INDEPENDENT AUDITOR'S REPORT

October 11, 2023

To the Plan Administrator of the
Human Technologies Corporation Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of Human Technologies Corporation Retirement Plan, an employee benefit plan subject to the Employees Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits as December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Human Technologies Corporation Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating

to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Technologies Corporation Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Human Technologies Corporation Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Technologies Corporation Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 1 - Description of Plan:

The following description of the Human Technologies Corporation (“Organization”) Retirement Plan (“Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

- A. General - The Plan is a defined contribution plan covering all eligible employees of the Organization. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended.
- B. Eligibility - Employees are eligible for elective deferrals upon date of hire and become eligible for the safe harbor matching and non-elective profit sharing contributions after attaining age twenty (21) and completing one year of service (1,000 hours) with the Organization. Prevailing wage contribution eligibility is based on work performed with the Organization subject to the prevailing wage law.
- C. Contributions - Participants may contribute up to 100% of their compensation to a maximum of \$20,500 for the 2022 plan year. Participants age 50 and over may contribute an additional “catch-up” contribution of up to \$6,500.

The Organization's safe harbor matching contribution is equal to 100% of the employee's first 3% of deferrals plus 50% of employee deferrals between 3% and 5% (4% maximum). Additional profit-sharing amounts may be contributed at the discretion of the Organization. For the years ended December 31, 2022 and 2021 matching contributions were approximately \$200,000 each year. There were no profit-sharing contributions for the years presented.

The Organization, based on Federal and State law, is required to provide supplemental benefits for those employees working on Federal and State contracts based on job classification and location. These benefits may be applied towards medical insurance premiums. Any unused or excess supplemental benefits are contributed to the plan as a health and welfare Qualified Non Elective Contribution (“QNEC”). These contributions will offset any safe harbor contributions to be made by the Organization on the participants behalf. For the years ended December 31, 2022 and 2021 contributions were approximately \$850,000 and \$770,000, respectively.

- D. Participant Accounts - Individual separate (participant directed) accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, their share of the Organization's contributions and actual earnings thereon. Participants direct investment of their account into various mutual funds and a fully benefit-responsive investment contract selected by the Plan's Administration.
- E. Vesting - Participants are immediately 100% vested in their contributions, employer safe harbor and prevailing wage contributions and earnings thereon. Participants will become 100% vested in employer nonelective profit sharing contributions and earning thereon upon completing three years of service (cliff vesting). A participant is also 100% vested upon reaching normal retirement age, or in the event of death or disability while employed by the Organization.

NOTE 1 - Description of Plan (Continued):

- F. Payment of Benefits - Payment of benefits will begin as soon as administratively feasible after a request has been made. Participant or their beneficiary may choose to receive account distributions either in a form of a lump-sum distribution or an annuity.
- G. Withdrawals - The Plan allows for hardship withdrawals for uninsured medical expenses, tuition payments, purchase of a primary residence or prevention of eviction or foreclosure on a primary residence. The Plan also allows for in-service withdrawals to participants attaining age 59 1/2.
- H. Forfeited Accounts - Forfeited balances, if any, of terminated participants' non-vested accounts are used to reduce future Organizations contributions or to reduce plan administration fees. Forfeitures for all years presented were not material.
- I. Participant Loans - Loans are not permitted by the Plan.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make certain estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value (See Note 3), except for fully benefit-responsive investment contracts (FBRIC). Contract value (See Note 4) is the relevant measure for that portion of the plan assets attributable to FBRIC because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Changes in fair value and contract value are included in the Statement of Changes in Net Assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments sold during the year as well as the change in net unrealized appreciation/depreciation of investments held at year end.

D. Payments of Benefits

Benefit payments are recorded upon distribution.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

E. Expenses

Administrative expenses are paid by the Plan, as provided in the plan document. Expenses that are paid by the Organization, such as audit fees are excluded from these financial statements. Fees related to the administration of distributions to participants are charged directly to the participant's account. Investment related expenses paid by the Plan are included in net appreciation of fair value of investments.

