INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrative Committee of
Rotork 401(K) Plan
Rochester, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audits of the accompanying financial statements of Rotork 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rotork 401(K) Plan's (the Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General - The Rotork 401(K) Plan (the Plan) was adopted effective July 1, 1990 to establish a savings and investment plan for the exclusive benefit of the employees of Rotork Controls, Inc. (the Company) and affiliated companies. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was amended and restated November 15, 2020 to exclude certain affiliated companies. The amended Plan is for the benefit of the Company, Fairchild Industrial Products Company, Inc. and Remote Control, Inc.

Basis of Presentation - The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States (GAAP). Interest and dividend income are recognized when earned.

Estimates - The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan provides for several investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Valuation of Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at fair value, net investment gain or loss is included in the carrying value of related investments in the statements of net assets available for plan benefits and the changes in the net investment gain or loss are reflected in the statement of changes in net assets available for plan benefits.

ERISA Reserve Account - The trustees reimbursed to the Plan investment fund related revenue received which include Rule 12b-1 fees and service fees paid by the fund or the fund's affiliates. The Plan expense reimbursement accounts are used by the Plan to pay direct and necessary expenses of the Plan. During 2022, the Plan received fee reimbursements in the amount of \$43,523 which are reported in net investment loss from registered investment companies.

NOTE A BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

Federal Income Tax - The Company adopted a Volume Submitter Profit Sharing Plan (the Volume Submitter Plan) with CODA. The Volume Submitter Plan received a favorable opinion letter from the Internal Revenue Service on September 24, 2015, which stated that the Volume Submitter Plan and related trust are designed in accordance with Section 401(a) of the Internal Revenue Code. The Volume Submitter Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, the Plan Administrator believes the Plan was qualified and the related trust was tax-exempt as of December 31, 2022.

The Plan believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2022, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2019 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for plan benefits.

NOTE B PLAN DESCRIPTION

The following description of the Plan provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Participation - An employee is eligible to become a participant in the Plan on the first day of the month coinciding with or next following the completion of 90 days of service.

Contributions - Participants may elect to make contributions (including Roth 401(k) contributions) to the Plan in an annual amount ranging from 1% to 50% of their eligible compensation. Eligible compensation in 2022 was limited to \$305,000. Contributions are made through authorized payroll reductions. These contributions by individual employees were limited to \$20,500 in calendar year 2022. This limitation is adjusted periodically to reflect cost-of-living increases. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for calendar year 2022).

For the 2022 Plan year, the Company elected to make a 401(k) matching contribution equal to 100% of each eligible employee's compensation up to 5% for all employees except certain union participants hired on or before June 2, 2008. The Company also elected to make a 401(k) matching contribution for these union participants equal to 50% of each eligible employee's compensation up to 8%. At its discretion, the Company may also make additional discretionary contributions. Such additional discretionary contributions, if any, are allocated pro rata to all eligible participants employed at year end based upon the proportion of the participant's compensation to the total compensation of all eligible participants. The Company made additional discretionary contributions amounting to \$19,956 for the year ended December 31, 2022.

NOTE B PLAN DESCRIPTION (CONTINUED)

Vesting - A participant is immediately fully vested with respect to all portions of their account.

Form of Benefits - Benefits are recorded when paid. Benefits are paid either in a lump sum or installment payments. For participants having attained age 70 1/2, minimum distribution requirements apply. Terminated participant accounts will be distributed as soon as administratively feasible. Participant consent is required for benefits over \$5,000.

Investments - Each participant directs the investment of their account into any of the investment options designated by the Plan Administrator.

Participant Loans - Participant loans are not permitted by the Plan.

Administration - The Company as the Plan Administrator, may pay, at its discretion, the Plan's administrative expenses. Any Plan expenses not paid by the Company will be paid by the Plan.

Plan Termination - Although the Company has not made a determination to terminate the Plan, the Company has the right under the Plan to terminate the Plan subject to provisions set forth in ERISA. Upon termination, all participants would become fully vested in their accrued benefits as of the date of termination.

