**INDEPENDENT AUDITORS' REPORT**

Administrative Committee  
Premier Service Company, Inc. 401(k) Retirement Plan  
Tuscaloosa, Alabama

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Premier Service Company, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Premier Service Company, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103.5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Premier Service Company, Inc. 401(k) Retirement Plan and to meet our other ethical

responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Premier Service Company, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and access the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Premier Service Company, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Premier Service Company, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets Held at December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Premier Service Company, Inc. 401(k) Retirement Plan**  
**Notes to Financial Statements**  
**December 31, 2022 and 2021**

**NOTE 1: Summary of Accounting Policies:**

**Basis of Presentation**

The financial statements of the Premier Service Company, Inc. 401(k) Retirement Plan (the "Plan") have been prepared on the modified cash basis of accounting, which is an acceptable method of reporting under regulations issued by the Department of Labor. Therefore, with the exception of appreciation or depreciation in the market value of investments, income and expense items are recognized only as cash as received or paid, and receivables, payables and accrued expenses are not reflected.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value with the exception of fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts. The contract value is the relevant measurement since it represents the amount that the participant would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the cash basis. Dividends are recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan's investments are held by the Trustee. The Trustee provides statements reflecting the Plan's investment assets, transactions, income, and reportable transactions. The Trust statements have been certified by the Trustee to be complete and accurate.

**Concentration of Credit Risk**

Substantially all of the Plan's assets as of December 31, 2022 and 2021 that were in the custody of Empower/MassMutual (the "Trustee") were invested in Pooled Separate Accounts with underlying mutual fund investments.

The Plan's exposure to accounting loss with respect to these financial instruments is limited to the carrying values stated in the statement of net assets available for benefits. Though the Plan's Administrative Committee (the "Committee") has no direct access to the underlying investment securities, the Committee periodically reviews the financial statements and investment ratings of the Trustee.

**Payment of Benefits**

Benefits are recorded when paid.

**Corrective Distributions**

Corrective distributions are recorded when paid.

**Operating Expenses**

All expenses of maintaining the Plan are paid by the Plan, with the exception of the quarterly Precision TPA Fees that are paid by the Company and totaled \$1,320 for both December 31, 2022 and 2021. Participant fees are charged to participant accounts.

**Use of Estimates**

The preparation of the financial statements requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

The following description of the Premier Service Company, Inc. 401(k) Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

1. **General** - The Plan is a defined contribution plan covering all employees of Premier Service Company, Inc. and Jackson Security Services, Inc. (as of January 1, 2015) who have completed one year of eligibility service of at least 1,000 hours and are twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Premier Service Company, Inc. (the "Company") is the Plan Administrator.

2. **Contributions** - Participants may contribute up to the limits established by federal tax laws. Additionally, the Plan was restated effective January 1, 2018 to convert to a Safe Harbor 401K Plan. Under the restatement, Premier Service Company, Inc. will annually make a Safe Harbor Matching Contribution for all eligible Employees who make Elective Deferral Contributions or Catch-Up Contributions during the year. The Company will contribute an amount equal to: 100% of the Matched Employee Contributions up to 3% of compensation plus 50% of the Matched Employee Contributions that exceed 3% but do not exceed 5% of compensation.

3. **Participant Accounts** - Each participant's account is credited with the participant's contribution, the Safe Harbor matching contribution and allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. **Loans to Participants** - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made or one-half the present value of the vested Account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan Account. Loan terms range from 1-5 years or 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Interest rates range from 4.25% to 7.25%. Principal and interest are paid ratably through weekly payroll deductions.

5. **Vesting** - Participants are immediately vested in their voluntary contribution and rollover contributions plus actual earnings thereon along with their Safe Harbor contribution. Vesting in the Profit Sharing portion of their accounts is based on years of vesting service. A participant is 100 percent vested after six years of credited service.

6. **Payment of Benefits** - Upon death, disability, retirement, or termination of services a participant may receive a lump-sum only amount equal to the value of his or her account.

7. **Forfeitures** - Forfeitures may be used to reduce future employer contributions. The forfeiture account balance at December 31, 2022 and 2021 was \$2,811 and \$2,776, respectively. Forfeitures of \$0 and \$0 were reallocated to participants in 2022 and 2021, respectively.

**NOTE 3: Tax Status:**

The Plan adopted a Prototype Plan established by CCH Incorporated d/b/a ftwilliam.com for a plan restatement with an effective date of January 1, 2008 (original effective date of plan January 1, 1993). The Prototype Plan obtained its latest determination letter on January 24, 2006 in which the Internal Revenue Service (IRS) stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed, and currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

In August 2018, the Plan adopted a Volume Submitter Plan established by CCH Incorporated d/b/a ftwilliam.com for a plan restatement with an effective date of January 1, 2018 (original effective date of plan January 1, 1993). The Volume Submitter Plan obtained its latest determination letter on June 30, 2020 in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Current accounting guidance for Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 consists of observable inputs other than quoted prices included in Level 1, and Level 3 consists of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

**Level 1 Fair Value Measurements**

There were no Plan assets for which fair value was determined used Level 1 inputs.

**Level 2 Fair Value Measurements**

*Pooled Separate Accounts*

These accounts are valued daily on the unit value calculated based on the observable net asset value (NAV) of the underlying investments. The underlying investments are mutual funds which are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Separate Account Interest Contracts* - See Note 6.

**Level 3 Fair Value Measurements**

Loans to participants are not actively traded and significant other observable inputs are not available. The fair value of loans to participants is based on the principal balance of the loans. The principal balance represents fair value, as the loans are secured by the participant's account balance and are specific to the participant who borrowed the amount.

**NOTE 6: Separate Account Guaranteed Interest Contracts (SAGICs)**

The Plan has entered into traditional fully benefit-responsive investment contracts with Empower/Mass Mutual Retirement Services. The SAGICs maintain contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals. The contract is included in the financial statements at contract value as reported to the Plan by the SAGICs. Contract value represents contributions made under the contracts, plus earnings, less participant withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 1, because the separate account guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is reviewed on a quarterly basis of resetting. The separate account guaranteed investments contracts do not allow the crediting interest rate to be below zero percent.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption from ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The separate account guaranteed investment contracts do not permit the insurance company to terminate the agreements unless the Plan is not in compliance with the investment agreement.

**Notes to Financial Statements**  
**December 31, 2022 and 2021**

**NOTE 7: Excess and Ineligible Contribution:**

There were no excess contributions for the years ended December 31, 2022 or 2021.

**NOTE 8: Plan Termination:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 9: Investment Options:**

The Plan provides for participant-directed investment options.

**NOTE 10: Related Party Transactions:**

Certain Plan investments are managed by Empower/MassMutual. Empower/MassMutual is the Trustee and record keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan Sponsors, Premier Service Company, Inc. and Jackson Security Services, Inc., withhold and remit participant deferrals and profit sharing contributions. Morrison & Smith, LLP audits the Plan. Stifel serves as the Plan's investment advisor.

**NOTE 11: Risks and Uncertainties:**

The Plan invests in various investment securities. Investments securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 12: Subsequent Events**

Management has evaluated subsequent events and their potential effects on these financial statements through October 13, 2023, the date on which the financial statements were available to be issued.
