Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BST & CO. CPAS, LLP**

(2) EIN: **14-1442607**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

DePaula Auto Group 401(k) Profit
Sharing Plan
Albany, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of DePaula Auto Group 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements - Continued

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DePaula Auto Group 401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2022 and 2021

Note 1 - Description of the Plan

The DePaula Auto Group 401(k) Profit Sharing Plan (Plan) was established effective January 1, 1988. The Plan is sponsored by DePaula Chevrolet, Inc. (Company). The Plan was most recently amended effective January 1, 2022.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution profit sharing plan with a 401(k) feature, covering all eligible employees of the Company, DePaula Ford, LLC and DePaula Imports II, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan assets are held by John Hancock Life Insurance Company of New York, the Custodian of the Plan, who invests cash received and income from investments based on instructions from the Company and participants and makes distributions to participants. The Plan Trustees are responsible for oversight of the Plan and for determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

b. Plan Eligibility

Employees are eligible to enter the Plan upon attaining the age of 18 with one year of service. One year of service is defined as being credited with 1,000 hours of service in a consecutive twelve-month period. Employees may join the Plan on the first day of the first or seventh month of the Plan year following the date the employee satisfies the eligibility conditions described above. An eligible participant must have completed 1,000 hours of service and be actively employed on the last day of the Plan year to share in the employer's discretionary matching and profit-sharing contributions. Participants who are not actively employed due to death, total and permanent disability, or early or normal retirement, but otherwise meet the eligibility requirements, will share in the employer's discretionary matching and profit-sharing contributions.

c. Contributions

Each year, participants may contribute a percentage or fixed dollar amount of their pre-tax annual compensation to the Plan, subject to certain limitations as defined by the Plan and the Internal Revenue Code (IRC). In addition, participants may contribute after-tax Roth elective contributions to the Plan. The maximum participant deferral to the Plan was \$20,500 and \$19,500 for the years ended December 31, 2022 and 2021, respectively. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions, up to a maximum of \$6,500 for both years ended December 31, 2022 and 2021. Participants may also contribute rollover amounts representing distributions from other qualified plans.

The Plan includes discretionary profit-sharing contributions, which if made, are allocated based on the participant's eligible compensation relative to total eligible compensation of all participants. There were no discretionary profit-sharing contributions for the years ended December 31, 2022 and 2021.

Notes to Financial Statements
December 31, 2022 and 2021

Note 1 - Description of the Plan - Continued

c. Contributions - Continued

The Plan also includes an annual discretionary matching contribution. For both 2022 and 2021, the discretionary matching contribution was equal to 50% of each eligible participant's elective deferral up to 4% of compensation (a maximum match of 2% of eligible compensation).

Participants direct the investment of their contributions as well as Company contributions into various investment options offered by the Plan.

d. Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Company's discretionary matching and profit-sharing contribution, if any, and Plan investment earnings (losses), net of investment expenses and administrative expenses paid by the Plan. Allocations are based on participant compensation, account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is equal to the vested portion of the participant's account.

e. Vesting

Participants are 100% vested immediately in their elective deferral amounts, rollover contributions and the Company's discretionary matching and profit-sharing contributions, plus earnings thereon.

f. Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000, or 50% of their vested account balance, reduced by the highest outstanding loan balance of any loans made in the previous twelve months. Participant notes are secured by the balance in the participant's accounts and bear interest at a rate commensurate with the local prevailing rates at the origination date of the loan, as determined by the Plan administrator. Principal and interest are paid ratably through regular payroll deductions. In general, loans must be repaid within five years.

g. Payment of Benefits

Upon termination of service due to death, disability, attainment of normal retirement age, or termination of employment, a participant (or their beneficiary upon death) may elect to receive an amount equal to the value of the participant's vested interest in their account as a lump-sum payment. The Plan also permits in-service and hardship distributions under certain conditions. The Plan may distribute account balances to participants (or their beneficiary upon death) whose account balance is \$5,000 or less without participant (or beneficiary) consent.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) for defined contribution plans.

b. Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value, which is defined as the price that would be received to sell an asset in an orderly transaction between market participants on the measurement date. The Plan trustees determine the Plan's valuation policies utilizing information provided by the Plan's Custodian and investment advisors.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Participant Notes Receivable

Participant notes receivable are stated at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. Loans treated as distributions totaled \$19,398 and \$83,975 during the years ended December 31, 2022 and 2021, respectively.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain administrative expenses of the Plan, including custodial, third-party administration fees, and professional fees for audit services are paid directly by the Company and are excluded from these financial statements. Fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

DePaula Auto Group 401(k) Profit Sharing Plan

Notes to Financial Statements
December 31, 2022 and 2021

Note 2 - Summary of Significant Accounting Policies - Continued

g. Subsequent Events

The Plan has evaluated subsequent events for potential recognition or disclosure through October 12, 2023, the date the financial statements were available to be issued.

Note 3 - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments and interest income on participant notes receivable for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian of the Plan.

Note 4 - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset, and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 4 - Investments and Fair Value Measurements - Continued

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2022 and 2021:

Pooled separate accounts: Valued at the fair value of the underlying assets. The fair values of the participation units, which are held in separate accounts through sub-accounts of the Custodian of the Plan, represent the values at which the units can be redeemed. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets measured at fair value:

December 31, 2022			
Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 6,222,045	\$ -	\$ 6,222,045

December 31, 2021			
Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ 8,193,760	\$ -	\$ 8,193,760

Note 5 - Related Party Transactions and Party-In-Interest Transactions

The Company paid for certain administrative expenses on behalf of the Plan totaling \$36,690 and \$27,565 for the years ended December 31, 2022 and 2021, respectively. Certain Plan administrative functions are also performed by employees of the Company, who do not receive compensation from the Plan for such functions.

Several of the investment options are managed by John Hancock Life Insurance Company of New York, the Custodian of the Plan.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 7 - Tax Status

The Plan and the trust established under the Plan are qualified under the appropriate section of the IRC and intend to continue as a qualified plan and tax-exempt trust. The Internal Revenue Service (IRS) has determined and informed the Plan Sponsor, by a letter dated June 30, 2020, that the Plan, as designed and the trust established under the Plan, is tax-exempt is qualified under the appropriate section(s) of the IRC. The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Plan's management evaluates tax positions taken by the Plan and recognizes a tax liability or asset if an uncertain tax position was taken and it is more likely than not that the tax position would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Market risks include global events which could impact the value of investments, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
