Part I Asset and Liability Statement			
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

To the Trustees and Plan Committee of the
Marek Brothers Family of Companies
Profit Sharing Plan and Trust
Houston, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Marek Brothers Family of Companies Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAREK BROTHERS FAMILY OF COMPANIES PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note 1. Description of the Plan

The Marek Brothers Family of Companies Profit Sharing Plan and Trust (the Plan) was established in 1966. The following description of the Plan provides only general information. Participants should refer to the Plan's adoption agreements for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Marek Shared Services, LLC (the Plan Sponsor). The Plan Sponsor is a member of a commonly controlled group of companies. Controlled group members who have adopted the Plan with the approval of the Plan Sponsor and participate include: Marek Brothers Systems, LLC, Marek Brothers Company, LLC, and Oak Forest Lumber and Supply, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Employees of the Plan Sponsor and participating controlled group members who have attained the age 18 and completed the minimum requirement of twelve months of service and are not union or leased employees or independent contractors are eligible to participate.

Contributions

Each year, participants may elect to contribute 1% to 75% of their annual compensation, up to the maximum allowed by the Internal Revenue Code (IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Upon meeting the eligibility requirements, participants who do not affirmatively elect not to participate in the Plan will automatically have compensation deferred at 5%. Participants are allowed to direct the investment of their contributions into various investment options offered by the Plan.

Employer matching contributions are made in an amount equal to 50% of each participant's deferral contributions not to exceed \$500. Additional matching contributions may be made at the discretion of the Plan Sponsor management and are subject to certain limitations. Employer discretionary contributions totaled \$529,590 for the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's deferral contributions and an allocation of the Plan Sponsor contributions, plan earnings and losses, and administrative expenses for investment management fees. Allocations are based on participant earnings or account balances, as defined.

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Vesting

Participants are 100% vested at all times in the value of their deferral contributions, employer matching contributions, and employer discretionary contributions, and the actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 from their vested account balance, with the maximum loan amount not to exceed \$50,000 or 50%, of their vested account balance whichever is less. The loans are secured by the balance in the participant's account and bear interest at the prime rate on the date of issuance. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's interest in his or her account, or annual installments over a period of time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. A participant may withdraw all or a portion of his or her vested account balance in the event of hardship or on or after age 59½. Any participant having saving accounts under the Plan is entitled to make up to four withdrawals during each plan year upon approval from the Plan Administrator, unless the withdrawals are for reasons of financial hardship.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor reserves the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

MAREK BROTHERS FAMILY OF COMPANIES PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan Sponsor pays substantially all administrative expenses as provided in the Plan Document.

Tax Status

The Plan has adopted a volume submitter plan sponsored by Benefit Plans Administrative Services, LLC. The volume submitter plan provider has received an advisory letter from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by a plan in its tax returns that might be uncertain. The Plan Administrator believes that it has appropriate support for any tax positions taken and, as such, does not have any uncertain tax positions that are material to the financial statements.

Note 3. Information Certified by Hand Benefits & Trust Company

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Hand Benefits & Trust Company, the custodian of the Plan.

Notes to Financial Statements

Note 3. Information Certified by Hand Benefits & Trust Company (Continued)

The Plan Administrator has obtained certifications that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2022	2021
Investments, at Fair Value		
Mutual Funds	\$ 74,725,209	\$ 104,371,982
Collective Investment Trust	11,206,662	-
Total Investments, at Fair Value	\$ 85,931,871	\$ 104,371,982
Notes Receivable from Participants	\$ 2,952,768	\$ 2,858,144

The custodian also certified to the completeness and accuracy of \$24,551,818 of net depreciation in fair value of investments, \$6,279,702 of interest and dividends related to the aforementioned assets, and \$130,636 of interest income on notes receivable from participants for the year ended December 31, 2022.

Note 4. Fair Value Measurements

Financial Accounting Standard Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1 Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities as of the reporting date. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these securities does not entail a significant degree of judgment.
- Level 2 Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly, as of the reporting date.

MAREK BROTHERS FAMILY OF COMPANIES PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 3 Valuations based on inputs that are unobservable and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation.

In some instances, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such instances, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's measurements of fair value is made on a recurring basis. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The valuation techniques for assets and liabilities recorded at fair value is as follows:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Security and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trust: Valued at the NAV of units of an investment firm collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. Debt securities are valued on the basis of valuations furnished by a pricing service approved by the custodian, which determines valuations using methods based on market transactions for comparable securities and various relationships between securities, which are generally recognized by institutional traders. Funds within the collective investment trust may have redemption restrictions.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

December 31, 2022	Level 1	Level 2	Level 3	Net Balance
Mutual Funds	\$ 74,725,209	\$ -	\$ -	\$ 74,725,209
Total Assets in the Fair Value Hierarchy	\$ 74,725,209	\$ -	\$ -	\$ 74,725,209
Investments Measured at Net Asset Value (a)				11,206,662
Investments, at Fair Value				\$ 85,931,871
December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 104,371,982	\$ -	\$ -	\$ 104,371,982
Investments, at Fair Value	\$ 104,371,982	\$ -	\$ -	\$ 104,371,982

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy of the line items presented in the statements of net assets available for benefits.

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient. There are no participant redemption restrictions for these investments.

	Fair Value December 31, 2022	2021	Unfunded Amount	Redemption Frequency	Redemption Notice Period
Collective Investment Trust	\$ 11,206,662	\$ -	\$ -	Daily	None

Note 5. Risks and Uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements

Note 6. Related-Party and Party-in-Interest Transactions

Fees during the year for accounting and other professional services rendered by parties-in-interest were \$65,010 during the year ended December 31, 2022 and are included in the statement of changes in net assets available for benefits.

Note 7. Subsequent Events

The Plan Administrator has evaluated subsequent events through the date that the financial statements were available to be issued October 11, 2023, and determined that no events occurred that would require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.
