## INDEPENDENT AUDITORS' REPORT

To the Administrator of the  
High Mowing School 403(b) DC Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of High Mowing School's 403(b) DC Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of High Mowing School's 403(b) DC Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of High Mowing School's 403(b) DC Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about High Mowing School's 403(b) DC Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud

may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that,

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of High Mowing School's 403(b) DC Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about High Mowing School's 403(b) DC Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to

auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HIGH MOWING SCHOOL, INC.  
403(b) DC PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

1. Summary of significant accounting policies:

Basis of presentation – The Plan’s financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Valuation of investments – Investment values are based on quoted market value. The resulting unrealized (depreciation) appreciation has been reflected in the changes in net assets available for plan benefits.

Investment income – Interest and dividend income from investments is recorded as earned on an accrual basis. Realized gains and losses on sales of investments are determined using the average cost method.

Contributions – Participant contributions are recorded in the period in which the employee deductions are made.

2. Description of plan:

The following description of the High Mowing School, Inc. 403(b) DC Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan available to all employees of High Mowing School, Inc. (the School), on the date of hire. The Plan is under Section 403(b) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Trustee – The Plan assets are administered by Trustees who are appointed by the School.

Contributions – Participants may elect to contribute a percentage of their compensation to the Plan on a pre-tax basis, subject to Internal Revenue Code (IRC) limitations. Contributions are made by payroll deduction. The percentage contributed may be changed at any point in the payroll cycle.

The School does not match employee contributions.

HIGH MOWING SCHOOL, INC.  
403(b) DC PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

An eligible employee, at the discretion of the trustee, may transfer tax free to the Plan a distribution from another qualified plan provided the transfer qualifies as a rollover contribution under the IRC.

Participant accounts – Participant accounts are credited with their contributions and plan earnings (based on the participant's account balance). The benefit to which a participant is entitled upon withdrawal is the benefit that can be provided from the participant's account.

Vesting – Participants are always 100% vested in all of their Plan accounts.

Benefits and withdrawals – If a participant's employment terminates for any reason, he/she is entitled to receive the vested value of his/her account in different distribution methods. The Plan will not make a mandatory distribution following severance from employment. Participant consent is required for all distributions.

The following distribution methods are available for a participant:

- A single lump-sum payment
- Installments over a period of time not more than the participant's life expectancy
- An annuity contract that the Vendor provides or purchases with your vested account balance
- Ad hoc distributions. Participants may request a distribution of some or all of their Plan accounts, at any time following their termination of employment, subject to any reasonable limits regarding timing and amounts as the Plan Administrator or their investment arrangements may impose.

If a participant dies while still employed by the School, the account balance will be used to provide their beneficiary with a death benefit.

A participant who has attained the age of 59 ½ may withdraw any portion of the value of his/her account subject to established limitations on the frequency of withdrawals and on the minimum amount that may be withdrawn.

The Plan provides withdrawals for hardship. The hardship distribution is not in addition to other benefits and will therefore reduce the value of the benefits received upon termination of employment or other event entitling the participant to their account balance.

Loans receivable – The Plan provides that participants may borrow funds from the Plan in amounts not greater than 50% of the participant's vested benefits and which do not exceed \$50,000. The loan must provide at least quarterly payments under a level amortization schedule over a period not to exceed 5 years. No loan in an amount less than \$1,000 will be granted to any participant for any single loan. Loan refinancing is not permitted.

3. Fair value measurements:

The Plan's investment assets are reported at fair value in the accompanying statements of net assets available for benefits. FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

- Level 1- Quoted prices in active markets for identical assets
- Level 2- Significant other observable inputs
- Level 3- Significant unobservable inputs

Assets at fair value as of December 31, 2022:

|                                    | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u>    | <u>Total</u>        |

HIGH MOWING SCHOOL, INC.  
403(b) DC PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

4. Administrative expenses:

Investment fees are paid from earnings before they are posted to the Participant's accounts. For the fiscal years ended December 31, 2022 and 2021, total Plan fees amounted to \$24,475 and \$22,523, respectively.

5. Tax status:

A 403(b) plan is not required to have an Internal Revenue Service determination as to its qualified status. The Plan has been amended; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting standards generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator is unaware of any uncertain tax positions taken by the Plan. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.

6. Plan termination:

Although it is the School's expectation that the Plan and the payment of contributions will be continued indefinitely, the School may terminate the Plan at any time. In the event of the plan termination, no further contributions will be made to the Plan and each participant becomes fully vested and is entitled to receive their entire interest in the Plan.

HIGH MOWING SCHOOL, INC.

No subsequent events were noted that would require disclosure in the Plan's financial statements as of this date.

9. Party in interest transactions:

A party in interest is defined to include any person providing services to the Plan. The Plan has separate service providers for custodianship of the assets, accounting, asset management and bookkeeping services.
