INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants
Juice Generation, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Juice Generation, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Charles Schwab Trust Bank ("Schwab"), the custodian of the Plan (the "Custodian"), as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2022 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Juice Generation, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Juice Generation, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Juice Generation, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Juice Generation, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2022,is presented for purposes of additional analysis and is not required parts of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain

additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Juice Generation, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more detailed and complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all eligible employees of Juice Generation, Inc. (the "Company") and its affiliates who meet eligibility requirements and choose to participate. The effective date of the Plan was January 1, 2018. The Company serves as the plan sponsor. CMC Interactive LLC ("CMC") serves as the third-party administrator and record keeper of the Plan. CMC Advisors, Inc. serves as the investment advisor of the Plan. Charles Schwab Trust Bank ("Schwab") serves as the custodian of the Plan, which is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective January 1, 2022, the Plan was amended and restated to bring the Plan into compliance with the legislative and regulatory changes.

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

SAFE HARBOR

The Plan is a safe harbor 401(k) plan which is a plan design that is pre-approved by the Internal Revenue Service ("IRS") when the employer commits to making a safe harbor employer match of 100% of employee deferrals that do not exceed 4% of employee compensation. This commitment to make contributions enables an employer to simplify the administration of the plan by ensuring that nondiscrimination regulations are met, which is why it is called a "safe harbor" plan.

ELIGIBILITY

Employees are eligible to participate in the Plan following the completion of six months and 500 hours of service or one year and 1,000 hours of service with the Company and attainment of age 21. Employees excluded from the Plan include union members and nonresident aliens. In January 2020, the Plan was amended and employees are eligible to participate in the plan following the completion of 166.67 hours of service within two consecutive months or one year and 1,000 hours of service with the Company and attainment of age 21.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

ELIGIBILITY (CONTINUED)

Under the SECURE Act, effective for the Plan years beginning after December 31, 2020, any Employee working at least 500 hours of service during each of three consecutive 12-month periods ("LTPT Employee") becomes a Participant eligible to make Elective Deferrals on the date specified in the Plan provided that he or she is an Eligible Employee and has attained the applicable age requirement, if any on such date. No 12-month period beginning before January 1, 2021, is taken into account. Each 12-month period for which an LTPT Employee has at least 500 hours of service is treated as a year of service for vesting purposes.

EMPLOYEE CONTRIBUTIONS

Eligible employees may contribute a portion of their pre-tax and after-tax annual compensation as determined by the participant, as defined by the Plan, and subject to Internal Revenue Code ("IRC") limitations. Participants 50 years of age or older can contribute an additional maximum catch-up contribution.

Eligible employees may also elect to roll over to the Plan distributions from a former employer's qualified retirement plan. Roth contributions and in-Plan Roth rollovers are permitted.

EMPLOYER CONTRIBUTIONS

The Company makes employer contributions to all employees who contribute to the Plan at the end of each Plan year. There are no other requirements to receive the employer contribution. The contribution for each employee is calculated by their deferral percent, not to exceed 4%, multiplied by their annual salary plus bonus.

INVESTMENT OPTIONS

Participants may direct the investment of their contributions to the Plan into various investments offered by the Plan. Investment options include only mutual funds.

The Pension Protection Act created the Qualified Default Investment Alternative (the "QDIA"), which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan selected the JP Morgan SmartRetirement Series as its QDIA.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, the Company contribution, if applicable, and Plan earnings. Each participant's account is charged with withdrawals and Plan losses and an allocation of administrative expenses, as defined, that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon as well as employer safe harbor matching contributions.

PAYMENT OF BENEFITS

Participants will receive the full amount of their vested account balances in the event of normal retirement, termination of service, death or disability. Distributions will be made in lump-sum payments or installments. If the vested amount is $5,000 or less, the benefit will be paid in a lump sum.

PARTICIPANT LOANS

Participant loans are not permitted by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

USE OF ESTIMATES

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Plan expenses not paid by the Company may be paid out of Plan assets provided that such payment is consistent with ERISA.

MANAGEMENT FEES AND INVESTMENT EXPENSES

Management fees and investment expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected in net depreciation in fair value of such investments.

SUBSEQUENT EVENTS

Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

These financial statements were approved by management and available for issuance on October 12, 2023. Management has evaluated subsequent events through this date.

NOTE 3 - FAIR VALUE MEASUREMENTS

GAAP provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a brief description of those three levels:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in markets that are not active.

Level 3: Unobservable inputs and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at December 31, 2022 and 2021.

MUTUAL FUNDS

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual funds are classified as Level 1 investments.

MONEY MARKET FUND

Valued at the daily closing price as reported by the fund. Money market funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The money market fund is classified as a Level 1 investment.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables summarize the Plan's assets measured at fair value:

	Investments, at Fair Value			
December 31, 2022	Level 1	Level 2	Level 3	Total
Money market fund	$ 28,629	$ --	$ --	$ 28,629
Mutual funds	567,706	--	--	567,706
Investments at Fair Value	$ 596,335	$ --	$ --	$ 596,335

	Investments, at Fair Value			
December 31, 2021	Level 1	Level 2	Level 3	Total
Money market fund	$ 14,312	$ --	$ --	$ 14,312
Mutual funds	524,181	--	--	524,181
Investments at Fair Value	$ 538,493	$ --	$ --	$ 538,493

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants and the measurement date. The Plan's investment Committee determines the Plan's valuation policies utilizing information provided by the custodian and investment advisers.

Net depreciation in the fair value of investments includes both realized and unrealized gains and losses on investments bought and sold as well as held during the year, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 4 - TAX STATUS

In June 2020, the Plan adopted a non-standardized pre-approved profit-sharing plan offered by FIS Business Systems LLC. The Internal Revenue Service ("IRS") has determined in its latest opinion letter dated June 30, 2020, that the pre-approved profit-sharing plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2022 and 2021, there were no uncertain tax positions taken or expected to be taken that would require recognition or disclosure. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants are already 100% vested in their accounts. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such a manner as the Company may determine.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping, and financial reporting of the Plan. The Company pays the salaries of these individuals and also pays other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan.

Certain Plan investments are managed by the Schwab and its affiliates. Schwab is the custodian of the Plan and therefore, these transactions qualify as party in interest transactions.

The Plan paid administrative expenses of $3,043 to the parties-in-interest (Schwab, CMC, and CMC Advisors, Inc.) for the year ended December 31, 2022.

NOTE 7 - INFORMATION CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-Required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividend income for the year ended December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the custodian of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 8 - RISKS, UNCERTAINTIES, AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Mutual Funds represent 85% of the net asset balance at December 31, 2022, of which, the JP Morgan SmartRetirement 2030 R6 fund, JP Morgan SmartRetirement 2050 R6 fund, and Schwab Intl Index FD, represent 17%, 36%, and 11%, respectively, of net assets available for benefits at December 31, 2022.

NOTE 8 - RISKS, UNCERTAINTIES, AND CONCENTRATIONS (CONTINUED)

The Mutual Funds represent 88% of the net asset balance at December 31, 2021, of which, the JP Morgan SmartRetirement 2030 R6 fund and JP Morgan SmartRetirement 2050 R6 fund represent 18% and 40%, respectively, of net assets available for benefits at December 31, 2021.

NOTE 9 - DIFFERENCES FROM FORM 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan net assets are in agreement.
