Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the **Turner, Padgett, Graham & Laney 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters — Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2022 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1. Description of Plan

The following description of the Turner, Padget, Graham & Laney P.A. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Turner, Padget, Graham, & Laney, P.A. (the Company). Each full-time employee is eligible to participate on the first plan entry date following the attainment of age 21 and the completion of a six-month service period. Part-time employees are eligible to participate on the first plan entry date following the attainment of age 21 and completion of at least 1,000 hours of service. Plan entry dates are the first day of each month. The Plan has an automatic enrollment feature so that newly eligible participants begin making salary deferral contributions to the Plan, unless they elect not to do so, with a default deferral rate of 3% of eligible compensation. Effective August 1, 2018, the Company signed an addendum that removed automatic enrollment for employees with a re-employment commencement date. Contributions are automatically invested in a balanced fund until changed by the participant.

Effective August 8, 2022, the Plan was amended to reflect a change in custodian and manager from Fidelity to OneAmerica investments. As a result of this change, participants can no longer contribute to investment options offered by Fidelity. OneAmerica serves as the trustee of the Plan, and certain members of management serve on an advisory committee which oversees the governance of the Plan, including determining the appropriateness of the investment offerings and monitoring investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA) of 1974.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") was passed by Congress. The CARES Act, among other things, includes several temporary relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and approved changes to the Plan in 2020 to temporarily (i) add COVID-19-related distributions of up to \$100,000 for eligible participants, (ii) permit employees to repay COVID-19 related distributions within three years of the date of distributions as a rollover contribution, (iii) increase the limit on Plan loans for eligible participants to the maximum permitted under the CARES Act, (iv) suspend payments on Plan loans otherwise due in 2020 for eligible participants, and (v) suspend required minimum distributions for 2020. These temporary CARES Act provisions expired at the end of 2020. The Plan will be amended to reflect these changes prior to the December 31, 2025, deadline.

Contributions

Participants may contribute from 1% to 60% of their pretax annual compensation, as defined in the Plan, subject to the limitations as defined in the Internal Revenue Code (IRC).

Effective January 1, 2019, the Company adopted safe harbor non-elective contribution provisions. Under these provisions, the Company must contribute safe harbor non-elective contributions equal to 3% of each eligible participant's annual compensation. The Company made safe harbor non-elective contributions of approximately \$392,000 and \$412,000 for the years ended December 31, 2022 and 2021, respectively.

Each year the Company may contribute to the Plan a discretionary matching amount and/or a discretionary profit-sharing amount determined annually by the Company's Executive Committee. No discretionary profit-sharing contributions were made during the years ended December 31, 2022 and 2021.

TURNER, PADGET, GRAHAM & LANEY, P.A.
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1. Description of Plan (Continued)

Contributions (continued)

Qualified non-elective contributions may be made by the Company in order to satisfy the non-discrimination tests described in the IRC. Qualified non-elective contributions are allocated in the same manner as the Company's profit-sharing contributions. The Company did not make any qualified non-elective contributions for the years ended December 31, 2022 and 2021.

Rollover and transfer contributions to the Plan are permitted from other qualified defined benefit or defined contribution plans. Participants are always 100% vested in rollover and transfer contributions plus earnings thereon.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's safe harbor non-elective, discretionary matching, profit-sharing, and qualified non-elective contributions (if any); and (b) plan earnings and losses and charged with an allocation of administrative expenses. Participants' accounts are charged for certain participant directed transactions. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor and qualified non-elective contributions plus actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions, plus actual earnings thereon, is based on years of continuous service. A participant is 20% vested after two years of continuous service. Vesting increases by 20% each year thereafter, and the participant is 100% vested after six years of continuous service. Upon reaching the minimum retirement age or if a participant dies or becomes disabled, the participant will become 100% vested in all contributions.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. The Plan had approximately \$52,600 and \$20,300 of available forfeitures at December 31, 2022 and 2021, respectively. Forfeitures generated in 2022 and 2021 were approximately \$57,600 and \$38,600, respectively. Forfeited employer contributions not used to pay administrative expense may be used to reduce future employer contributions. Forfeitures of approximately \$25,500 and \$28,000 were used to offset employer contributions in 2022 and 2021, respectively.

Investment options

Upon enrollment in the Plan, participants may direct their contributions and the Company's contributions in a variety of investment options as more fully described in the Plan's literature. Participants may change their investment options at any time.

TURNER, PADGET, GRAHAM & LANEY, P.A.
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1. Description of Plan (Continued)

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested balance, whichever is less. Loan terms range from 1 to 5 years unless the loan is for the purchase of a primary residence, in which the term can extend to 10 years. The loans are secured by the balance in the participant's account and accrue interest at rates that range from 4.25% to 6.50% determined by the Plan's management based on prevailing interest rates at the date of the loan. Principal and interest are paid ratably through regular payroll deductions. No participant may have more than two loans outstanding at any one time.

