INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The FirstStar HR Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of FirstStar HR Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 & 2021 Financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 & 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities section—

- the amounts and disclosures referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities section of our report. We are required to be independent of FirstStar HR Retirement Savings Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FirstStar HR Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FirstStar HR Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FirstStar HR Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of plan assets held for investment, form 5500 schedule H, part IV, line 4i are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF PLAN

The following description of the FirstStar HR ("Company") Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement and the Summary Plan Description for more complete information about the Plan's provisions.

Effective January 1, 2017 the Plan name was changed from GPS Financial Services Inc., dba Employee Professionals Retirement Savings Plan to FirstStar HR Retirement Savings Plan. The plan Sponsor changed from GPS Financial Service Inc. to Essential HR Inc., dba FirstStar HR (Essential). The underlying worksite employers PEO services were transferred to Essential and the 401(k) plan was altered to reflect that change. No changes to the substantial elements of the Plan or its operation occurred as a result of the name change and the plan sponsor change.

General

The Plan is a voluntary employee contribution plan under code section 401(K) of the Internal Revenue Code, originally adopted on October 1, 1997. It is subject to the provisions of the Employee Retirement Income Security Act (*ERISA*). To reflect the co-employment relationship among the company, affiliates, and other employers and the employees, the Plan qualifies as a multiple employer plan as described in section 413(c) of the Internal Revenue Code (IRSC). In addition, the Company and the worksite employers can, at their discretion, match employee contributions as provided in the schedule of requirements and benefits applicable to the specific worksite employer. Participants should refer to the Summary Plan Description or plan document for a more complete description of the Plan's provisions, and their specific worksite employers' plan terms.

Plan Administration

The management and administration of the Plan is the responsibility of the Company and its designee. The Company has designated Mid-Atlantic Trust Company as the trustee of all the Plan's assets including substantially all the responsibility for investment, reinvestment, control and disbursement of the funds of the Plan. Slavic Integrated Administration, Inc. has been designated as the record keeper to perform certain reporting and administrative functions, as well as accounting for participant information.

Eligibility

Pursuant to the election set forth in each worksite employers' Election Agreement, certain worksite employees are eligible to participate in the Plan. The eligibility period applicable to a worksite employee is based on the eligibility option elected in the applicable Election Agreement made by the worksite employers. Age requirements for participation range from no requirement to the 21 years of age maximum defined by the code. Service requirements range from no prior service required to 1 year of service.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, including catch-up contributions as defined in the Plan, and subject to limits established by tax laws. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

Pursuant to the elections set forth in each of the applicable Election Agreements, certain worksite employees may receive one or more of the following types of Company contributions: (a) matching contributions, (b) qualified non-elective contributions, and (c) discretionary profit-sharing contributions. The contribution basis is set from time to time by each employer. All contributions are in the form of cash.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers multiple mutual funds for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and is charged with an allocation of administrative and investment expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service in the specific worksite employers; vesting schedules vary by employer; however, all participants are 100% vested after six years of accredited service.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 7.25% and are determined by the Plan's participating organizations. Principal and interest are paid to the participants' accounts through payroll deductions and must be done at least quarterly.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, or by the purchase term-certain non-transferable annuity. Furthermore, participants may withdraw funds from their accounts for financial hardship.

Normal Retirement

A participant shall be entitled to a benefit at the date of actual retirement and attainment of age 65, as defined, equal to 100% of the balance in the respective participant's account as of the date of distribution. Until a participant actually terminates employment, the retirement benefit shall not be paid, and the participant shall continue to be treated in all respects as a participant.

Early Retirement

Upon reaching age 59 1/2, a participant may apply to the administrator (but not more than once during any 12-month period) for a lump-sum distribution of any portion of the participant's account to the extent such account is fully vested.

Forfeited Accounts

Forfeited non-vested accounts totaled \$23,824 and \$12,828 for the years ended December 31, 2022 and 2021 respectively. Forfeitures may be reallocated to participant accounts, used to reduce employer contributions or to pay Plan expenses. Forfeitures were used to reduce plan expenses for the year ended December 31, 2022 and 2021.

COVID-19, Cares Act and Secure Act

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global disruptions have caused significant economic uncertainty and volatility in financial markets. However, the Plan's various investment securities have not incurred significant declines in fair value since December 31, 2022 and 2021. The impact of COVID-19 continues to evolve rapidly, and the Plan is not able at this time to estimate its full impact on the Plan's financial statements.

Effective at time the legislation was passed, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020, and before December 31, 2020. In addition, the Plan adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

As of December 31, 2022 and 2021 no material transactions related to the CARES Act were requested or completed by participants.

