Independent Auditors' Report

Plan Administrator
The Refresco USA 401(k) Savings & Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of The Refresco USA 401(k) Savings & Retirement Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Asset Held (at End of Year) and Delinquent Participant Contributions as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE REFRESCO USA 401(K) SAVINGS & RETIREMENT PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of Plan

(a) General

The following description of The Refresco USA 401(k) Savings & Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions. The Plan is a defined contribution savings and investment plan under Section 401(k) of the Internal Revenue Code covering substantially all full-time employees 18 years or older. Employees are eligible for an employer match after 90 days of service with Refresco Beverages US Inc. (or formerly Cott Beverages, Inc.). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

(b) Participant Accounts

Participant accounts are credited with the participant contributions, employer contributions, fund transfers and participant loan repayments. Each participant’s account is credited with the participant’s contribution and allocation of plan earnings (losses). Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

(c) Contributions

Employees hired after January 1, 2019 are automatically enrollment at 1% of eligible compensation for newly hired employees that are not covered under a collective bargaining agreement. The participant’s deferrals will automatically increase on an annual basis up to a maximum deferral of 6% of eligible compensation. Additionally, active participants with deferral rates less than 6% will escalate annually until reaching the maximum deferral rate of 6%. All participants are entitled to elect employee contributions to be on a pre-tax basis or as a Roth 401(k) contribution, subject to certain limitations under the Internal Revenue Code. Active participants can contribute up to 90% of earnings to the Plan in the form of basic contributions, up to a maximum of \$20,500 for 2022. Contributions in excess of those allowed by Internal Revenue Code Section 401(k)(3) are reflected as excess participant contributions. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan has been established under Section 401 of the Internal Revenue Code. Therefore, employee contributions, except for Roth 401(k) contributions, are not subject to Federal income withholding tax, but are taxable when withdrawn from the Plan.

(1) Description of Plan - Continued

(c) Contributions - Continued

The Company contributes matching contribution to eligible employee of the Plan to equal 50% of elective deferrals not in excess of 6% of eligible compensation and provide a discretionary matching contribution equal to a percentage of a participant's eligible compensation to be determined by the Board of Directors of the Company. There was no discretionary matching contribution made by the Company for the year ended December 31, 2022. For the year ended December 31, 2022, the Company matched up to 100% on the first 3% of participant eligible compensation of San Bernardino union employees. Non-matching Company contributions may be made at the discretion of the Board of Directors of the Company. The Company elected not to make any non-matching contributions for the year ended December 31, 2022. The Company, at its discretion, may make additional discretionary profit sharing contributions to San Bernardino union employees. Discretionary profit sharing contributions were approximately \$118,500 year ended December 31, 2022.

(d) Vesting

Participant contributions to the Plan plus actual earnings or losses thereon are fully vested at all times. A participant whose account balance includes amounts transferred from the San Bernardino Plan or the St. Louis Plan as a result of the merger of such plans into the Plan shall vest in the participant's share of matching contributions, discretionary matching contributions and profit sharing contributions and earnings and losses thereon in accordance with the schedule below. All other participants whose account balances do not include amounts transferred from the San Bernardino Plan, St. Louis Plan, the Whitlock Plan, the Pri-Pak Non-Union or the Pri-Pak Union Plan shall vest in the participant's share of matching contributions, discretionary matching contributions and profit sharing contributions and earnings and losses thereon which were contributed to the Plan prior to January 1, 2008 in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

(d) Vesting - Continued

All other participants whose account balances do not include amounts transferred from the San Bernardino Plan, St. Louis Plan, the Whitlock Plan, the Pri-Pak Non-Union or the Pri-Pak Union Plan shall vest in the participant's share of matching contributions, discretionary matching contributions and profit sharing contributions and earnings and losses thereon which were contributed to the Plan on or after January 1, 2008 in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	100%

In addition, any Employer safe harbor matching contributions which merged into the Plan from the Whitlock Plan will remain 100% vested. Participants will vest 100% upon attainment of age 65, or in the event of death or disability while employed by the Company.

(e) Investment Options

At December 31, 2022 and 2021, the Plan provided participants mutual funds, common/collective trust funds, and one stable value fund as investment options in which to invest their contributions.

