INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
NALS Apartment Homes, LLC
401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of NALS Apartment Homes, LLC 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of NALS Apartment Homes, LLC 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of NALS Apartment Homes, LLC 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NALS Apartment Homes, LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NALS Apartment Homes, LLC 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NALS Apartment Homes, LLC 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of NALS Apartment Homes, LLC 401(k) Profit Sharing Plan & Trust were audited by predecessor auditors, Damitz, Brooks, Nightingale Turner & Morrisset. Effective January 1, 2022, Damitz, Brooks, Nightingale, Turner & Morrisset merged with Hutchinson and Bloodgood, LLP.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated June 25, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NALS APARTMENT HOMES, LLC
401(k) PROFIT SHARING PLAN & TRUST
Notes to Financial Statements
December 31, 2021

1. PLAN DESCRIPTION

The following description of the NALS Apartment Homes, LLC 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of NALS Apartment Homes, LLC and affiliates (the “Company”), who have attained the age of 21 and have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration of the Plan

The Plan is administered by the Administrative Committee and a third party administrator (“Plan Administrator”). The Fidelity Management Trust Company is the trustee of the Plan and the Plan Administrator.

Contributions

Each year, participants may contribute up to 75% of pre-tax annual compensation, as defined in the Plan, subject to the annual limitations imposed by the Internal Revenue Code (“IRC”), which was \$19,500 for 2021. Under IRC regulations, participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct contributions into any of the investments offered under the contract with the trustee. Participants may change their investment options daily. Participants may change their contribution rates at any time during the year or suspend them at any time.

The Company can make discretionary and/or matching contributions to the Plan. The Company’s matching policy is determined annually, prior to the beginning of each plan year. Company matching contributions for 2021 were equal to 50% of every dollar contributed by employees with a maximum Company contribution of 3% of a participant’s eligible compensation as defined by the Plan. The Company made no discretionary contributions for 2021.

1. PLAN DESCRIPTION (Cont.)

Participant Accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and is charged with certain administrative expenses. Contributions are allocated in accordance with participant allocation elections.

Appreciation or depreciation in the fair value of investments is credited or charged to participant accounts based upon the increase or decrease in the market value per unit of investments held. Interest, dividend, and realized gain income is credited to participant accounts based on units of investments held. The benefits to which a participant is entitled are the benefits that can be provided from a participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is based on years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes Receivable from Participants

Participants may borrow up to one-half of their vested account balance, subject to limitations imposed by the IRC. In no event can a participant borrow more than \$50,000. Loans are for a maximum of five years unless the proceeds are used to buy a principal residence, in which case the loan term may not exceed ten years from the date of the loan. The loans are secured by the balance in the participant's account and bear interest at the prevailing commercial loan rates for loans with like circumstances at the date of issuance. Delinquent participant loans are recorded as distributions to participants. Participant loans at December 31, 2021 have a rate of 5.25% or 7.50%. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in annual installments over a fixed period. At December 31, 2021, all participants who elected to withdraw from the Plan and who requested a distribution of their account balance had received a distribution from the Plan.

1. PLAN DESCRIPTION (Cont.)

Forfeitures

Forfeitures are available to reduce Company contributions to the Plan or pay certain Plan expenses. Forfeitures during the 2021 plan year were approximately \$32,500. Plan administrative and professional services expenses paid from the forfeitures account for the 2021 plan year were approximately \$38,300. Unallocated forfeitures were approximately \$80,700 and \$84,500 at December 31, 2021 and 2020, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation

The Plan's investments in registered investment companies are traded on a national securities exchange are stated at fair value on the basis of the closing quoted price on the last trading day of the year.

Fair Value Measurements

The Financial Accounting Standards Board's Accounting Standard Codification No. 820, *Fair Value Measurements and Disclosures* ("ASC 820"), defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. Pursuant to ASC 820, assets and liabilities recorded at fair value are categorized based upon the level of judgment associated with the inputs used to measure fair value. ASC 820 establishes a three-level fair value hierarchy that describes the inputs that are used to measure the fair values of respective assets and liabilities. Investments measured and reported at fair value are classified and disclosed in one of the following categories:

- Level 1 – Quoted prices are available in active markets for identical investments as of the reporting date.
- Level 2 – Pricing inputs, including broker quotes, are generally those other than exchange quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Fair Value Measurements (Cont.)

Level 3 – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest in Registered Investment Companies: Valued at the net asset value ("NAV") of shares held by the Plan at year end. The per-share value is the closing price reported on the close of the business day. (Level 1)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment Risk

The Plan offers participants various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan offers participants investments in registered investment companies that invest in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments.

Moreover, securities of many foreign companies and their markets may be less liquid and their prices may be more volatile than those of securities of comparable U.S. companies.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Investment Risk (Cont.)

The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's provisions as well as those of ERISA and the participants' investment preference dictate the Plan's concentration of credit risk and market risk.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are recorded as distributions to participants.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events & Uncertainties

Management has evaluated the impact of all subsequent events and uncertainties through September 26, 2022, the date the financial statements were available to be issued. Refer to Note 11, Uncertainties.

3. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021	Fair Value (Level 1)	Fair Value (Level 2)	Fair Value (Level 3)	Total Fair Value of Assets

4. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date. As a result, the Plan has not provided for Federal or applicable state income taxes.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for tax years prior to 2018.

5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee and Plan Administrator of the plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services provided by Fidelity Management Trust Company amounted to approximately \$6,300 for the year ended December 31, 2021.

6. UNAUDITED INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan's investments are held by Fidelity Management Trust Company. The Plan's Administrator has instructed the independent public accountants not to examine the information certified as complete and accurate by the trustee, except for comparing such information to the related information in the financial statements and supplemental schedule. The trustee's certification applies to all Plan assets. Investment income and interest income on notes receivable from participants as certified by the trustee for the year ended December 31, 2021 was \$1,989,451 and \$13,520, respectively.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Russia's invasion of Ukraine and the international response has caused international markets volatility. The direct and indirect impact of the invasion on the investments carried by the Plan may not be predicted at this time.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per financial statements	\$14,414,070	\$ 13,349,671

Net assets available for benefits per the Form 5500	<u><u>\$14,464,257</u></u>	<u><u>\$ 13,405,611</u></u>

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (Cont.)

Total participant contributions per the Form 5500	<u>\$ 833,969</u>

10. CONCENTRATIONS
