Schedule H, Part IV, Item 4(i) - Schedule of Assets (Held at End of Year)	17

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
360insights (USA) Ltd. 401(k) Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of 360insights (USA) Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 360insights (USA) Ltd. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 360insights (USA) Ltd. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 360insights (USA) Ltd. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 360insights (USA) Ltd. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 360insights (USA) Ltd. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2021 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Compilation Report on the 2020 Financial Statements

Plan management is responsible for the accompanying 2020 financial statement of 360insights (USA) Ltd. 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2020 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion nor provide any form of assurance on these financial statements as of December 31, 2020.

360insights (USA) Ltd. 401(k) Plan
Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

1. DESCRIPTION OF THE PLAN

360insights (USA) Ltd. 401(k) plan (the "Plan"), is a defined contribution plan covering substantially all eligible employees of 360insights (USA) Ltd. (the "Company" or the "Plan Sponsor") pursuant to Section 401(a) and related provisions of the Internal Revenue Code (IRC). The Plan became effective May 24, 2018 and is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent amendments. All Plan assets are held by Voya Retirement Insurance and Annuity Company ("Voya" or the "Trustee"). Complete information regarding the Plan is included in the Plan document. Significant plan provisions are summarized below.

Plan amendments

Effective January 22, 2021, the Plan was amended and restated to comply with legislative and regulatory changes set forth in IRS Notice 2017-37 and to change the name of the Plan from 360incentives.com USA INC 401(k) Plan to 360insights (USA) Ltd. 401(k) Plan. Additionally, as part of the restatement, the Plan was amended to allow employees of AirPoints, Inc. dba Perks.com to participate in the Plan, and to merge the Perks 401(k) Plan (the "Perks Plan") into the Plan.

Eligibility

Employees of the Company are eligible to participate in the Plan upon the attainment of 21 years of age and completion of three months of service, as defined. Participants enter the Plan on the first day of the month coinciding with or next following satisfying the eligibility requirements. Employees covered by a union are not eligible to participate in the Plan.

Contributions

Participants may elect to contribute up to 100% of eligible compensation, up to the maximum allowed by the IRC. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified retirement plans.

The Company may make discretionary matching contributions and profit sharing contributions to the Plan of amounts authorized by the Company's Board of Directors up to the maximum amounts permitted by the IRC. For 2021, the Company's discretionary matching contributions are based on each participant's contribution of 100% of the total deferral amount up to 4% of the participant's eligible compensation. No discretionary profit sharing contributions were approved nor made during 2021.

Participant accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily.

1. DESCRIPTION OF THE PLAN (continued)

Participant accounts (continued)

Each participant's account is credited with (a) the participant's contributions, (b) an allocation of employer contributions, and (c) an allocation of investment earnings, and is charged with (a) withdrawals, (b) an allocation of investment losses, and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CARES Act

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), related to participant loans and distributions. The Organization has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2021.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 and a maximum amount of i) \$50,000 reduced by the excess of the highest outstanding note receivable balance over the prior twelve months over the outstanding balance of loans on the date a new note receivable is made or ii) 50% of their vested account balance, whichever is less. Notes receivable from participants are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1%. Participants may only have two notes receivable outstanding at a time. Principal and interest are paid ratably through payroll deductions over a period generally not to exceed five years, unless the funds are used for purchase of a principal residence in which case repayment terms may be extended.

Vesting

Participants are vested immediately in all contributions, plus actual earnings thereon.

Payment of benefits

Upon termination of service due to death, disability, retirement, or termination of employment, a participant is entitled to receive an amount equal to the vested interest in his or her account, payable in partial withdrawals or lump-sum form. In general, if a participant's vested account balance, as defined by the Plan, is greater than \$5,000, the account may not be distributed without the participant's consent.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age 59 ½. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits (continued)

Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with the provisions specified in the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available distributions prior to requesting a hardship withdrawal.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates

Risks and uncertainties

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedule.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by investment advisers, the trustee and the insurance company. See Note 3 for discussion of fair value measurements.

360insights (USA) Ltd. 401(k) Plan
Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and contributions receivable

Contributions from participants and related receivables, are recorded based on the date the contributions are separated from the participants' pay (pay date). The Plan records receivables for participants' contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Contributions from the Company are recorded in the year earned to coincide with the year in which the Company records the contributions to its general ledger. The Plan records receivables for Employer contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Rollover contributions from participants are recorded based on the date the rollover contributions have been received by the Plan's trustee.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid loan principal and interest due to the Plan will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs.