(f) Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of the lesser of \$50,000, or 50% of their account balance. The term of the loan shall not exceed 5 years except for loans to purchase a primary residence, in which case the term of the loan shall not exceed 30 years. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1% (8% at December 31, 2022) as of the date of loan origination. Principal and interest is paid rateably through payroll deductions.

As a result of the Bipartisan Budget Act of 2018 and effective January 1, 2019, the requirement to exhaust loan distributions prior to receiving a hardship distribution was removed from the Plan. Additionally, participants are no longer suspended from making contributions to the Plan or from receiving Company matching contributions as a result of a hardship withdrawal.

THE REFRESCO USA 401(K) SAVINGS & RETIREMENT PLAN

Notes to Financial Statements - Continued

(1) Description of Plan - Continued

(g) Benefit Payments

Vested benefits of retired, disabled, or terminated employees are distributed in several methods as elected by the participant or, when applicable, the participant's beneficiary. The methods of distribution include single lump-sum payments; or provided the participant's vested account exceeds \$5,000, in periodic monthly, quarterly or annual installments; or in periodic partial-sum payments, in accordance with non-discriminatory and objective standards and procedures consistently applied by the administrator.

Upon termination of service, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may take in-service withdrawals upon attainment of age 59 ½ or for immediate and heavy financial hardship needs, as defined in the plan document.

In December 2019, the Setting Every Community Up for Retirement Enhancement ("SECURE") Act was signed into law. Provisions relating to required minimum distributions and the limitation of lifetime or stretch distributions to remain compliant under the applicable laws and regulations are effective beginning January 1, 2020.

(h) Forfeitures

Forfeited nonvested amounts at December 31, 2022 and 2021 were approximately \$327,700 and \$235,200, respectively. These are included in the Plan's investments and are available to reduce future employer contributions and pay administrative expenses. Forfeited nonvested amounts used to reduce employer contributions and pay administrative expenses were approximately \$276,000 for the year ended December 31, 2022.

(i) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions and terminate the Plan. Upon a complete or partial termination of the Plan, the account of each affected participant will fully vest. The form and timing of payment will be as determined under the Plan at the time of plan termination.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation and Use of Estimates

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("GAAP"). The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of increases and decreases in net assets during the reporting periods. Actual results could differ from those estimates.

THE REFRESCO USA 401(K) SAVINGS & RETIREMENT PLAN

Notes to Financial Statements - Continued

(2) Summary of Significant Accounting Policies - Continued

(b) Investment Valuation and Income Recognition

The Plan's investments, other than the guaranteed interest account, are stated at fair value. Fair value is the price that would be received to sell our asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 to Financial Statements).

Purchases and sales of securities are recorded on a trade date basis. Interest income (loss) is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the Statements of Changes in Net Assets Available for Benefits the net appreciation or depreciation in fair value of its investments which consists of the realized gains and losses and the unrealized appreciation or depreciation on those investments.

(c) Contributions

Participant and employer matching contributions are recorded in the period during which payroll deductions are withheld from the participants' earnings.

(d) Administrative Costs

Substantially all administrative expenses of the Plan are paid by the Plan. Additionally, participant returns are reported net of investment management fees and other administrative expenses.

(e) Benefit Payments

Benefits are recorded when paid.

(f) Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued and unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative costs and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

THE REFRESCO USA 401(K) SAVINGS & RETIREMENT PLAN

Notes to Financial Statements - Continued

(2) Summary of Significant Accounting Policies - Continued

(g) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(3) Information Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company, LLC ("John Hancock"), the Plan's Trustee, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Total investments and notes receivable from participants, as shown in the statements of net assets available for benefits, as of December 31, 2022 and 2021.
- Total investment income, net depreciation in fair value of investments and related investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- The Schedule of Assets (Held at End of Year) as of December 31, 2022, included in the supplemental schedules.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements.

(4) Fair Value of Financial Instruments

Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, defines fair value as the exchange prices that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Additionally, ASC Topic 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

THE REFRESCO USA 401(K) SAVINGS & RETIREMENT PLAN

Notes to Financial Statements - Continued

(4) Fair Value of Financial Instruments - Continued

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The unobservable inputs reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2022 and 2021. Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds

The mutual fund accounts are valued at fair value based on published market prices as of the close of business on the last business day of the plan year, which represent the net asset value ("NAV") of the shares held by the Plan and as such are generally categorized as Level 1.

