Independent Auditors' Report

The Administrative Committee
Sunbelt Federal Credit Union 401(K) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Sunbelt Federal Credit Union 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 1, 2022 (merger date), and the related statement of changes in net assets available for benefits for the period from January 1, 2022 through December 1, 2022 (merger date), and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period from January 1, 2022 through December 1, 2022 (merger date), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report,

- **the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").**
- **the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).**

Basis for Opinion of the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2022 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statement* section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2022 financial statements.

In performing an audit in accordance with GAAS, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditors' Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated September 30, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of plan

The following description of the Sunbelt Federal Credit Union 401(K) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a defined contribution 401(K) plan which was adopted to provide retirement benefits for employees of Sunbelt Federal Credit Union (the "Plan Sponsor"). The Plan covers substantially all employees who have completed six months of service ("participants"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In September 2022, the Plan Sponsor elected to merge the Plan into a pooled employer plan, effective December 1, 2022. As part of the Plan merger, Plan assets totaling $3,311,712 were transferred to the Sunbelt Federal Credit Union, AE of Securian Pooled Employer Plan and Trust.

(b) Contributions

Participants made voluntary qualified retirement contributions to the Plan which were deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or made after-tax in the form of a Roth contribution. Participants also contributed amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor made safe harbor nonelective matching contributions up to 6% of each participant's compensation for the year ended December 31, 2021. The Plan also provide that the Plan Sponsor may contribute each year a discretionary matching amount authorized by the Plan Sponsor's administrative committee; however, a discretionary matching contribution by the Plan Sponsor was not required. The Plan also provide that the Plan Sponsor may contribute each year a profit sharing contribution.

Plan Sponsor and participant contributions could not exceed the maximum amount allowable for federal income tax purposes.

(c) Participant accounts

Each participant's account was credited (charged) with the participant's contributions, Plan Sponsor contributions, and allocations of investment earnings (losses) and administrative expenses. Allocations were based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account balance.

(d) Vesting

Participants were immediately vested in their elective salary deferral and Plan Sponsor safe-harbor matching contributions plus actual earnings (losses) thereon. Vesting in Plan Sponsor discretionary contributions was based on years of continuous service. Participants vested 20% after two years of service and 20% each year thereafter until they become 100% vested after six years of service.

(e) Payment of benefits

On termination of service due to death, permanent disability or retirement, a participant could elect to receive a lump-sum payment equal to his or her entire account. For termination of service due to other reasons, a participant was entitled to receive only the vested interest in his or her account as a lump-sum distribution.

(f) Forfeited accounts

Forfeitures were created when participants terminate employment prior to becoming fully vested in the Plan Sponsor discretionary matching and profit-sharing contribution portion of their accounts. Such forfeitures could be applied to pay administrative expenses, reduce the Plan Sponsor's contributions, or be allocated to participant accounts. Forfeitures of $79,631 were used to reduce the Plan Sponsor's contribution for the year ended December 31, 2021.

(g) Administrative expenses

Administrative expenses were paid by the Plan or the Plan Sponsor. Expenses paid directly by the Plan Sponsor were excluded from these financial statements. Certain fees incurred by the Plan for the investment management services were netted within net appreciation (depreciation) in the fair value of the investments. Fees related to recordkeeping were charged directly to the applicable participants' accounts.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan were prepared under the accrual basis of accounting.

(b) Investment valuation and income recognition

The Plan's investments were valued at fair value. Fair value is the price that would have been received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. These investment values are discussed more fully in Note 4 and Note 5. Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation (depreciation) included the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Payment of benefits

Benefits were recorded when paid.

(d) Events occurring after reporting date

The Plan's management has evaluated events and transactions that occurred between December 1, 2022 (merger date) and October 10, 2023, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments reported and disclosed in the accompanying financial statements, including the fair value and contract value of investments held at December 31, 2021, and the net appreciation (depreciation) in fair value of investments and dividend income for the period ended December 1, 2022 (merger date) and the year ended December 31, 2021, as reported and disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock Life Insurance Company ("John Hancock").

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- **Quoted prices for similar assets or liabilities in active markets;**
- **Quoted prices for identical or similar assets or liabilities in inactive markets;**
- **Inputs other than quoted prices that are observable for the asset or liability;**
- **Inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation method used for assets measured as fair value.

***Pooled separate accounts*: Valued based on the net asset value ("NAV") of the underlying investments which have readily determined fair values. In accordance with ASU 2015-10, investments with readily determined fair values are not considered to be valued using the NAV practical expedient.**

The following tables set forth by level the Plan's assets within the fair value hierarchy as of December 31, 2021:

	Fair Value Measurements as of December 31, 2021 Using the Following Inputs			
	Level 1	Level 2	Level 3	Total
Cash	$ 42,526	$ -	$ -	$ 42,526
Pooled separate accounts	-	3,734,891	-	3,734,891
Investments at fair value	$ 42,526	$ 3,734,891	$ -	$ 3,777,417

(5) Guaranteed interest account

The John Hancock Guaranteed Interest Account ("GIC") is an investment with a guaranteed rate of return and guarantee of principal. The GIA was provided through contracts issued by John Hancock, and was considered to be fully benefit responsive. Under the contract, a crediting rate is established for a six-month period of time and all assets invested in the GIA were credited with that rate. At the expiration of each rate period, a new crediting rate was declared. John Hancock assumes market, credit, and interest rate risks for the assets supporting the GIA.

All participant-initiated withdrawals from the GIA, including benefit payments at termination or retirement, loans and transfers to other non-competing investment options, were paid at contract value.

(6) Income tax status

The Plan Sponsor adopted a non-standardized pre-approved profit-sharing plan which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, in which the IRS stated that the pre-approved plan design was in compliance with the applicable requirements of the IRC. The Plan was required to operate in conformity with the IRC to maintain its qualification. The Plan itself had not obtained a determination letter, however, the plan administrator believes that the Plan was designed and operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 1, 2022 (merger date) and December 31, 2021, there are no uncertain positions taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Related party and party-in-interest transactions

Plan investments and interest bearing cash were held and managed by John Hancock and, therefore, these transactions qualified as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers which also qualified as party-in-interest transactions.