Payment of benefits

Benefits to participants are recorded by the Plan when actual payment is made.

Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payment transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. The Plan is not required to reimburse the Company for expenses paid on its behalf.

Subsequent events

The Plan evaluated events occurring between the end of the most recent fiscal year and through the report date, February xx, 2023, the date the financial statements and supplemental schedules were available to be issued. See specific subsequent events disclosed in Note 9.

3. FAIR VALUE MEASUREMENTS

The guidance for fair value measurement establishes the authoritative definition of fair value, sets out a framework for measuring fair value, and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Pooled separate accounts: Pooled separate accounts (PSA) are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The investments in the PSA are valued using net asset value (NAV) as a practical expedient to estimate fair value where NAV is based on the market value of its underlying investments. The PSA NAV is not a publicly -quoted price in an active market.
- Common collective trusts: The Small Cap Growth Fund II is a common collective trust administered by Wilmington Trust. This fund is valued at the NAV of units of a bank trust. The NAV, as provided by the Trustee, is used as practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner. The NAV is not a public quoted price in an active market.

Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

3. FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments, at fair value, that are valued using NAV as a practical expedient totaled \$7,221,809 and \$5,322,486 at December 31, 2021 and 2020, respectively.

4. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS

The Plan invests in the Voya Fixed Account, a fully benefit responsive contract with Voya. As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefit attributable to the investment contract. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Contributions under this contract are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk.

There are no unfunded commitments, redemption restrictions or notice period applicable to the guaranteed investment contract. Under the terms of the guaranteed investment contract, the Plan Sponsor must provide a minimum of 90 days' notice prior to redemption of the contract.

5. INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, Voya Retirement Insurance and Annuity Company, the trustee of the Plan, determined to be a qualified institution by the plan administrator, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and contract value, as shown in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.

360insights (USA) Ltd. 401(k) Plan
Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

5. INFORMATION CERTIFIED BY THE TRUSTEE (continued)

- Investment income and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan administrator has requested that the Plan's independent auditor perform no audit procedures on the certified information other than agree the certified information to the related information included in the financial statements and supplemental schedule

6. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Plan assets include investments in funds managed by Voya, an investment contract with Voya, notes receivable from participants, and contributions receivable from the Plan Sponsor. Voya serves as the trustee of the Plan and the recordkeeper, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions under ERISA. The Plan Sponsor pays directly certain fees related to the Plan's operations.

7. TAX STATUS

The Plan adopted a prototype plan document that received an opinion letter from the IRS on June 30, 2020. The opinion letter stated that the prototype plan document is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan, as adopted and amended, is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.

During the year ended December 31, 2021, the Plan administrator determined that certain operational errors existed with respect to the Plan. The Plan sponsor quantified and corrected these operational errors during the year ended December 31, 2022, including payment of lost interest.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, after deducting all charges and expenses, the balances of all individual accounts will be adjusted and the remaining assets distributed.

9. SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was amended to allow employees of Channel Maven Consulting to participate in the Plan and to merge the Channel Maven Consulting 401(k) Plan into the Plan.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During 2021, the Company failed to remit to the Plan's trustee certain employee contributions totaling \$15,944 within the period prescribed by DOL regulations. The delayed remittances are considered prohibited, or nonexempt, transactions. The Plan administrator has taken corrective action in 2022.

11. TRANSFERS OF ASSETS INTO THE PLAN

The Plan was amended on March 31, 2021 to merge in the assets of the Perks Plan. All of the assets of the Perks Plan participant accounts were transferred into the Plan in 2021 and included \$906,869 in cash and \$753 in participant loans. All existing participant account balances of the Perks Plan are 100% vested.

12. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31,:

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
360insights (USA) Ltd. 401(k) Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of 360insights (USA) Ltd. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 360insights (USA) Ltd. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 360insights (USA) Ltd. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 360insights (USA) Ltd. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 360insights (USA) Ltd. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 360insights (USA) Ltd. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2021 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Compilation Report on the 2020 Financial Statements

Plan management is responsible for the accompanying 2020 financial statement of 360insights (USA) Ltd. 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with the Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2020 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion nor provide any form of assurance on these financial statements as of December 31, 2020.

