Independent Auditor's Report

The Benefits Committee, Plan Administrator, and Plan Participants
Cornerstone Building Brands
401(k) Profit Sharing Plan
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Cornerstone Building Brands 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying 2022 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2022 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2022 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2022 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule of Non-Exempt Transactions for the year then ended are presented for purposes of additional analysis and are not required parts of the 2022 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other

additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of Cornerstone Building Brands 401(k) Profit Sharing Plan were audited by predecessor auditors whose report dated June 24, 2022, expressed an unmodified opinion on those financial statements.

Cornerstone Building Brands 401(k) Profit Sharing Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Cornerstone Building Brands 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description and Plan Document, which are available from the Plan administrator, for a more complete description of the Plan's provisions.

General

The Plan, established January 15, 1992, is a defined contribution plan covering all eligible employees (at least 18 years of age or older) of Cornerstone Building Brands, Inc. and its affiliates (the Company, Cornerstone Building Brands, the Employer, or Plan Sponsor).

On March 5, 2022, the Company entered into an Agreement and Plan of Merger (the CD&R Merger Agreement) with Camelot Return Intermediate Holdings, LLC (Parent) and Camelot Return Merger Sub, Inc. (Merger Sub). Parent and Merger Sub are subsidiaries of investment funds managed by Clayton, Dubilier & Rice (CD&R). Upon the terms and subject to the conditions of the CD&R Merger Agreement, among other things, Merger Sub merged with and into the Company (the CD&R Merger), with the Company surviving the CD&R Merger. The Plan Sponsor is not expected to change as a result of the transaction.

As a result of the CD&R Merger, all shares issued and outstanding immediately prior to the effective time of the CD&R Merger, other than shares held by affiliates of CD&R and other specified holders, were converted into the right to receive \$24.65 per share. Plan participants who owned shares of Cornerstone Building Brands stock at the time the transaction occurred had the proceeds of the CD&R Merger invested in an age-appropriate Vanguard Target Retirement Trust II fund.

The trustee and recordkeeper of the Plan is Fidelity Management Trust Company (Fidelity).

The Plan has been amended, from time-to-time. Effective January 1, 2020, in conjunction with the change in trustee and recordkeeper to Fidelity, the Plan was restated to a Fidelity Volume Submitter Plan Document, that was designed to comply with the provisions of the Internal Revenue Code (IRC) Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA). Effective October 29, 2021, the Plan was restated to a Fidelity Non-Standardized Pre-Approved Profit-Sharing Plan Document that is designed to comply with the provisions of EGTRRA.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective March 15, 2021, the Kleary Masonry 401(k) Plan & Trust (Kleary Plan) was merged into the Plan. Participant balances of approximately \$465,300, forfeiture balances of approximately \$3,100, and a loan balance of approximately \$500 were transferred into the Plan in March 2021.

Effective February 1, 2022, the Window Products, Inc. Profit Sharing and 401(k) Plan (Cascade Plan) was merged into the Plan. Participant balances of approximately \$15,330,000 and loan balances of approximately \$480,000 were transferred into the Plan in February 2022.

Effective February 1, 2022, the Prime Window Systems, LLC 401(k) Plan (Prime Window Plan) was merged into the Plan. Participant balances of approximately \$2,300,000 were transferred into the Plan in February 2022.

Notes to Financial Statements

Contributions

Participants may contribute on a pre-tax or after-tax Roth basis a minimum of 1% up to a maximum of 75% of their compensation (as defined by the Plan), limited to the maximum limit determined annually by the Internal Revenue Service (IRS). The Plan has a voluntary auto-increase feature allowing participants to designate a 1% to 3% automatic annual contribution increase to their accounts.

The Plan Sponsor contributes a Safe Harbor match of 100% of the first 3% of pay contributed by participants and 50% of the next 2% of pay contributed and contributes the match on a pay-period basis. The Company may also make a discretionary matching contribution in an amount determined by the Plan Sponsor for non-collectively bargained employees, not to exceed 4% of pay contributed to the Plan. Collectively bargained employees receive a non-discretionary match of the same percentage as the non-collectively bargained employees. Additionally, certain collectively bargained employees received a non-discretionary, non-elective contribution of 4% of their gross pay in lieu of a pension accrual through June 2022.

