Dear Valued Customer:

The enclosed report provides some important information regarding your group insurance policy for the recently completed policy year. This information includes, among other things, total premiums paid, as well as compensation paid to agents or brokers in connection with your policy.

If your policy is issued in connection with an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), then you will find this information useful in preparing the ERISA annual report (Form 5500). Please contact your attorney or benefits consultant if you have questions regarding the applicability of ERISA to your plan, Form 5500, or other requirements. We hereby certify that the information provided here is accurate and complete.

If your policy is not subject to ERISA, then we are providing this information as a service, for your use in the management of your benefit plan. Our goal is to provide the highest degree of service to our customers, and we are committed to providing this important information to you.

This information may include an entry which shows other compensation received by your broker from New York Life Group Benefit Solutions, in addition to commissions. New York Life Group Benefit Solutions companies offer programs under which agents and brokers can qualify for additional compensation, based on meeting new sales and persistency goals, for providing our insurance companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. For plans subject to ERISA and required to file Form 5500, the U.S. Department of Labor has advised that such payments must be reported on Schedule A of Form 5500. Thus, if your broker received a payment during the policy year under that program, a portion (equal to the amount, which was based on premiums or commissions, that the program generated with respect to the policy) has been allocated and is included with the Schedule A information that is enclosed. While this compensation has been, for this purpose, allocated to specific policies, it is funded from our general overhead for all policies, regardless of whether a broker participates in these agreements. Note: these payments, where applicable, are labeled as overrides. If a zero dollar figure is shown, it means that no such payment was paid to your broker during the policy year.

Your agent or broker may also have participated, at the insurance company's expense, in producer events sponsored by our insurance companies during which information concerning our products and services was exchanged. Please contact your agent or broker if you would like specific information about their participation in these programs. In addition, the insurance company offers agents and brokers the opportunity to receive the benefit of New York Life's favorable pricing with vendors of various goods and services.

New York Life Group Benefit Solutions has a longstanding commitment to our customers to deliver the highest level of quality service. Millions of individuals continue to rely on New York Life Group Benefit Solutions for the Insurance protection they need. We value the trust our customers place in us, and unwaveringly pledge to adhere to ethical business standards.

The enclosed report provides some important information regarding your group insurance policy for the recently completed policy year. This information includes, among other things, total premiums paid, as well as compensation paid to agents or brokers in connection with your policy.

If your policy is issued in connection with an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), then you will find this information useful in preparing the ERISA annual report (Form 5500). Please contact your attorney or benefits consultant if you have questions regarding the applicability of ERISA to your plan, Form 5500, or other requirements. We hereby certify that the information provided here is accurate and complete.

If your policy is not subject to ERISA, then we are providing this information as a service, for your use in the management of your benefit plan. Our goal is to provide the highest degree of service to our customers, and we are committed to providing this important information to you.

This information may include an entry which shows other compensation received by your broker from New York Life Group Benefit Solutions, in addition to commissions. New York Life Group Benefit Solutions companies offer programs under which agents and brokers can qualify for additional compensation, based on meeting new sales and persistency goals, for providing our insurance companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. For plans subject to ERISA and required to file Form 5500, the U.S. Department of Labor has advised that such payments must be reported on Schedule A of Form 5500. Thus, if your broker received a payment during the policy year under that program, a portion (equal to the amount, which was based on premiums or commissions, that the program generated with respect to the policy) has been allocated and is included with the Schedule A information that is enclosed. While this compensation has been, for this purpose, allocated to specific policies, it is funded from our general overhead for all policies, regardless of whether a broker participates in these agreements. Note: these payments, where applicable, are labeled as overrides. If a zero dollar figure is shown, it means that no such payment was paid to your broker during the policy year.

Your agent or broker may also have participated, at the insurance company's expense, in producer events sponsored by our insurance companies during which information concerning our products and services was exchanged. Please contact your agent or broker if you would like specific information about their participation in these programs. In addition, the insurance company offers agents and brokers the opportunity to receive the benefit of New York Life's favorable pricing with vendors of various goods and services.

ATTENTION: TOM VERTICH
TEAM CAR CARE, LLC.
105 DECKER COURT SUITE 900
IRVING, TX 75062

The Employee Retirement Income Security Act of 1974 ("ERISA") requires an annual financial report on employee welfare benefit plans and pension benefit plans which cover 100 or more participants at the beginning of the plan year and are subject to ERISA. The administrator of such a plan is required to file an annual report on I.R.S./DOL Form 5500, including the accompanying Schedule A, with the Employee Benefits Security Administration.

Your Metropolitan Life Insurance Company ("MetLife") employee welfare benefit plan may be subject to ERISA's annual reporting requirements and MetLife is therefore providing you with the information needed to complete Schedule A of Form 5500. The attached report is not an actual Schedule A form and should not be attached to the Form 5500 for regulatory filing. The information should be forwarded to the person who will be completing your annual filing. The information is taken from the data MetLife maintains within its normal business records and is, to the best of MetLife's knowledge and belief, complete and accurate.

Part I, Section 2 of this report lists the compensation paid to intermediaries related to your plan. Intermediaries may include brokers, consultants, agents and third-party administrators. There are several categories of compensation that may be paid to an intermediary. For your reference, the categories of compensation are listed below.

- Base Commissions - Base commissions are generally paid to an intermediary on a monthly basis and are usually calculated as a percentage of premium. Base commissions are typically factored into the cost of the customer's plan.
- Supplemental Compensation - Supplemental compensation may be paid to qualifying intermediaries based on an intermediary's new business or total inforce premium for a specified year. It is not MetLife's practice to specifically factor supplemental compensation into the cost of customer's plan. Supplemental compensation is factored into the price structure of MetLife's institutional business products.
- Fees - Fees may include payments made to intermediaries for services such as administration, communication, enrollment, billing, eligibility, recordkeeping, printing and mailing. Fees may be directly charged to the customer's plan.
- Award - If your intermediary received an award (such as travel or a gift) from MetLife, MetLife allocated the value of the award to all plans that were considered in the qualification criteria proportionately.