Administrative Expenses

Generally, administrative expenses are paid by the Plan; however, certain administrative expenses have been paid by the Company. For the year ended December 31, 2022 the Plan paid recordkeeping and administration fees to Slavic Integrated Administration, investment management fees to Slavic Mutual Fund Management and advisory fees to Fiduciary Partners Investment Consulting and Fiduciary Partners Retirement Group. For the year ended December 31, 2022 and 2021 the plan paid advisory fees to Mid-Atlantic Trust company. The plan sponsor paid audit fees of \$12,500 and \$12,500 for the years ended December 31, 2022 and 2021.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets for plan

These footnotes are an integral part of these financial statements.

FirstStar HR Retirement Savings Plan

Footnotes to Financial Statements For the years ended December 31, 2022 and 2021

benefits and reported amounts for the net changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments and Income Recognition

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2014-09, Revenue from Contracts with Customers (Topic 606). The ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance in U.S. GAAP. The Plan adopted the new standard effective January 1, 2020, the first day of the Plan's fiscal year, using the full retrospective method.

The adoption of this ASU did not have any significant impact on the Plan's financial statements. Based on the Plan's evaluation process and review of its revenues, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under the new standard. No changes were required to previously reported revenues as a result of the adoption.

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are stated at the net asset value of shares held by the Plan at year end.

The Plan presents in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments. Purchases and sales of securities are recorded on a trade-date basis. Gains or losses on sale of investments are determined by specific identification method. Interest income is recorded as received. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Date of Management Review

Subsequent events were evaluated through July 24, 2023, which is the date the financial statements were available to be issued.

Participant Loans

Participant loans represent loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant loans is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayment and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefits payment is recorded.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts. Any unallocated

assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

New Pronouncements and Standards

The Plan has adopted the Statement on Auditing Standards (SAS) No. 136, Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to the Employee Retirement Income Security Act of 1974 (ERISA). The new standard addresses certain new performance and reporting requirements for audits of employee benefit plans (EBPs) subject to ERISA and makes several changes to the auditor's report.

The Plan has considered all other new accounting pronouncements issued by the Financial Accounting Standards Board or other standard setting bodies that do not require adoption until a future date and concluded that such pronouncements are not expected to have a material impact on the Plan's financial statements.

NOTE C – PLAN ASSETS

As of December 31, 2022 and 2021, the Plan's investments were held by Slavic Mutual Fund Management and Mid-Atlantic Trust Company was the Plan's trustee. The Plan is a self-directed investment plan, where the participants allocate their assets based on choices available in the Plan. Each participant selects their own allocation of assets.

Mid Atlantic Trust Company certified that the plans assets. The reliance on this certification is within the ERISA guidelines for a limited scope audit. Please see the audit report for more information. An excerpt of the report is below detailing the information to which the trustee's certification applies:

"Mid Atlantic Trust Company ("MATC"), in its capacity as custodian of the assets of the above referenced account hereby certifies that, with respect to the assets held in custody with MATC, the enclosed account statement accurately reflects the positions held in the account based on a review of MATC as of this statement period. Please note some assets shown on this statement may not be in custody with MATC. Such items may be held away and are reported as sundry assets as a courtesy and convenience. As an authorized representative of MATC, I certify on behalf of MATC that the information furnished to the Plan Administrator pursuant to 29 CFR 2520.103-5(c) is complete and accurate."

NOTE D — FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

These footnotes are an integral part of these financial statements.

FirstStar HR Retirement Savings Plan

Footnotes to Financial Statements For the years ended December 31, 2022 and 2021

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

For the years ended December 31, 2022 and 2021, the Plan only holds assets that require level 1 inputs.

Level 1 fair values

Mutual funds are the only assets held by the Plan and are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

		Fair Value Measurements at the End of the Reporting Period Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022 and 2021 are reported in net appreciation (depreciation) in fair value of investments.

NOTE E – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated April 17, 2008, that the Plan and its amendments are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effect of a tax position is recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken or expected to be taken. The Plan has no material uncertain tax positions. The Plan is not subject to income taxes. The Plan is open for examination for the tax years including 2021, 2020 and 2019, however there are currently no audits or examinations for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years 2018 and preceding.

NOTE F - RELATED PARTY/EXEMPT PARTY-IN-INTEREST TRANSACTIONS

During 2022 and 2021 the Plan's Administrator, Michelle Nolan, served as the benefits director for the Company. Certain employees and officers of the Company, who may also be participants in the Plan and perform administrative services to the Plan at no cost to the Plan.

Certain Plan investments, amounting to \$7,792,929 and \$8,694,374 on December 31, 2022 and December 31, 2021, respectively, are participant directed funds managed by the Trustee: Mid-Atlantic Trust Company for the year ended December 31, 2022 and 2021 and Slavic Mutual Fund Management, Fiduciary Partners Investment Consulting and Fiduciary Partners Retirement Group for the year ended December 31, 2022 and 2021, as defined by the Plan. Under ERISA, these transactions qualify as exempt party-in-interest transactions. The fees paid for these services are included as reductions in assets available for plan benefits as Trustee fees, administrative expenses and other for the years ended December 31, 2022 and 2021, respectively.

NOTE G – RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

There were no items for reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500.