Participants direct the investment of their contributions, as well as the Company's contribution, into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds (including unitized portfolios) and common collective trust funds. Prior to the CD&R Merger, Cornerstone Building Brands stock was offered as an investment option.

Participants may elect to convert any eligible portions of their account into designated Roth contributions.

Rollover contributions to the Plan can also be made from other qualified plans if certain criteria are met.

Participant Accounts

Each participant's account is credited with participant contributions, Company contributions, and an allocation of Plan earnings, and is charged with withdrawals and an allocation of Plan losses and certain administrative expenses, such as participant loan fees, express mailing charges on requested distributions, frequent trading fees, and recordkeeping fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting and Forfeitures

Participants are immediately vested in their voluntary contributions plus earnings thereon. Participants are 100% vested in any Safe Harbor matching contributions. Participants are vested in the Company's discretionary and non-discretionary contribution portions of their accounts plus earnings thereon based on years of service (as defined in the Plan Document) pursuant to the specific vesting schedules in the Plan Document. All participants who were actively employed on January 1, 2020 had their accounts fully vested at that date. A participant becomes fully vested upon death, becoming disabled (as defined in the Plan Document), or attaining age 65.

A participant's non-vested balance is forfeited upon complete distribution of the participant's vested balance (after termination of service) or when the participant has incurred five consecutive breaks in service. Forfeitures may be used to pay for Plan administrative expenses and to reduce Employer contributions. At December 31, 2022 and 2021, forfeited, non-vested accounts totaled

Cornerstone Building Brands 401(k) Profit Sharing Plan

Notes to Financial Statements

approximately \$192,000 and \$270,000, respectively. For the years ended December 31, 2022 and 2021, Plan fees totaling approximately \$214,000 and \$241,000, respectively, were paid from forfeited, non-vested accounts, and approximately \$62,000 and \$204,000 were used to offset Employer contributions for 2022 and 2021, respectively.

Payment of Benefits

Upon termination of service, a participant may elect to receive partial, lump-sum, or installment amounts equal to the vested value of the participant's account or continue in the trust in such a manner as though the participant had not terminated (if the participant's account balance is greater than \$5,000), subject to minimum distribution rules as described in the Plan Document. Participants over the age of 59½ may make in-service withdrawals of the vested value of their accounts. Distributions prior to the age of 59½ are also permitted for hardship withdrawals in the event of an immediate and heavy financial need, as defined in the Plan Document.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balances, whichever is less. The loans are secured by the balances in the participants' accounts and bear interest at rates that are commensurate with local prevailing rates as determined by the Plan administrator. Interest rates on outstanding participant notes receivable ranged from 3.25% to 10.25% at December 31, 2022, and from 4.25% to 10.25% at December 31, 2021. Principal and interest payments occur ratably through regular bi-weekly payroll deductions over a period not to exceed five years, unless the notes receivable were used to purchase a primary residence in which case the note receivable terms may exceed five years. The Plan limits the number of loans a participant can hold to one outstanding loan at a time, and does not contain a loan requirement for hardship withdrawals.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Cornerstone Building Brands 401(k) Profit Sharing Plan

Notes to Financial Statements

Concentrations, Risks, and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The Plan's investments in the Wells Fargo Stable Return Fund, Cornerstone Small Cap Equity Unitized Portfolio, and the Cornerstone Large Cap Equity Unitized Portfolio represented 16%, 11%, and 20%, respectively, of the Plan's total investment balance at December 31, 2022, and 13%, 12%, and 23%, respectively, of the Plan's total investment balance at December 31, 2021.

Valuation of Investments and Income Recognition

The Plan offers investment in mutual funds, common collective trusts, and unitized portfolios for which the net asset value (NAV) is calculated by dividing the sum of the values of the underlying funds comprising the portfolio by the outstanding units of the portfolio. The unitized portfolios consist of investments in mutual funds and common collective trusts. Prior to the CD&R Merger in 2022, the Plan offered Company stock as an investment.

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Certain Plan investments are reported at fair value, with fair value measured using the NAV per share as a practical expedient. See Notes 3 and 4 for a discussion of fair value measurements.

