INDEPENDENT AUDITOR'S REPORT

To the Benefits Administrative Committee of
Weatherford International, LLC 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Weatherford International, LLC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i), schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WEATHERFORD INTERNATIONAL, LLC 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN:

The following description of the Weatherford International, LLC 401(k) Savings Plan (“the Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established by the board of directors (“the Board of Directors”) of Weatherford International, LLC (“the Plan Sponsor”). Weatherford International, LLC is an indirect, wholly-owned subsidiary of Weatherford International plc (“the Company”).

The Board of Directors appointed a committee (“the Benefits Administrative Committee”) to administer the Plan. Bank of America, N.A. serves as asset custodian and trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Eligibility

All employees are eligible to participate in the Plan on their dates of hire, other than employees who are subject to collective bargaining agreements and have not bargained to participate, employees who are nonresident aliens and receive no U.S.-source income from the Plan Sponsor, and employees who are members of other retirement plans sponsored by the Plan Sponsor or one of its subsidiaries outside the United States or employed by an affiliate company that has not adopted the Plan.

An employee shall be eligible for purposes of sharing in employer matching or discretionary contributions on the first day the employee completes an hour of service.

Contributions

An eligible employee may elect to contribute by payroll deductions to the Plan on a pre-tax and/or Roth basis subject to certain limitations, up to 50 percent and on an after-tax basis, up to 16 percent of his or her considered compensation, as defined by the Plan. In addition, participants may contribute amounts representing rollovers and/or direct transfers from other qualified plans.

Employees who are eligible to make elective deferrals under the Plan and who have attained the age of 50 before the close of the Plan year are permitted to make catch-up contributions subject to certain limitations.

The Plan Sponsor automatically deducts and contributes to the Plan three percent of the considered compensation as a pre-tax contribution for each newly eligible employee who has not voluntarily elected a salary deferral. No automatic deduction is taken for those employees who have elected to defer a different percentage of covered compensation or for those who have elected not to participate in the salary deferral. In addition, for those participants with a pre-tax contribution rate of between one percent and five percent, their rate will be increased automatically by one percent annually to a maximum of six percent, unless they elect to opt out of the automatic increase.

The Plan Sponsor shall make matching contributions equal to 100 percent of the participant’s pre-tax and/or Roth contributions up to four percent of considered compensation, as defined by the Plan, on a plan year basis. Considered compensation, as defined by the Plan, is used to calculate the Plan Sponsor match. The Plan Sponsor, solely at the discretion of

WEATHERFORD INTERNATIONAL, LLC 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS – (continued)

the Board of Directors, may make additional discretionary contributions. There were no additional discretionary contributions made for the year ended December 31, 2022.

Participant Accounts

Each participant's account is charged with certain expenses and credited with the participant's contributions, the Plan Sponsor's matching contributions, an allocation of the Plan Sponsor's discretionary contribution, if any, and Plan earnings or losses thereon. Earnings or losses are allocated by investment based on the ratio of the participant's account invested in a particular investment to all participants' accounts in that investment.

Investment Options

For the year ended December 31, 2022, participants had the following investment options: 17 mutual funds, two collective trusts, and a money market account. Weatherford International plc ordinary shares ("Weatherford Shares") were removed as an investment option effective January 1, 2016, however, participants with an investment in those shares were allowed to retain that investment if so desired. Participants with Weatherford Shares can choose to move money out of that investment and into another investment but may not purchase additional shares within the Plan, as previously mandated effective January 1, 2016. In addition, each participant who has an investment in Weatherford Shares has the right to vote the shares in his or her account with respect to any matter that comes before the shareholders for a vote.

Vesting

Participants are immediately vested in their elective deferral, rollovers from other qualified plans, Plan Sponsor match and discretionary contributions.

Notes Receivable from Participants

Participants may borrow from their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the preceding one-year period or one half of the fair value of the participant's vested account balance. Loan maturity dates range from one year to five years except when the loan is used to purchase a participant's principal residence. In the case of home loans, all such loans are required to be repaid within ten years. The loans are fully secured by a pledge of the participant's vested account balance and bear interest at the prime rate as reported in *The Wall Street Journal* at the date of the loan plus one percent or at a rate determined by the Benefits Administrative Committee.

Withdrawals and Terminations

A participant may withdraw the value of his or her after-tax contributions or rollover contributions from the Plan at any time and for any reason during the year, with a minimum withdrawal of \$500. The participant's pre-tax contributions, Roth contributions and Plan Sponsor contributions will be available to a participant who has attained age 59-1/2 or in the event of severe and immediate financial hardship.

In the event of normal retirement, total and permanent disability or death while actively employed, the full value of the participant's account balance will be made available to the participant or his or her beneficiary as a lump sum. Upon termination of employment, the participant's entire account balance will be available for withdrawal. If a participant has not elected otherwise, all mandatory distributions less than \$1,000 are paid directly to the participant, while those in excess of \$1,000, but not greater than \$5,000, are automatically rolled over into individual retirement accounts selected by the Benefits Administrative Committee.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements are prepared and presented in accordance with the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and schedules. Actual results could differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative fees and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Income Recognition

Interest and dividend income is recorded when earned. Purchases and sales of securities are recorded on a trade-date basis. Realized gains (losses) on the sale of investments and unrealized appreciation (depreciation) in the fair value of investments are shown as net appreciation (depreciation) in fair value of investments on the Statement of Changes in Net Assets Available for Benefits. No dividends were paid on Weatherford Shares during 2022.

