INDEPENDENT AUDITORS' REPORT

The Plan Administrator
Aesculapian Management Company, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Aesculapian Management Company, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Aesculapian Management Company, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aesculapian Management Company, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence

we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aesculapian Management Company, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aesculapian Management Company, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aesculapian Management Company, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions, Schedule H, line 4i - Schedule of Assets (Held At End of Year), and Schedule H, Line 4(j) – Schedule of Reportable Transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AESCULAPIAN MANAGEMENT COMPANY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note A - Description of Plan

The following description of the Aesculapian Management Company, LLC 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all employees of Intercoastal Medical Group, Inc., Aesculapian Management Company, LLC, and Aesculapian Surgery Center, LLC d/b/a Intercoastal Medical Group Ambulatory Surgery Center, as of the first day of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). As of January 1, 2002, the name of the Plan was changed from Intercoastal Medical Group, Inc. to Aesculapian Management Company, LLC.

Contributions. Each year, participants may contribute 100% of pretax annual compensation, as defined in the Plan up to \$20,500 (\$27,000 for ages 50 and above) and \$19,500 (\$26,000 for ages 50 and above) for 2022 and 2021, respectively. Starting in 2006, the Plan allowed employees to make Roth contributions to their 401(k). Participants may also contribute amounts representing distributions from certain qualified retirement plans. These distributions will be placed in a separate account called a "participant's rollover account." In addition, the plan allows for contributions from the employer at the option of the employer's Board of Directors. For the years ending December 31, 2022 and 2021, the employer made a safe harbor non-elective contribution equal to 3% of the participant's annual compensation.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the employer's contribution and, (b) Plan earnings and losses. The allocation of the employer's contribution to participant accounts is determined by the Board of Directors on an annual basis. The allocation of Plan earnings and losses are based on participant account balances at the fund level using the daily valuation method, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant is 100% vested after four years of credited service.

Participant Notes Receivable. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance less any outstanding balances. Loan terms shall not exceed 5 years or a reasonable period of time for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest payments are credited to the participant's account.

AESCULAPIAN MANAGEMENT COMPANY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note A - Description of Plan (continued)

Administrative Costs. Aesculapian Management Company, LLC absorbs a portion of the administrative costs associated with the Plan.

Payment of Benefits. On termination of employment, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts. At December 31, 2022, and 2021, forfeited non-vested accounts totaled \$4,221 and \$4,741, respectively. These accounts are used to reduce future employer contributions and pay plan fees. Employer contributions were reduced by \$567 and \$2,578 in 2022 and 2021, respectively, from forfeited non-vested accounts. Forfeitures in the amount of \$0 were used to pay plan fees in 2022 and 2021.

Automatic Enrollment. Effective January 1, 2009, an automatic enrollment feature has been implemented in the Plan. Under this feature, eligible employees not previously making elective contributions to the Plan will have 3% of their eligible pay contributed to the Plan as a pre-tax elective contribution until a valid election is made to contribute more, less, or nothing.

Note B - Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits. Benefits are recorded when paid.

AESCLAPIAN MANAGEMENT COMPANY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note C - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note D - Information Prepared and Certified by Nationwide Financial Services, Inc.

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide Financial Services, Inc., the Plan's trustee, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statement of net assets available for benefits.
- Investment income, as shown in the statement of changes in net assets available for benefits.
- The schedule of assets (held at end of year) as of December 31, 2022, as shown in the supplementary schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary schedule.

Note E - Tax Status

The Plan obtained a determination letter on July 7, 2010, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note F - Excess Contributions

There were no excess contributions for the plan years ended December 31, 2022 and 2021.

AESCULAPIAN MANAGEMENT COMPANY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note G - Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Valued at the net asset value (NAV) of shares held by the Plan at year end.

Guaranteed investment contract - Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. (See note H)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note G - Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Note H – Investment Contract with Insurance Company

The Plan has a benefit-responsive guaranteed investment contract with Nationwide Financial Services, Inc. (Nationwide). Nationwide maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

AESCULAPIAN MANAGEMENT COMPANY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note H – Investment Contract with Insurance Company (continued)

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract at December 31, 2022 and 2021 was \$2,751,443 and \$2,020,224, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 0.5%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not have a maturity date and will continue in force until all assets have been distributed, or no further payments are due.

The fixed selected rates were as follows:

	<u>2022</u>	<u>2021</u>
First quarter	1.63%	1.69%
Second quarter	1.63%	1.64%
Third quarter	1.71%	1.63%
Fourth quarter	1.97%	1.63%

Note I - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

AESCULAPIAN MANAGEMENT COMPANY, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

Note J – Related-Party Transaction

Certain plan investments are shares of mutual funds managed by Nationwide Financial Services, Inc. Nationwide Financial Services, Inc. is the trustee as defined by the plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the plan for the investment management services and administrative services amounted to \$208,332 and \$21,806, respectively for the year ended December 31, 2022.

Note K – Delinquent Participant Contributions

Department of Labor regulations require the Sponsor to separate participant contributions from general assets as soon as practicable, but no later than the fifteenth business day of the month following the month of withholding from the participant's wages. During the year ended December 31, 2022, the Sponsor failed to timely remit participant contributions related to one pay period. Remittance occurred on January 19, 2023 along with approximately \$4,110 in lost earnings. Refer to Schedule H, line 4a - Schedule of Delinquent Participant Contributions.

Note L - Subsequent Events

Subsequent events have been evaluated through October 11, 2023, the date the financial statements were available to be issued.