F. Date of Management's Review of Subsequent Events:

Subsequent events were evaluated through October 11, 2023, which is the date the financial statements were available to be released. There were no subsequent events requiring recording or disclosure in the financial statements.

NOTE 3 - Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consist of three broad levels as listed below:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets that the plan has the ability to access.
- Level 2 inputs consist of quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets and observable inputs other than quoted prices for the identical assets.
- Level 3 inputs consist of unobservable inputs that are significant to the fair value measurement and should be used only when Level 1 and Level 2 input are unavailable.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring Level 2 or Level 3 inputs for the periods presented.

Level 1 - Fair value Measurement

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

NOTE 3 - Fair Value Measurement (Continued):

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits and are summarized below, by Level within the Fair value Hierarchy:

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2022</u>		
Mutual Funds	<u>\$6,898,539</u>	<u>\$6,898,539</u>
<u>December 31, 2021</u>		
Mutual Funds	<u>\$7,738,241</u>	<u>\$7,738,241</u>

NOTE 4 - Investment Contract with Insurance Company:

The Plan entered into a FBRIC with Metropolitan Life Insurance Company (MetLife). MetLife maintains the contributions in a separate account. As described in Note 2(C), contract value is the relevant value because that is the amount participants will receive under the contract. Contract value, as reported by MetLife, represents contributions made, plus earnings, less withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events could limit the Plan's ability to transact at contract value with MetLife. Such events may include but are not limited to the following: (a) plan termination or merger with another plan, (b) transfers to other investments without meeting the Contract's provisions, (c) a significant withdrawal from the plan, (d) the failure of the trust to qualify for exemption from federal income taxes, or (e) a prohibited transaction under ERISA.

The Company does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value, is probable.

	<u>2022</u>	<u>2021</u>
Guaranteed interest rate credited to participants	1.98%	1.90%

NOTE 5 - Inactive Accounts:

Accounts of participants who have withdrawn from participation in the Plan but for whom distribution from the Plan has not been made, approximate \$1,250,000 and \$1,680,000 at December 31, 2022 and 2021, respectively.

NOTE 6 - Plan Termination:

Although the Organization has not expressed any intent to do so, it has the right to terminate the Plan at any time, subject to the provisions set forth in ERISA. In the event of Plan termination participants will become 100% vested in their accounts.

NOTE 7 - Tax Status:

The Internal Revenue Service (IRS) has determined that the Pre-Approved Prototype Plan by letter, dated June 30, 2020 is designed in accordance with the applicable section of the Internal Revenue Code (IRC). Although the Plan has been amended and restated since receiving the determination letter, the Plan administrator believes that the Plan, including all amendments, are currently designed and being operating in compliance with the applicable IRC and therefore believe that the Plan qualifies as tax-exempt.

The tax status of the Plan is subject to audit. Generally, years after January 1, 2020 are open to audit.

NOTE 8 - Risks, Uncertainties and Concentrations:

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values will occur in the near term and possible that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan's assets, although diversified through investment in several different mutual funds, are all held by Unified Trust a division of American Trust Company. The Plan is dependent on that Custodian for the safeguarding of its assets.

NOTE 9 - Reconciliation of Financial Statements to Form 5500:

NOTE 10 - Certified Investments:

Information related to investments and the ERISA-required supplemental schedule held at December 31, 2022 and 2021, including investment income for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by American Trust Company, the Plan's trustee and custodian.

NOTE 11 - Related-Party and Party-In-Interest Transactions:

Certain Plan investments are managed by American Trust Company (ATC). ATC is the custodian for the Plan and, therefore, these transactions qualify as Party-In-Interest transactions.

NOTE 12 - Legal Proceedings/Contingencies:

The Plan may engage legal counsel to defend itself against potential litigation actions whether asserted or anticipated as the Plan's management judges necessary in the circumstances. The Plan does not believe that there are any current actions that are either not covered by insurance or would have a material effect on its financial condition.