Net appreciation (depreciation) in fair value of investments includes capital gains, realized gains, and losses on investments sold during the year and unrealized appreciation of investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance, and any accrued, unpaid interest was de minimis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Contributions

Participant contributions and related Employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation. Non-elective contributions are recognized in the year that the compensation was paid.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Cornerstone Building Brands 401(k) Profit Sharing Plan

Notes to Financial Statements

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. The annual plan recordkeeping fee of \$43 per participant is paid by Plan participants via an automatic quarterly deduction and investment consulting fees are paid quarterly from forfeitures.

3. Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. In determining the fair value, the Plan generally uses the market approach. The market approach uses prices and other relevant data based on market transactions involving identical or comparable assets and liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to

Notes to Financial Statements

transact at that price. The mutual funds held by the Plan are classified as Level 1 investments, except for the mutual funds, which are part of unitized portfolios for which the NAV is calculated by dividing the sum of the values of the underlying funds comprising the portfolio by the outstanding units of the portfolio, representing Level 2 measurements. The values of the funds are determined using the daily closing prices as reported by the funds. The mutual funds held by the Plan are deemed to be actively traded (market approach).

Cornerstone Building Brands Stock - The Cornerstone Building Brands Stock account was comprised of Cornerstone Building Brands stock and was valued at the closing price reported on the active market on which the individual security was traded.

Stable Value Common Collective Trust - This fund, which is a stable value fund, is valued at the NAV of units of the collective trust. The NAV, as provided by Fidelity, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This fund is a direct filing entity.

Common Collective Trusts - Equity Funds - The value of these funds is determined at the close of each business day at unit value (NAV as a practical expedient) and based on the fair value of the underlying investments. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Units are issued and redeemed only on a valuation date and at the NAV per unit computed on that date. These funds are direct filing entities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

(a) In accordance with Subtopic ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. Fair Value of Investments in Entities That Use NAV

The following tables set forth a summary of the Plan's investments with a reported NAV:

December 31,

	2022	2021	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period (Months)
Stable value common collective trust	\$ 87,401,548	\$ 86,589,663	None	Daily	None	12
Common collective trusts	192,504,942	-	None	Daily	None	None

5. Certified Investment Information

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee, a qualified institution, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as reported in the statement of net assets available for benefits as of December 31, 2022.
- Investment income (loss) and interest earned on notes receivable from participants as reported in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment amounts as reported in the notes to financial statements.
- Investment information included in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, reading the disclosures relating to the investment

information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP and whether the supplemental schedule is in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

6. Related Party Transactions

Certain Plan investments are mutual funds managed by Fidelity. Additionally, the Plan invested in shares of the Company's common stock and issues participant notes receivable. Such transactions qualify as party-in-interest transactions. These transactions are exempt from the ERISA prohibited transaction rules; thus, these transactions are permitted.

The Plan incurs expenses related to general administration. The Plan Sponsor pays certain expenses and accounting fees on behalf of the Plan.

The Plan held no shares of Cornerstone Building Brands stock at December 31, 2022 and 666,318 shares at December 31, 2021, valued at \$11,620,589. During the year ended December 31, 2022, purchases and sales of shares of Cornerstone Building Brands stock by the Plan totaled \$2,070,209 and \$18,464,370, respectively, and during the year ended December 31, 2021, purchases and sales of shares of Cornerstone Building Brands stock by the Plan totaled \$5,970,421 and \$9,611,436, respectively. For the years ended December 31, 2022 and 2021, the Plan had earnings of \$4,773,543 and \$7,007,929 on the shares of Cornerstone Building Brands stock, respectively. These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

During the year ended December 31, 2022, \$2,138 of administrative fees were paid by the Plan for an unrelated retirement plan, which resulted in a non-exempt transaction with a party-in-interest. The Plan administrator reimbursed the Plan for the non-exempt transaction amount in 2022 and will calculate and remit any related lost earnings in 2023. See the Schedule of Non-Exempt Transactions for the year ended December 31, 2022.

7. Plan Tax Status

The Plan, as amended and restated effective October 29, 2021, is a Non-Standardized Pre-Approved Profit-Sharing Plan with CODA. The sponsor of the document received an opinion letter from the IRS dated June 30, 2020 indicating that the document is designed in accordance with the applicable sections of the IRC.

The Company and the Plan administrator believe that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt as of the financial statement date, and no provision for income taxes has been included in the accompanying financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.
