Independent Auditor's Report

To the Plan Trustees of
PETRA Incorporated 401(k) P/S Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PETRA Incorporated 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related Statements of income, retained earnings and cash flows for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PETRA Incorporated 401(k) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than the amounts and disclosures agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Exercise professional judgment and maintain professional skepticism throughout the audit.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PETRA Incorporated 401(k) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Correction of Error

As discussed in Note 9 to the financial statements, employer contribution receivable was excluded on the statement of net assets available for benefits. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PETRA Incorporated 401(k) P/S Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PETRA Incorporated 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PETRA Incorporated 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule h, line 4a - schedule of assets (held at end of year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other

additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PETRA INCORPORATED 401(K) P/S PLAN

Notes to Financial Statements

For the Year Ended December 31, 2021

Note 1 -Description of the plan

(a) Description of the plan

The following description of PETRA, Incorporated's (the sponsor) defined contribution plan, PETRA Incorporated 401(k) P/S Plan (the plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the plan's provisions.

(b) General

The plan is a defined contribution plan formed on January 2, 1999 covering all full-time employees of the plan who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the plan. The plan Investment Committee determines the appropriateness of the plan investments, monitors investment performance, and reports to the plan Board of Trustees.

(c) Contributions

Each year, participants may contribute up to 100% of compensation on a pre-tax basis, as defined by the plan. Participants who have attained age 50 before the end of the plan year are eligible to make additional "catch-up" contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the plan. These contributions are limited to the maximum amounts allowed by applicable law. The sponsor may elect to contribute discretionary matching and profit sharing contributions as determined annually by its Board of Directors.

(d) Participant accounts

Each participant's account is credited throughout the year with (a) the participant's contribution, (b) the sponsor's matching contribution, (c) sponsor's elected profit sharing contribution, and (d) plan investment income and unrealized gains or losses. The sponsor's matching contribution is allocated based upon participant contributions. The sponsor's profit sharing contribution is allocated to the Profit Sharing Contribution Account of each eligible participant in pro rata shares. Earnings are allocated based upon individual accounts. The benefit to which a participant is entitled is the vested account balance of the participant.

(e) Notes receivable from participants

Participants may borrow from their fund accounts. The notes are secured by the vested balance in the participant's account and bear interest at rates determined by the loan provider, which are commensurate with local prevailing rates as determined by the Trustee at the date of the loan. Principal and interest is paid ratably through monthly payroll deductions.

PETRA INCORPORATED 401(K) P/S PLAN

Notes to Financial Statements

For the Year Ended December 31, 2021

Note 1 -Description of the plan (continued)

(f) Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Participants become vested in Sponsor matching and profit sharing contributions in 20% increments for each year of credited services beginning after one year of service. A participant is fully vested in nonelective contributions after five years of credited service.

(g) Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a five year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

(h) Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$28,345 and \$0, respectively. These accounts will be used to reduce future employer contributions and plan expenses.

Note 2 -Significant accounting policies

(a) Basis of accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

(b) Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from management's best estimates as additional information becomes available in the future.

PETRA INCORPORATED 401(K) P/S PLAN

Notes to Financial Statements

For the Year Ended December 31, 2021

Note 2 -Significant accounting policies (continued)

(c) Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make a loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant notes receivable is recorded as a benefit payment based on the terms of the plan document.

(d) Excess contributions payable

Contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to contributions. There were no excess contributions for the year ended December 31, 2021 and 2020.

(e) Payment of benefits

Benefits are recorded when paid. There were no participants who had elected to withdraw from the plan prior to year ended December 31, 2021 that were not paid until 2022.

(f) Investment valuation and income recognition

The plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

(g) Expenses

Certain expenses of maintained the plan are paid by the sponsor and are therefore excluded from these financial statements. Investment-related expenses included in net appreciation in fair value of investment and are paid by the participants of the plan. Fees for administration of notes receivable from participants are included in administrative expenses and are charged directly to participant's account

(h) Reclassifications

Certain amounts from previously reported financial statements have been reclassified to conform to the current year presentation.

PETRA INCORPORATED 401(K) P/S PLAN

Notes to Financial Statements

For the Year Ended December 31, 2021

Note 2 -Significant accounting policies (continued)

(i) Subsequent events

Subsequent events were evaluated through January 16, 2023, which is the date the financial statements were available to be issued.

Note 3 -Certified investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, and interest and dividends, for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Retirement, the trustee of the plan. The information certified at December 31, 2021 and 2020, includes total investments of \$2,378,301 and \$1,684,896 and related investment income of \$274,565 for the year ended December 31, 2021.

Note 4 - Fair value measurement

Assets are carried at fair value are classified and disclosed based on the following three-level hierarchy for fair value measurements:

Level 1	Quoted prices in active markets for identical assets or liabilities.
Level 2	Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.
Level 3	Unobservable inputs, where there is little or no market activity for the asset or liability. These inputs reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability, based on the best information available.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

PETRA INCORPORATED 401(K) P/S PLAN

Notes to Financial Statements

For the Year Ended December 31, 2021

Note 4 - Fair value measurement (continued)

The following table summarizes the plan's financial assets and liabilities measured at fair value at December 31, 2021:

	Quoted Prices in Active Markets for Identical Asset	Significant Other Observable Inputs	Significant Unobservable Inputs	Netting Adjustment	Total fair value measurement
	Level 1	Level 2	Level 3		
Mutual funds	\$ 2,378,301	\$ -	\$ -	\$ -	\$ 2,378,301

The following table summarizes the plan's financial assets and liabilities measured at fair value at December 31, 2020:

	Quoted Prices in Active Markets for Identical Asset	Significant Other Observable Inputs	Significant Unobservable Inputs	Netting Adjustment	Total fair value measurement
	Level 1	Level 2	Level 3		
Assets					
Mutual funds	\$ 1,684,896	\$ -	\$ -	\$ -	\$ 1,684,896

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

The plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer.

Note 5 -Related-party transactions and party in interest transactions

Certain plan investments are managed by John Hancock Retirement. John Hancock Retirement is the trustee and recordkeeper for the plan and, therefore, these transactions qualify as party in interest transactions.

John Hancock Retirement provides certain administrative services to the plan pursuant to a Master Plan Services Agreement (MSA) between the sponsor and John Hancock Retirement. John Hancock Retirement receives revenue from mutual fund service providers for services John Hancock Retirement provides to the funds. This revenue is used to offset certain amounts owed to John Hancock Retirement for its administrative services to the plan.

If the revenue received by John Hancock Retirement from such mutual fund service providers exceeds the amount owed under the MSA, John Hancock Retirement remits the excess to the plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants. During 2021 there were no excess amounts. The plan or sponsor may make a payment to John Hancock Retirement for administrative expenses not covered by revenue sharing.

PETRA INCORPORATED 401(K) P/S PLAN

Notes to Financial Statements

For the Year Ended December 31, 2021

Note 6 - Plan termination

Although it has not expressed any intent to do so, the plan has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the plan should be allocated to participant accounts and distributed in such a manner as the plan may determine.

Note 7 - Income taxes

The plan is a volume submitted plan and is not a prototype profit sharing plan. The plan obtained its latest determination letter dated September 30, 2014, in which the Internal Revenue Service stated thhe plan, as then designed, was in compliance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8 - Risk and uncertainty

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - Correction of error

An error has been corrected in the previously issued December 31, 2021 financial statements. The error occurred in the presentation on the statement of net assets available for benefits due to inadvertantly excluding a recievable line item. The line item excluded was the employer contribution receivable, which has now been correctly reflected on the statement of net assets available for benefits.