Payment of Benefits

Benefits are recorded when paid.

Expenses of the Plan

Participant accounts are charged and credited quarterly for recordkeeping fees and revenue sharing, respectively. Other administrative fees incurred by the Plan are paid by the Plan Sponsor, except for participant loan fees, which are paid from the account of the participant requesting the loan. Fees that are paid by the Plan Sponsor are excluded from these financial statements.

3. INFORMATION CERTIFIED BY THE TRUSTEE:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A., the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021 and the Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022, and the related investment activity and interest income on notes receivable from participants reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022.

4. FAIR VALUE MEASUREMENTS:

Accounting Standards Codification 820, *Fair Value Measurement* ("ASC 820"), defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy that distinguishes between market participant assumptions developed based on market data obtained from independent sources (observable inputs) and an entity's own assumptions about market participant assumptions developed based on the best information available in the circumstances (unobservable inputs). The fair value hierarchy consists of three broad levels, which gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 — Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 — Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (e.g., interest rates); and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 — Inputs that are both significant to the fair value measurement and unobservable.

WEATHERFORD INTERNATIONAL, LLC 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS – (continued)

In accordance with ASC 820, the following tables present the Plan's investments that are measured and recognized at fair value on a recurring basis classified under the appropriate level of the fair value hierarchy as of December 31, 2022 and 2021:

	December 31, 2022		
	Level 1	Level 2	Total

Total investments, at fair value	\$ 429,613,927	\$ —	\$ 588,662,899

- (a) This category includes an interest-bearing bank account that is insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000 per plan participant. This category also includes a sweep account for the unallocated cash in the Plan resulting from year-end activity. Both money market accounts are valued at net asset value ("NAV").
- (b) Mutual funds are valued at the NAV reported on the active market on which the fund is traded.
- (c) The investment in common stock is Weatherford Shares, which are valued at the closing price reported on the active market on which the securities are traded.
- (d) This category includes a collective trust that is designed to provide preservation of principal, maintain required liquidity, and provide interest income consistent with prevailing market conditions and rates. The trust invests primarily in synthetic guaranteed investment contracts. Participant-directed redemptions have no restrictions and can be initiated daily; however, the Plan is subject to a twelve-month notice provision if redemption is initiated. There were no unfunded commitments for these investments as of December 31, 2022 or 2021. The fair value of the investment in this category has been determined using NAV as a practical expedient.
- (e) This category includes a collective trust that is designed to approximate the capitalization weighted total rate of return of U.S. publicly traded equity securities of larger companies. The trust invests primarily in a portfolio of equity securities included in Standard & Poor's 500 Composite Stock Price Index. There are currently no redemption restrictions on this investment and redemptions can be initiated daily. There were no unfunded commitments for these investments as of December 31, 2022 or 2021. The fair value of the investment in this category has been determined using NAV as a practical expedient.

WEATHERFORD INTERNATIONAL, LLC 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS – (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2022 or 2021. The inputs and methodologies used for valuing securities are not an indication of the risk associated with investing in those securities.

5. RISKS AND UNCERTAINTIES:

The Plan provides for various investments in collective trusts, a money market fund, mutual funds, and common stock. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits and participant account balances.

6. PARTY-IN-INTEREST TRANSACTIONS:

Certain investments of the Plan are maintained by Bank of America, N.A. Bank of America, N.A. is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Additionally, a portion of the Plan's assets were invested in Weatherford Shares as of December 31, 2022 and 2021. Because the Plan Sponsor was an indirect, wholly-owned subsidiary of Weatherford International plc at December 31, 2022 and 2021, transactions involving Weatherford Shares qualify as party-in-interest transactions. All of these transactions, including notes receivable from participants, were exempt from the prohibited transactions rules.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. TAX STATUS:

The Plan received a determination letter from the Internal Revenue Service ("IRS") dated March 9, 2016 stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's legal counsel believe the Plan's operations are in compliance with the Code and therefore, believe the Plan remains qualified and the related trust remains tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan to determine if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Net assets available for benefits per the Form 5500	\$ 488,090,844	\$ 597,960,123

The following is a reconciliation of the net change in net assets available for benefits per the financial statements for the year ended December 31, 2022 to the Form 5500:

Net change in net assets available for benefits per the financial statements	\$ (109,707,950)
Amounts allocated to withdrawing participants at December 31, 2022	(244,467)
Amounts allocated to withdrawing participants at December 31, 2021	83,138
Net change in net assets available for benefits per Form 5500	<u>\$ (109,869,279)</u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, 2022 and 2021, but not yet paid as of that date.

10. SUBSEQUENT EVENTS:

Effective April 3, 2023, T. Rowe Price Trust Company became the asset custodian and trustee and T. Rowe Price Retirement Plan Services, Inc. became the recordkeeper of the Plan. To complete the transition, restrictions were temporarily in place between March 22, 2023 and April 28, 2023 limiting a participants ability to direct or diversify investments in their individual accounts, obtain a loan or distribution, or other rights under the Plan. Participant account balances were allocated to the same investment as before, a replacement investment with risk and return characteristics and other features similar to previous investments offered, or a qualified default investment.

Management has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.