Common/Collective Trusts

The collective trust fund are valued at the NAV. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

THE REFRESCO USA 401(K) SAVINGS & RETIREMENT PLAN

Notes to Financial Statements - Continued

(4) Fair Value of Financial Instruments - Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021.

Description	Assets Measured at Fair Value at December 31, 2022	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 139,503,620	139,503,620	-	-
Investments measured at NAV	17,197,837 (a)			
Total assets in the fair value hierarchy	\$ 156,701,457			

Description	Assets Measured at Fair Value at December 31, 2021	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 150,367,457	150,367,457	-	-
Investments measured at NAV	21,941,007 (a)			
Total assets in the fair value hierarchy	\$ 172,308,464			

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of the net assets available for benefits.

(5) Guaranteed Interest Account

Effective February 3, 2014, the Plan provided the New York Life Guaranteed Interest Account ("GIA"), managed by New York Life Trust Company ("NYLTC"), as an investment option to participants of the Plan. The GIA is a group annuity contract which consists of a broadly diversified fixed income portfolio within New York Life Insurance Company's ("NYLIC") general account and is intended to provide a stable crediting rate consistent with preservation of principal. Interest is accrued daily and credited monthly to the GIA and reflects the crediting rate declared in advance and guaranteed by NYLIC.

The key factors that impact the crediting rate under the group annuity contract are the timing and magnitude of the cash flows in and out of the general account as well as prevailing market rates on fixed income assets available for investment by the general account. The interest crediting rate may not be reset more frequently than semi-annually after the first contract year. The crediting rate is subject to a minimum rate provision as provided in the group annuity contract, but may never fall below 1% after deduction for any expenses. Participant-initiated transactions are permitted on a daily basis.

THE REFRESCO USA 401(K) SAVINGS & RETIREMENT PLAN

Notes to Financial Statements - Continued

(5) Guaranteed Interest Account - Continued

The group annuity contract provides that, subject to certain limitations, withdrawals for benefit payments at death, retirement, disability, termination of employment, and for loans, hardship withdrawals or in-service withdrawals as permitted by the Plan are completed at contract value. Certain distributions, including but not limited to distributions resulting from employer-initiated events such as plan termination, merger, spin-off, and early retirement incentives may be completed subject to a market value adjustment, however, the plan administrator deems these employer-initiated events are not probable to occur.

The group annuity contract may be terminated by the contract holder at any time, provided written notice of terminations is received by NYLTC at least 30 days but not more than 60 days prior to the intended termination date. At contract termination, the Plan may elect to receive either an immediate lump sum distribution subject to a market value adjustment or receive a contract value distribution in 6 annual installments over a period of 5 years.

(6) Tax Status

The Internal Revenue Service has determined and informed the Company by a letters dated September 14, 2022 and July 6, 2017, that the Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code, and therefore, the Plan is qualified and the related trust is tax exempt under the applicable sections of the Internal Revenue Code. The Plan has adopted amendments since receiving the determination letter from the Internal Revenue Service. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires management of the Plan to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related Party Transactions

Fees paid by the Plan for trustee management services amounted to approximately \$901,000 for the year ended December 31, 2022. Fees paid by the Plan for auditing services amounted to \$26,000 for the year ended December 31, 2022. Fees paid by the Plan for loan fees and approval fees to the recordkeeper amounted to approximately \$779,000 for the year ended December 31, 2022 and fees paid to the investment advisor totaled approximately \$96,000 for the year ended December 31, 2022. These fees qualify as party-in-interest transactions and are recorded in administrative costs in the accompanying Statement of Changes in Net Assets Available for Benefits.

THE REFRESCO USA 401(K) SAVINGS & RETIREMENT PLAN

Notes to Financial Statements - Continued

(7) Related Party Transactions - Continued

John Hancock and their affiliates perform services for, sell products to and manage and maintain certain investments for the Plan for which fees are charged to the Plan. While the Plan pays most of the fees, a portion is paid by the plan sponsor. Party-in-interest transactions also include notes receivable made to participants. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.