Withdrawal and payment of benefits

On termination of service, if a participant's vested account balance does not exceed \$1,000, the Plan will automatically distribute the participant's vested account balance in a lump sum. If his or her vested account balance exceeds \$1,000 but is less than \$5,000 (excluding rollover contributions and earnings thereon), a participant may elect to receive a single lump sum or roll over the vested balance into an individual retirement account (IRA) or another qualified plan. However, if no election is made by the participant, the Plan will automatically roll over the vested balance into an IRA as designated by Plan management. If his or her balance exceeds \$5,000 (excluding rollover contributions and earnings thereon), a participant may leave his or her balance in the Plan or elect to receive the value of the participant's interest in his or her account in the form of a single lump sum, installment payments, or roll over the balance into an IRA or other qualified plan. Participants still employed may withdraw all or part of their employee deferral contributions upon furnishing proof of financial hardship.

Note 2. Summary of Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Employee contributions are recorded in the period during which the Company makes payroll deductions from the participant's earnings.

Discretionary and safe harbor employer contributions are accrued and paid based on amounts to be funded for each year under the Plan provisions and the applicable requirements of the IRC.

TURNER, PADGET, GRAHAM & LANEY, P.A.
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 2. Summary of Accounting Policies (Continued)

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis by the trustee. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in registered investment companies are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment returns.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan payments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and the delinquent participant loan is recorded as a benefit payment based on the terms of the Plan document.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 3. Information Prepared and Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest, and dividends for the years then ended, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity (the previous custodian of the plan) from January 1, 2022, to August 8, 2022, and OneAmerica (the trustee of the Plan) from August 9, 2022, to December 31, 2022.

TURNER, PADGET, GRAHAM & LANEY, P.A.
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 4. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021:

- *Shares of registered investment companies (mutual funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Interest-bearing cash (money market funds):* Stated using amortized cost which approximates fair value.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 4. Fair Value Measurements (Continued)

Fair value of assets measured on a recurring basis at December 31, 2022 and 2021, are as follows:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	<u>\$21,696,630</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$21,696,630</u>
Total investments at fair value	<u>\$21,696,630</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$21,696,630</u>
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$28,407,405	\$ -	\$ -	\$28,407,405
Money market funds	<u>2,477,420</u>	<u>-</u>	<u>-</u>	<u>2,477,420</u>
Total investments at fair value	<u>\$30,884,825</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$30,884,825</u>

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 6. Tax Status

As of August 9, 2022, the Plan is a prototype of OneAmerica Financial Partners Inc. A letter has been received from the Internal Revenue Service (IRS) dated November 30, 2020, indicating that the form of the prototype plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees and is exempt from federal income taxes. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Prior to August 9, 2022, the Plan is a prototype of Fidelity Management and Research Company. A letter has been received from the Internal Revenue Service (IRS) dated June 30, 2020, indicating that the form of the prototype plan is acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees and is exempt from federal income taxes. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

TURNER, PADGET, GRAHAM & LANEY, P.A.
401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 7. Contracts with Insurance Company

Beginning in 2022, the Plan offers its participants a traditional fully benefit-responsive guaranteed investment contract with American United Life Insurance Company (AUL) totaling \$3,006,788. The AUL Stable Value Account (SVA) is an interest-earning investment option, backed by AUL's general account assets. Interest is credited to all SVA monies at the current rate declared by AUL. New contributions and transfers to the SVA earn the interest rate in effect at the time of the contribution or transfer. AUL may declare a new interest rate for the SVA that becomes effective on January 1 of each calendar year; however, any increase in the interest rate will never be greater than 1% above the previously declared rate. The minimum interest rate guarantee is 0%. These guarantees are based on the continued claims-paying ability of AUL.

This contract meets the fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by American United Life Insurance Company, represents contributions made under the contract plus earnings less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (e) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Such events include the following: (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreements without the consent of the issuer.

Note 8. Plan Termination

Although it has not expressed any interest to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 9. Party-In-Interest Transactions

Certain Plan investments were shares of mutual funds managed by Fidelity Investment, an affiliated entity of Fidelity Management Trust Company through August 8, 2022. Fidelity Management Trust Company was the trustee as defined by the Plan, and therefore, these transactions qualified as party-in-interest transactions. The Plan offers a stable value investment option as described in Note 7, which is managed by American United Life Insurance Company, an affiliated entity of OneAmerica. Beginning August 9, 2022, OneAmerica is the trustee as defined by the Plan, and therefore, these transactions qualified as party-in-interest transactions. Fees paid by the Plan to Fidelity Management Trust Company from January 1, 2022, to August 8, 2022, were \$1,817. For the period of August 9, 2022, to December 31, 2022, total fees paid to OneAmerica were \$2,016.

Total fees paid by the Plan to third-party administrators during 2022 and 2021 were \$3,833 and \$3,769, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
