REPORT OF INDEPENDENT AUDITORS

To the Participants and Management of
PAWS Chicago 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of PAWS Chicago 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

PAWS CHICAGO 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 1. DESCRIPTION OF THE PLAN

Effective January 1, 2022, PAWS Chicago (the Organization) established PAWS Chicago 403(b) Plan (the Plan) under Section 403(b) of the Internal Revenue Code to provide savings and retirement benefits for eligible employees after the termination of the PAWS Chicago 401(k) Plan. The Plan is primarily funded by employer discretionary matching, voluntary employee contributions and by the net earnings of Plan investments. The Plan is a defined contribution retirement plan covering all employees of the Organization who have completed the eligibility service requirement as detailed in the Plan document. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

All participants' deferral contributions are made out of pre-tax or post-tax earnings through salary reductions, subject to Internal Revenue Service (IRS) limitations. Participants may also roll over amounts representing distributions from other qualified retirement plans.

Employer contributions to the Plan are discretionary. For the year ended December 31, 2022, the employer match contribution was equal to 50% of the participant's deferral, up to six percent of the participant's annual compensation. The employer match is contributed every pay period.

An individual account is maintained for each participant to which employee and employer contributions and the related earnings are credited. Income allocations are based on account balances and the performance of the participant's investment choices, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions into various investments offered by the Plan and supported by OneAmerica. The Plan currently offers various pooled separate accounts as investment options to participants. In the absence of direction, contributions are invested in a designated investment fund based upon target retirement date. Participants must evaluate their own investment goals and objectives and choose investments best suited to achieve those goals and objectives. Poor investment performance by the investments selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in non-elective employer matching contributions made on behalf of participants is based on years of service. A participant is 100% vested after six years of credited service.

<u>Years of Service</u>	<u>Vesting Percentage</u>
less than 2	0%
2-3	20%
3-4	40%
4-5	60%
5-6	80%
6+	100%

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from one to five years, and may be extended to 15 years if it is for the purchase of a principal residence. The loans are secured by the vested balance in the participant's account. A maximum of 50% of a participant's vested account balance may be used as collateral. Interest on loans, determined at the beginning of the loan, is the prime rate charged by the Federal Reserve Bank of New York plus one percent per year. Principal and interest is paid ratably through payroll deductions. At December 31, 2022, there was one outstanding loan in the amount of \$357 which is in default.

Payments of benefits are made in accordance with specific provisions of the Plan agreement. Upon termination of service, participants will receive either a lump sum amount equal to the value of the vested interest in their account, periodic payments or any other lawful method of payment. The Plan's provisions also provide for in-service withdrawals in the event of financial hardship, as defined by the Plan.

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. For all other investments, the fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2022. Delinquent notes receivable from participants can be deemed distributed based upon the terms of the Plan document.

Forfeited Accounts - Forfeitures are retained in the Plan and may be used to restore forfeitures, reduce future employer contributions payable under the Plan, or pay Plan expenses. As of December 31, 2022, forfeited non-vested accounts totaled \$0.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at December 31, 2022.

Expenses - Certain management and administrative services are paid either by the Plan or the organization, as provided by the Plan document. Expenses paid directly by the organization are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through October 11, 2023, which is the date the financial statements were available to be issued.

NOTE 3. TAX STATUS

The Organization adopted a volume submitter 403(b) plan. The Plan is not required to receive a determination letter directly from the Internal Revenue Service, and therefore, the Plan has not received a determination specific to the Plan itself. However, the Organization and the Plan Administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

Although it has not expressed an intention to do so, the Organization has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. Such termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries. Provision may be made for the payment of necessary expenses resulting from the termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on sufficiency of the Plan's net assets at that time and the priority of those benefits. In the event of Plan termination, participants would become fully vested in their account balance.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy.

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments in pooled separate accounts are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the pooled separate account less its liability. The practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported net asset value.

The Plan's investments in pooled separate accounts are available under a group annuity contract issued by American United Life Insurance Company, a OneAmerica company. These pooled separate accounts are allocated units of participation in sub-accounts, which represent the Plan's share of the underlying investments, consisting primarily of publicly traded fixed income and equity mutual funds. Redemptions are available daily without notice.

NOTE 6. INFORMATION CERTIFIED BY PLAN TRUSTEE AND CUSTODIAN

The following is a summary of information included in the Plan's financial statements that was obtained by management and agreed to or derived from information certified as complete and accurate by American United Life Insurance Company, a OneAmerica company the Plan Trustee and Custodian, as of December 31, 2022 and for the year then ended:

Investments - at fair value	
Pooled separate accounts	\$ 604,439
Guaranteed investment contract - at contract value	\$ 1,016
Notes receivable from participants	\$ 357
Investment (loss)	
Net (depreciation) in fair value of investments	\$ (46,212)

NOTE 7. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a benefit-responsive group annuity contract with American United Life Insurance Company (AUL). AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 0%. Such interest rates are reviewed on an annual basis for resetting. The average yield and crediting interest rates were 1% for the year ended December 31, 2022.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 7. INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Plan administration believes the occurrence of such events that would limit the Plan's ability to transact at contract value is not probable.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

NOTE 9. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held by AUL, the Custodian of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

AUL is responsible for participant recordkeeping and distributions to Plan participants at the direction of Plan management. AUL provides certain administrative services to the Plan pursuant to a contract agreement.

NOTE 10. PARTICIPANT CONTRIBUTIONS

The Plan sponsor withholds participants' contributions from their payroll. During the year ended December 31, 2022, there was an instance where the Plan sponsor failed to remit participant contributions of \$12,044 within the period prescribed by the Department of Labor regulations. Specifically, the regulations require the Plan sponsor to segregate participant contributions of the Plan from their general assets as soon as practicable. The late payments did not meet the timeliness requirement and therefore constitute prohibited transactions with a party-in-interest. The Plan sponsor has corrected the operational errors related to participants' contributions.

SUPPLEMENTAL SCHEDULES

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES REQUIRED BY ERISA

To the Participants and Management of
PAWS Chicago 403(b) Plan

We have audited the financial statements of PAWS Chicago 403(b) Plan (the Plan) as of and for the year ended December 31, 2022, and our report thereon dated October 11, 2023, appears on pages 1 through 3. Our audit was conducted in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP).

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in audit of the financial statements or to the financial statements themselves, and other additional procedures in accordance with general accepted auditing standards. For information included in the supplemental schedules that agree to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