360insights (USA) Ltd. 401(k) Plan
Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

1. DESCRIPTION OF THE PLAN

360insights (USA) Ltd. 401(k) plan (the "Plan"), is a defined contribution plan covering substantially all eligible employees of 360insights (USA) Ltd. (the "Company" or the "Plan Sponsor") pursuant to Section 401(a) and related provisions of the Internal Revenue Code (IRC). The Plan became effective May 24, 2018 and is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent amendments. All Plan assets are held by Voya Retirement Insurance and Annuity Company ("Voya" or the "Trustee"). Complete information regarding the Plan is included in the Plan document. Significant plan provisions are summarized below.

Plan amendments

Effective January 22, 2021, the Plan was amended and restated to comply with legislative and regulatory changes set forth in IRS Notice 2017-37 and to change the name of the Plan from 360incentives.com USA INC 401(k) Plan to 360insights (USA) Ltd. 401(k) Plan. Additionally, as part of the restatement, the Plan was amended to allow employees of AirPoints, Inc. dba Perks.com to participate in the Plan, and to merge the Perks 401(k) Plan (the "Perks Plan") into the Plan.

Eligibility

Employees of the Company are eligible to participate in the Plan upon the attainment of 21 years of age and completion of three months of service, as defined. Participants enter the Plan on the first day of the month coinciding with or next following satisfying the eligibility requirements. Employees covered by a union are not eligible to participate in the Plan.

Contributions

Participants may elect to contribute up to 100% of eligible compensation, up to the maximum allowed by the IRC. Participants who have attained age 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified retirement plans.

The Company may make discretionary matching contributions and profit sharing contributions to the Plan of amounts authorized by the Company's Board of Directors up to the maximum amounts permitted by the IRC. For 2021, the Company's discretionary matching contributions are based on each participant's contribution of 100% of the total deferral amount up to 4% of the participant's eligible compensation. No discretionary profit sharing contributions were approved nor made during 2021.

Participant accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may change their investment options daily.

1. DESCRIPTION OF THE PLAN (continued)

Participant accounts (continued)

Each participant's account is credited with (a) the participant's contributions, (b) an allocation of employer contributions, and (c) an allocation of investment earnings, and is charged with (a) withdrawals, (b) an allocation of investment losses, and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

CARES Act

Effective March 27, 2020, the Plan administratively adopted the provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), related to participant loans and distributions. The Organization has until December 31, 2025, to amend the Plan for changes allowed by the CARES Act. The Plan has not been formally amended to adopt these provisions as of December 31, 2021.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 and a maximum amount of i) \$50,000 reduced by the excess of the highest outstanding note receivable balance over the prior twelve months over the outstanding balance of loans on the date a new note receivable is made or ii) 50% of their vested account balance, whichever is less. Notes receivable from participants are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1%. Participants may only have two notes receivable outstanding at a time. Principal and interest are paid ratably through payroll deductions over a period generally not to exceed five years, unless the funds are used for purchase of a principal residence in which case repayment terms may be extended.

Vesting

Participants are vested immediately in all contributions, plus actual earnings thereon.

Payment of benefits

Upon termination of service due to death, disability, retirement, or termination of employment, a participant is entitled to receive an amount equal to the vested interest in his or her account, payable in partial withdrawals or lump-sum form. In general, if a participant's vested account balance, as defined by the Plan, is greater than \$5,000, the account may not be distributed without the participant's consent.

In-service withdrawals of all or a portion of a participant's vested account balance may be withdrawn by a participant after reaching age 59 ½. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time.

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits (continued)

Withdrawals from the Plan may also be made upon circumstances of financial hardship, in accordance with the provisions specified in the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS) and a participant must exhaust all available distributions prior to requesting a hardship withdrawal.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to IRS penalties, unless the distribution is transferred to another qualified plan or individual retirement account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates

Risks and uncertainties

The Plan provides for investments in various investment securities, which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements and supplemental schedule.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by investment advisers, the trustee and the insurance company. See Note 3 for discussion of fair value measurements.

360insights (USA) Ltd. 401(k) Plan
Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions and contributions receivable

Contributions from participants and related receivables, are recorded based on the date the contributions are separated from the participants' pay (pay date). The Plan records receivables for participants' contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Contributions from the Company are recorded in the year earned to coincide with the year in which the Company records the contributions to its general ledger. The Plan records receivables for Employer contributions based upon the contributions recognized, less amounts received by the Plan as of the last day of the Plan year.