NOTE C INVESTMENTS AND CERTIFIED INFORMATION

The fair value of the Plan's investment funds held at December 31, 2022 and 2021, as certified by Matrix Trust Company, are as follows:

	<u>2022</u>	<u>2021</u>
Investments at fair value		
Registered Investment Companies	\$ 41,234,944	\$ 53,649,909
Common/Collective Trust Funds	<u>3,943,945</u>	<u>3,851,838</u>
Total Investments	<u>\$ 45,178,889</u>	<u>\$ 57,501,747</u>

Income (loss) as certified by Matrix Trust Company for the year ended December 31, 2022 is as follows:

Net investment loss from registered investment companies	\$ (13,769,439)
Net investment gain for common/collective trust funds	\$ 67,602
Dividend income from registered investment companies	\$ 4,303,155

Matrix Trust Company also certified the information contained in the supplemental schedule of assets (held at end of year).

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D FAIR VALUE DISCLOSURES

GAAP provides a framework for measuring fair value using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value based upon whether the inputs to those valuation techniques are observable or unobservable. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical financial instruments and the lowest priority to unobservable inputs. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The financial instrument's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. These inputs are summarized in the three broad levels listed below:

Level 1 – Unadjusted quoted prices for identical financial instruments in active markets that the Plan has the ability to access.

Level 2 – Other significant observable inputs (including quoted prices in active or inactive markets for similar financial instruments), or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instruments.

Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the financial instruments. The fair value of Level 3 financial instruments is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

Following is a description of the valuation techniques used for investments measured at fair value. There have been no changes in the techniques used during 2022 and 2021.

Registered investment companies are valued at the market value of shares held by the Plan at year end.

Investments in common/collective trust funds are valued at net asset value which is calculated at the market value of the underlying investments less operating expenses of the trust or on per share basis.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques are appropriate and consistent with other market participants, the use of different techniques or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D FAIR VALUE DISCLOSURES (CONTINUED)

The tables below set forth by level with the fair value hierarchy the fair value of the investments held at December 31, 2022 and 2021:

	2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 41,234,944</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 41,234,944</u>
Total Investments in the Fair Value Hierarchy	41,234,944	-	-	41,234,944
Common/Collective Trust Funds Measured at Net Asset Value	<u>-</u>	<u>-</u>	<u>-</u>	<u>3,943,945</u>
Total investments at fair value	<u>\$ 41,234,944</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 45,178,889</u>

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 53,649,909</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 53,649,909</u>
Total Investments in the Fair Value Hierarchy	53,649,909	-	-	53,649,909
Common/Collective Trust Funds Measured at Net Asset Value	<u>-</u>	<u>-</u>	<u>-</u>	<u>3,851,838</u>
Total investments at fair value	<u>\$ 53,649,909</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 57,501,747</u>

The common/collective trust funds, which are measured at net asset value are made up of fixed income insurance products, have no unfunded commitments, can be redeemed on demand, and have no redemption notice period.

The following table provides additional information for common collective trusts which are measured at net asset value:

Investment Class	Fair Value		Unfunded Commitments	Redemption Frequency	Reduction Notice
	2022	2021			
Fixed Income	<u>\$ 3,943,945</u>	<u>\$ 3,851,838</u>	None	Daily	None

There were no significant transfers in and/or out of the fair value categories during 2022 and 2021.

NOTE E PARTY-IN-INTEREST

The Plan invests in various funds offered by Matrix Trust Company. These investments are considered party-in-interest transactions because Matrix Trust Company served as trustee of the Plan. The Plan Administrator has approved of these investment options.

NOTE F SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued.

On January 1, 2023, the Plan changed the trustee from Matrix Trust Company to Fidelity Management Trust Company.

Effective August 7, 2023, the Plan was amended to allow all future participants to be credited for eligibility purposes for all newly acquired companies acquired in a stock acquisition.

No subsequent events occurred, which require adjustment or disclosure to the financial statements at December 31, 2022.
