INDEPENDENT AUDITOR'S REPORT

North Central Mental Health Services, Inc.
401(k) Profit Sharing Plan
Columbus, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the North Central Mental Health Services, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of North Central Mental Health Services, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the North Central Mental Health Services, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the North Central Mental Health Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Central Mental Health Services, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Central Mental Health Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

401(K) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
As of and for the Years Ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the North Central Mental Health Services, Inc. (the Organization) 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering all eligible employees of the Organization who have at least one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Plan participants may contribute up to a 100% of their annual compensation, limited to the maximum salary deferral permitted by the Internal Revenue Code (IRC). The Organization contributes 50 percent of the first 6 percent of base compensation that a participant contributes to the Plan. In addition, the Organization will make a standard contribution equal to 1 percent of each employee's compensation, whether they contribute to the Plan or not. Additional Organization contributions may be made at the option of the Organization's board of directors.

C. Participant accounts

Each participant's account is credited with the participant's contribution, the employer matching contribution and standard contribution, and allocations of (a) Plan earnings, and (b) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings and account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

D. Administrative expenses

Reasonable expenses of administering the Plan, including any expenses incident to the functioning of the Administrator and the professional fees of any consultants or advisors, are paid for by the Organization, not by the Plan.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

E. Vesting

Participants are immediately vested in their voluntary contributions, the one percent standard Organization contribution, and actual earnings thereon. Vesting in the Organization's matching and discretionary contributions, and actual earnings thereon, is based on years of continuous service. Participants become vested in the Organization's matching and discretionary contributions based on the following schedule:

<u>Years of Service</u>	<u>Percent Vested</u>
1	20%
2	40%
3	60%
4	80%
5	100%

F. Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$2,547 and \$8,087 respectively. Forfeitures remain in the plan and are allocated to each remaining participant in the same proportion that their compensation bears to total compensation of all participants.

G. Payment of benefits

Upon termination of service, a participant may elect to have his or her vested account balance distributed before the date that it would normally be distributed. If the participant so elects, he or she is entitled to receive his or her vested account balance paid in a lump-sum, which is normally subject to income taxes, or rolled over into an Individual Retirement Account (IRA) or another qualified employer plan.

NOTES TO THE FINANCIAL STATEMENTS
As of and for the Years Ended December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

H. Notes receivable - participants

Generally, participants may borrow amounts up to 50% of their vested account balances, but not more than \$50,000. Loan transactions are treated as directed investments of a participant's account under the plan. Repayments of principal and interest are credited to the participant's account. The withdrawals will not be considered a termination withdrawal, as long as a systematic repayment schedule is maintained. Terms of the notes are generally less than 5 years, and interest rates are determined by the administrator by reviewing the interest rates charged by similar types of loans by other lenders. The balance of notes receivable from participants for the years ended December 31, 2022 and 2021 were \$154,704 and \$193,847 respectively.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's assets are held and invested by the Trustee until needed to pay benefits. A share of investment gains and losses is allocated to the account of each Plan participant. All investments are participant-directed. Investments are comprised of mutual funds. The Plan's investments are stated at fair value, in which shares of registered investment companies and U.S. government securities are valued at quoted market prices that represent the net assets value of shares held by the Plan at year-end. Participant loans are stated at cost, which approximate fair value. Investment transactions are recorded on a trade-date basis.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as, interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

D. Payment of Benefits

Benefits are recorded when paid. Included in distributions on the statement of changes in net assets are corrective distributions of \$14,851 and \$22,750 for the years ended December 31, 2022 and 2021, respectively. These distributions represent payments to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan for the prior year 2022 and 2021, respectively.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of December 31, 2022 and 2021, and for the years then ended, included in the accompanying financial statements and supplemental schedule, which was prepared by or derived from information prepared by Fidelity Management Trust Company, the trustee of the plan for 2022 and 2021, respectively, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$11,192,871</u>	<u>-</u>	<u>-</u>	<u>\$11,192,871</u>
Total assets at fair value	<u>\$11,192,871</u>	<u>-</u>	<u>-</u>	<u>\$11,192,871</u>

Assets at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$13,914,471</u>	<u>-</u>	<u>-</u>	<u>\$13,914,471</u>
Total assets at fair value	<u>\$13,914,471</u>	<u>-</u>	<u>-</u>	<u>\$13,914,471</u>

NOTE 5 - TAX STATUS

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. The Plan has filed an Application for Determination for Employee Benefit Plan to obtain a favorable tax determination letter from the IRS, and the Plan sponsor believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of plan year end, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.