Rollover contributions from participants are recorded based on the date the rollover contributions have been received by the Plan's trustee.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. For participant loans that become delinquent, are not cured and result in default, the amount of the unpaid loan principal and interest due to the Plan will be treated as a deemed distribution. Deemed distributions are reported as a taxable distribution and remain part of the participant's account balance until a distributable event occurs.

Payment of benefits

Benefits to participants are recorded by the Plan when actual payment is made.

Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Certain administrative expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payment transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. The Plan is not required to reimburse the Company for expenses paid on its behalf.

Subsequent events

The Plan evaluated events occurring between the end of the most recent fiscal year and through the report date, February xx, 2023, the date the financial statements and supplemental schedules were available to be issued. See specific subsequent events disclosed in Note 9.

3. FAIR VALUE MEASUREMENTS

The guidance for fair value measurement establishes the authoritative definition of fair value, sets out a framework for measuring fair value, and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Pooled separate accounts: Pooled separate accounts (PSA) are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The investments in the PSA are valued using net asset value (NAV) as a practical expedient to estimate fair value where NAV is based on the market value of its underlying investments. The PSA NAV is not a publicly -quoted price in an active market.
- Common collective trusts: The Small Cap Growth Fund II is a common collective trust administered by Wilmington Trust. This fund is valued at the NAV of units of a bank trust. The NAV, as provided by the Trustee, is used as practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment adviser reserves the right to temporarily delay withdrawal from the trusts in order to ensure that securities liquidations will be carried out in an orderly business manner. The NAV is not a public quoted price in an active market.

Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

3. FAIR VALUE MEASUREMENTS (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments, at fair value, that are valued using NAV as a practical expedient totaled \$7,221,809 and \$5,322,486 at December 31, 2021 and 2020, respectively.

4. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACTS

The Plan invests in the Voya Fixed Account, a fully benefit responsive contract with Voya. As described in Note 2, because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefit attributable to the investment contract. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Contributions under this contract are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk.

There are no unfunded commitments, redemption restrictions or notice period applicable to the guaranteed investment contract. Under the terms of the guaranteed investment contract, the Plan Sponsor must provide a minimum of 90 days' notice prior to redemption of the contract.

5. INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, Voya Retirement Insurance and Annuity Company, the trustee of the Plan, determined to be a qualified institution by the plan administrator, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and contract value, as shown in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.

360insights (USA) Ltd. 401(k) Plan
Notes to Financial Statements
December 31, 2021 (Audited) and December 31, 2020 (Compiled)

5. INFORMATION CERTIFIED BY THE TRUSTEE (continued)

- Investment income and interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan administrator has requested that the Plan's independent auditor perform no audit procedures on the certified information other than agree the certified information to the related information included in the financial statements and supplemental schedule

6. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Plan assets include investments in funds managed by Voya, an investment contract with Voya, notes receivable from participants, and contributions receivable from the Plan Sponsor. Voya serves as the trustee of the Plan and the recordkeeper, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions under ERISA. The Plan Sponsor pays directly certain fees related to the Plan's operations.

7. TAX STATUS

The Plan adopted a prototype plan document that received an opinion letter from the IRS on June 30, 2020. The opinion letter stated that the prototype plan document is designed in accordance with the applicable sections of the IRC. The Plan administrator believes that the Plan, as adopted and amended, is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes is included in the Plan's financial statements.

During the year ended December 31, 2021, the Plan administrator determined that certain operational errors existed with respect to the Plan. The Plan sponsor quantified and corrected these operational errors during the year ended December 31, 2022, including payment of lost interest.

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, after deducting all charges and expenses, the balances of all individual accounts will be adjusted and the remaining assets distributed.

9. SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was amended to allow employees of Channel Maven Consulting to participate in the Plan and to merge the Channel Maven Consulting 401(k) Plan into the Plan.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During 2021, the Company failed to remit to the Plan's trustee certain employee contributions totaling \$15,944 within the period prescribed by DOL regulations. The delayed remittances are considered prohibited, or nonexempt, transactions. The Plan administrator has taken corrective action in 2022.

11. TRANSFERS OF ASSETS INTO THE PLAN

The Plan was amended on March 31, 2021 to merge in the assets of the Perks Plan. All of the assets of the Perks Plan participant accounts were transferred into the Plan in 2021 and included \$906,869 in cash and \$753 in participant loans. All existing participant account balances of the Perks Plan are 100% vested.
