Independent Auditor's Report

Board of Trustees
Grace Healthcare Services, LLC 401(k) Plan

Opinion

We have audited the accompanying financial statements of the Grace Healthcare Services, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the years ended December 31, 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 15 through 18 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GRACE HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies

The following description of the Grace Healthcare Services, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan first became effective January 1, 2006 as a defined contribution profit sharing plan covering eligible employees of Grace Healthcare Services, LLC (the "Company" or "Plan Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

Purpose

The purpose of the Plan is to enable and encourage retirement savings for eligible participants.

Participation

Employees of the Company are eligible to participate at the beginning of the calendar quarter following completion of 83.33 hours of employment during their first month of employment. An employee failing to work 83.33 hours in the first month of employment, will be eligible to participate in the plan after one year of service, defined as 1,000 hours in a 12 month period.

GRACE HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Vesting

Participants are 100% vested in the contributions they make to the Plan including salary deferrals and rollover contributions, plus actual earnings thereon.

Participants are vested in matching contributions subject to a six year schedule as follows:

<u>Years of Credited Service</u>	<u>Vested Percentage</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

The above vesting schedule no longer applies once a participant reaches normal retirement age. Thus, if still employed with the Company at normal retirement age, a participant will become 100% vested in all contributions under the Plan. Participants will also be fully vested in their entire account balance if the Plan is terminated.

Benefits

A participant, or the participant's beneficiary, is entitled to receive benefits, if the participant:

1. Attains age 65 or is a participant for 5 years, whichever is later
2. Dies
3. Becomes disabled
4. Attains age 59 1/2, and is an active participant of the Plan
5. Terminates employment

Plan regulations mandate that the distribution of a participant's benefit commences when the participant attains age 72, or retires, whichever occurs later.

Active participants may take withdrawals from their rollover contributions at any time.

GRACE HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Benefits (cont'd)

Benefits are recorded when paid.

A participant may elect any one of the following methods of payment:

- a. One lump sum
- b. Partial withdrawals
- c. Direct rollover

In accordance with IRS Regulations, minimal account balances may be distributed in one lump sum payment without consent of the participant.

Hardship withdrawals

In the event of certain financial hardships, as defined in the Plan, a participant may apply for a distribution from his/her account upon satisfying certain conditions.

Participant accounts

Individual accounts are maintained for each participant of the Plan and are "participant directed" for investment purposes. Under this strategy, each participant directs the investment of his/her account into various investment options offered by the Plan. Each participant's account is credited with contributions made on his/her behalf. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Participants that terminate service prior to being fully vested in their employer match contributions will forfeit the amount in which they are not vested at the earlier of the date they receive a distribution of their vested account balance or the date they incur five consecutive one year breaks in service.

For the years ended December 31, 2022 and 2021 forfeitures used to reduce employer contributions were \$17,444 and \$24,715, respectively.

GRACE HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Notes receivable from participants

A participant may generally borrow up to 50% of the amount in his or her individual account not to exceed \$50,000, and may not have more than one loan outstanding at any time. The loans are secured by the balance in the participants' accounts. Loans are limited to purposes defined in the Plan and bear interest at the prime interest rate, plus one percentage point. In general, loans must be repaid at least quarterly over a period of five years. Loans relating to the purchase of a principal residence must be repaid in accordance with terms set by the Plan Sponsor.

Notes receivable from participants are measured at their unpaid principal balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021 no allowances for credit losses has been recorded. If a participant does not make loan repayments in accordance with the terms of the loan and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Plan termination

The Plan Sponsor expects and intends to continue the Plan indefinitely, but reserves the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, the rights of all affected participants and beneficiaries, to the value of the amounts credited to participants' accounts, shall be non-forfeitable and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

Basis of accounting

The financial statements are presented on the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. See "Fair value measurements" footnote for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

GRACE HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Administrative costs

The Plan Sponsor has agreed to assist in the administration of the Plan and absorb certain administrative costs related to the Plan.

Note 2 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices, in active markets, for identical assets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 inputs are generally based on the best information available, which may include the reporting entity's own assumptions and data.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Registered investment companies: Valued at the closing price reported in the active market in which the securities are traded.

Investments measured at net asset value: Common/collective trust fund values are estimated by the management of the investment entities.

GRACE HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 2 - Fair value measurements (cont'd)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables below are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2022, with fair value measurements on a recurring basis:

	<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments at fair value

Investments at fair value	\$ <u><u>4,436,869</u></u>

GRACE HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 3 - Common/collective trust funds

The American Century Retirement Readiness Series collective investment trusts ("AC-CIT") are only available to plans that are on the Nationwide Retirement platform. The AC-CIT series is comprised of various target-date funds designed to shift the asset allocation mix to more conservative as the target date (usually retirement) approaches. The estimated fair value of the Plan's investment in the AC-CIT series as of December 31, 2022 was \$2,332,946.

Note 4 - Unallocated insurance contract

The Nationwide Fixed Select Option is a fully benefit-responsive investment contract with Nationwide Life Insurance Company. This investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate transactions under the terms of the Plan. The fair market value is equal to the contract value less any contingent deferred sales charges, if applicable, and market value adjustment. The guaranteed interest crediting rate is set quarterly, and has a minimum of .5%. The contract value of the investment contract as of December 31, 2022 and 2021 was \$26,292 and \$33,836, respectively.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events may limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers, which would also limit the ability of the Plan to transact at contract value with the participants.

Note 5 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Note 6 - Party-in-interest transactions

Certain Plan investments are held by the manager of the investment; therefore, transactions relating to those investments qualify as exempt party-in-interest transactions and are identified as such on the supplemental schedules of investments.

GRACE HEALTHCARE SERVICES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

Note 7 - Employer and participant contributions

Participants may elect salary deferrals of up to the annual maximum established by the IRS during any plan year. Participants who are age 50 at the end of any calendar year may make "catch up" contributions up to the annual maximum established by the IRS during any plan year. The Plan also accepts rollover contributions or transfers to the Plan with the approval of the Plan Sponsor. The Company may make discretionary matching contributions for Plan participants that satisfy all the eligibility requirements as noted in the plan documents.

There were no refunds of contributions received in excess of IRS limits for the years ended December 31, 2022 and 2021.

Note 8 - Reconciliation of participants' accounts to net assets available for benefits

	<u>2022</u>	<u>2021</u>
Value of participants' accounts	\$ 4,463,161	\$ 5,138,551
Notes receivable from participants	112,719	45,816

Net assets available for benefits	\$ <u><u>4,803,801</u></u>	\$ <u><u>5,405,318</u></u>

Note 9 - Reconciliation of financial statements to Form 5500

For financial statement purposes, participant loans are required to be classified as notes receivable from participants. This differs from the reporting requirements of the Department of Labor which requires that these assets be shown as investments.

For financial statement purposes, investment expenses are reported as a reduction of investment income. The reporting requirements of the Department of Labor require these fees be shown as administrative expenses.

Note 10 - Tax status

The Plan has received a determination letter from the IRS dated June 30, 2020, stating that the Plan is qualified under Section 401(a) and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code. The Trustees believe that the Plan, including amendments subsequent to the IRS determination, is currently designed and operated in compliance with the requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.