Note, the non-monetary compensation amount included in the Schedule A, Fees Paid section of the enclosed report is based on the calendar year tracking of all individual gifts or items of non-monetary compensation such as dinners, tickets for shows or other entertainment events, membership dues, hotels, equal to or greater than $10, that are given to or provided directly or indirectly to brokers, producers, and other insurance intermediaries and/or their spouses, companions or family members. This information is tracked and aggregated at the brokerage firm or company level. The total value is divided by the total number of active contracts or policies in place with that firm for that year except for items relating directly to a specific customer or customers (which are reported to the specific customer(s)). This allocation is reported on the Schedule A reports for all ERISA customers who are part of a given broker firm's book of business.

Before submitting the Schedule A with your annual report to the Employee Benefits Security Administration, in addition to the information MetLife has provided, you should enter in the Schedule the appropriate name of the plan, three-digit plan number and employer identification number in the appropriate spaces immediately preceding Part I.

You may also wish to consult with your counsel concerning any need for attaching an opinion by an independent qualified public accountant.

This letter, together with your copy of the complete annual report should be retained for at least the 6-year period required by ERISA.

* The Gross Dealer Concession is based on premiums received and represents the total compensation and fees paid by the Insurance Company to the selling firm for the coverage used to fund the plan. Your representative(s) received payments subject to selling agreements that they have with the selling firm. The remaining compensation is used by the distributor or selling firm to pay other expenses, including Management Compensation, Conference expenses, etc. The Gross Dealer Concession includes the Commission Paid which is listed separately. The Metropolitan Life Insurance Company attests that the foregoing statement is complete and accurate to the best of its knowledge, information, and belief.

If you have any questions please contact your MetLife Account Representative:
KAYLEE SNODGRASS, (630) 820-7803 or 800-ASK-4-MET and MetLife will assist you in obtaining this information.

MetLife appreciates your business.

The approximate number of persons covered as shown on the first page of the Schedule A is MetLife's estimated view of participants, spouses and dependents at the end of the policy period. This estimation should be used for reporting purposes only.

If the plan named in Item A on the first page of Schedule A (the "Plan") retains the services of a broker, consultant, agent or third-party administrator (each an "Intermediary") for the Plan, MetLife may in addition to paying base commission provide additional compensation to the Intermediary under various preferred broker and other compensation programs and expense reimbursement. Under such programs, an Intermediary may qualify for additional compensation that may or may not be directly charged to the Plan. Such compensation may not be included in the amount listed in Item 2 on the first page of Schedule A. Please contact MetLife if you would like additional information or details.

Dear Valued Customer:

The enclosed report provides some important information regarding your group insurance policy for the recently completed policy year. This information includes, among other things, total premiums paid and compensation paid to agents or brokers in connection with your policy.

If your policy was issued in connection with an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), then you will find this information useful in preparing the ERISA annual report (Form 5500). If your policy is not subject to ERISA, then we are providing this information as a service, for your use in the management of your benefit plan. Our goal is to provide the highest degree of service to our customers, and we are committed to providing this important information to you. Please contact your attorney or benefits consultant if you have questions regarding the applicability of ERISA to your plan, Form 5500, or other requirements. We hereby certify that the information provided here is accurate and complete.

The enclosed report may also include an entry which shows other compensation received by your broker from Cigna in addition to commissions.

Cigna offers programs under which agents and brokers can qualify for additional compensation, based on meeting new sales and persistency goals, for providing our insurance companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. For plans subject to ERISA and required to file Form 5500, the U.S. Department of Labor has advised that such payments must be reported on Schedule A of Form 5500. Thus, if your broker received a payment during the policy year under that program, a portion (equal to the amount which was based on premiums or commissions that the program generated with respect to the policy) has been allocated and is included with the Schedule A information that is enclosed. While this compensation has been, for this purpose, allocated to specific policies, it is funded from Cigna's general overhead for all policies, regardless of whether a broker participates in these agreements. Note: these payments, where applicable, are labeled as overrides. If a zero dollar figure is shown, it means that no such payment was paid to your broker during the policy year.

Your agent or broker may also have participated, at Cigna’s expense, in producer events sponsored by Cigna during which information concerning our products and services was exchanged. Please contact your agent or broker if you would like specific information about their participation in these programs. In addition, Cigna offers agents and brokers the opportunity to receive the benefit of Cigna's favorable pricing with vendors of various goods and services.

Cigna has a longstanding commitment to our customers to deliver the highest level of quality service. Millions of individuals continue to rely on Cigna for the insurance protection they need. We value the trust our customers place in us, and unwaveringly pledge to adhere to ethical business standards.

*Based on the terms and conditions specified in the Agreement between the Contract Holder and HCSC.

**Base commissions paid on your contract.

***Other fees/commissions paid on your contract or policy such as consulting fees or General Agent commissions.

****To calculate the proportion of the special program payments allocated to your policy or contract, your eligible volumes for the following categories are divided by the broker/consultant's total volume for that special program category. The resulting fraction is multiplied by the broker/consultant's total payment for that special program category to get the allocated portion. This calculation is completed for the Blue Ribbon New Sales categories of Medical, excluding those policies or contracts that meet or exceed the Blue Ribbon New Sales maximum per group payout amount. The resulting figures are totaled with other special program defined (ex. non-graded per head or per group) payments.

The settlement applies to the group numbers referenced on the Benefit Program Application and may include canceled group numbers if applicable.
