnings thereon.

Employer contributions and earnings thereon vest as follows:

Years of Service

Less than 2	0%
2	25%
3	50%
4	75%
5	100%

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested portion of their account balance. Loan terms range from one to five years, or a longer repayment period allowed by the Plan administrator for the purchase of a primary residence.

The loans are secured by the balance in the participant's account and bear interest at a rate determined at the time of the loan application to the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions and credited to the borrower's account balance.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Benefits are payable upon termination of service for any reason. A retired participant can elect to defer receipt of the distribution until April 1 of the calendar year following the Participant attaining age 72. Upon death of the participant the distribution will be made in accordance with the Plan Document. If the amount of any distribution balance exceeds \$1,000 but is less than \$5,000, and the participant does not elect to have the distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or receive the distribution directly, the Plan administrator will pay the distribution in a direct rollover to an individual retirement account designated by the Plan administrator. Account balances less than \$1,000 are distributed as a lump sum payment. Under certain circumstances (hardship), and with approval of the Company, a participant can elect at any time to receive a portion of his or her vested account balance subject to the provisions of the Plan. In-service withdrawals are permitted once a participant has attained age 59 ½.

Certain administrative expenses of the Plan are paid by the Company without charge to the Plan.

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$13,928 and \$27,425, respectively. These accounts were used to reduce employer contributions. In 2022, employer contributions were reduced by \$36,000 from forfeited non-vested accounts.

The Plan allows participants to make a Roth election. Roth elective deferrals are post-tax contributions and are treated the same way as other deferral contributions in terms of allowing rollover of Roth contributions and withdrawals for loans. Roth elective deferrals are also subject to in-service and hardship distributions.

Effective August 1, 2018, the Plan adopted an in-plan Roth conversion feature that allows participants to elect to convert all or a portion of their vested non-Roth account to Roth contributions which is irrevocable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements have been prepared under the accrual basis of accounting.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Plan's investments are stated at fair value with the exception of the fully benefit-responsive investment contract, which is valued at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the Plan custodian and Plan management. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefit distributions are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS (UNAUDITED)

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 3 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

<u>2022</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 61,867,119</u>	<u>\$ 61,867,119</u>	<u>\$ -</u>	<u>\$ -</u>
Investments at Fair Value	<u>\$ 61,867,119</u>	<u>\$ 61,867,119</u>	<u>\$ -</u>	<u>\$ -</u>
<u>2021</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 73,580,101</u>	<u>\$ 73,580,101</u>	<u>\$ -</u>	<u>\$ -</u>
Investments at Fair Value	<u>\$ 73,580,101</u>	<u>\$ 73,580,101</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Guaranteed Interest Account

In November 2012, the Plan entered into a benefit-responsive guaranteed interest account with NYLIC with NYLTC as contract holder acting as trustee of the Plan. This guaranteed interest account is a traditional investment contract. NYLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed interest account permits the insurance company to terminate the agreement provided written notice of termination is delivered to the Plan thirty days prior to the intended termination date.

Because the guaranteed interest account is fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to the guaranteed interest account. The guaranteed interest account is presented on the face of the statement of net assets available for plan benefits at contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by NYLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**AKRF, INC. PROFIT SHARING PLAN
AND 401(k) PLAN**

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

Guaranteed Interest Account (Continued)

The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1%. Such interest rates are reviewed on a semi-annual basis.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including Plan changes that materially alter the amount of contributions or withdrawals to be directed in or out of the Contract or complete or partial Plan termination or merger with another plan), (2) changes to the Plan's investment options, (3) changes in the frequency of transfers among the Plan's investment options, or (4) the failure of the trust to qualify for exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 5 - PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and terms of the Plan. In the event of Plan termination or partial termination of the Plan, participants' accounts shall be fully vested as of the date of such termination. The Company determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan administrator by a letter dated June 30, 2020, that the form of the pre-approved Plan is acceptable under the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the letter. However, the Plan administrator believes that the pre-approved Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - UNAUDITED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company, (the trustee/custodian of the Plan).

NOTE 8 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by John Hancock Trust Company. John Hancock Trust Company is the trustee as defined by the Plan and therefore, these transactions qualify as party-in interest transactions. Fees paid by the Plan to John Hancock Trust Company for administrative services amount to \$50,587 for the year ended December 31, 2022. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

AKRF, INC. PROFIT SHARING PLAN AND 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.
