INDEPENDENT AUDITORS' REPORT

To the Trustee Committee and Plan Administrator of
National Air Cargo 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of National Air Cargo 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of National Air Cargo 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about National Air Cargo 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Air Cargo 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about National Air Cargo 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2022 and supplemental schedule of delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing

procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of National Air Cargo 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NATIONAL AIR CARGO 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of National Air Cargo 401(k) Plan (the “Plan”) provides only general information. Refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established on July 1, 1995. The Plan covers all eligible employees of National Air Cargo, Inc., National Air Cargo Group Inc. and NAC FFE, Inc. (collectively, the “Company”, “Employer” or “Plan Sponsor”), except leased employees. There is no age or service hour requirements to participate in the Plan. Participants may enroll in the Plan upon employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Custody of the Plan’s investments are entrusted to John Hancock Trust Company LLC (“John Hancock”) (the “Trustee”).

The Plan’s Trustee Committee and the plan administrator are responsible for the oversight of the Plan and collectively determine the appropriateness of the Plan’s investment offerings and monitor investment performance.

Effectively on December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and Plan participants. Certain provision changes are related to the following, but not limited to: changes to auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year. As of October 11, 2023, Plan management is in the process of evaluating the subsequent adoption and related impact these provisions will have on the Plan.

CONTRIBUTIONS

Each year, participants may contribute, pre-tax or post tax (Roth), up to 100% of their eligible annual compensation, as defined in the Plan document, subject to the maximum deferral amount allowed by the Internal Revenue Code (“IRC”). Under the IRC, the maximum deferral allowed was \$20,500 for 2022. Additionally, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 in 2022). Participants may also contribute amounts representing distributions from other qualified plans (“Rollovers”).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Company contributes a safe harbor matching contribution equal to 100% of the employee's contributions that do not exceed 5% of the participant's eligible compensation, as defined by the Plan document. For the year ended December 31, 2022, the Company made safe harbor matching contributions of approximately \$1,205,000. The Company may also make a discretionary employer matching contribution and/or a discretionary non-elective employer contribution (profit sharing). For the year ended December 31, 2022, the Company did not make a discretionary matching contribution or a discretionary nonelective contribution.

Participants direct the investment of employee (including Rollovers) and Employer contributions into various investment options offered by the Plan. Participants may change their investment allocation on a daily basis.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant contributions, Rollovers, safe harbor matching contributions and allocation of the Company's discretionary matching contribution and discretionary nonelective contributions (profit sharing), if any, and Plan earnings (losses), net of administrative expenses incurred by the participant. Participant accounts are reduced by any withdrawal or distribution directly associated with the participant. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately 100% vested in their elective deferral contributions and safe harbor matching contributions. Participants are vested in their Company's discretionary matching contribution and discretionary nonelective contributions (profit sharing) in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 +	100%

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

VESTING (CONTINUED)

Upon termination of employment, participant's nonvested amounts are forfeited in accordance with the Plan document. A participant which terminates employment due to death or disability, as defined by the Plan document, becomes 100% vested in all contribution types.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their funds up to a maximum amount of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, but may exceed five years for the purchase of a primary residence. The loans are collateralized by the balance in the participant's account and bear interest at the prime interest rate plus 1%. The interest rates charged on the participant loans outstanding at December 31, 2022 ranged from 4.25% to 8.50%. Principal and interest are paid ratably through payroll deductions. Participants may only have one loan outstanding at any one time.

During 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. The CARES Act temporarily permitted Plan participants to take loans during the 180 day period starting on the date of enactment, up to the lesser of either \$100,000 or 100% of the participant's vested account balance. As of December 31, 2022, certain plan participants have outstanding loans pursuant to this provision.

PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or minimum required payments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The minimum distributions age from when distributions must begin is 72.

The CARES Act permitted participants to request up to \$100,000 in coronavirus-related distributions through December 31, 2020, with repayment terms of up to three years.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

HARDSHIP WITHDRAWALS

A participant who is experiencing a financial hardship, as defined in the Plan document, may request a withdrawal of all or any portion of such participant's salary deferral contributions, or Rollovers, including earnings, if any. For the year ended December 31, 2022, there were no hardship withdrawals taken by participants.

FORFEITURES

Forfeitures are created when participants terminate participation in the Plan before becoming fully vested in the Company's discretionary matching and discretionary nonelective contributions (profit sharing) under the Plan. Forfeitures are retained in the Plan and may be used to pay administrative expenses or may be used to reduce future Company contributions under the Plan. As of December 31, 2022 and 2021, forfeited non-vested accounts held in the Plan were approximately \$9,000 and \$6,000, respectively. During the year ended December 31, 2022, the Plan did not utilize any forfeitures.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

NATIONAL AIR CARGO 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENTS VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustee Committee and the plan administrator determine the Plan's valuation policies utilizing information provided by the Plan's trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in the fair value of investments includes the Plan's net gains and losses on investments bought and sold as well as held during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. Under certain circumstances, delinquent notes receivable are treated as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

The Company absorbs a significant part of the administrative costs for the Plan, including professional fees for accounting, auditing and Plan administration, contract charges and servicing fees. Administrative fees paid by the Company are excluded from these financial statements.

Loan related expenses were deducted from the participant accounts for those participants with participant loans. Investment management fees charged to the Plan for investments in the various funds are deducted from income earned and are reflected as a component of net depreciation in the fair value of investments on the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivables from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends and interest, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock. This information has not been audited by the Plan's independent auditors.

NOTE 4 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global event which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The plan administrator, through its investment committee, monitors the Plan's investments and risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

John Hancock Stable Value Fund (Common Collective Trust Fund)

The Stable Value Fund is valued at the NAV of the units owned and the NAV is used as a practical expedient to estimate fair value. The NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the Stable Value Fund.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	As of December 31, 2022			
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual Funds	\$16,471,641	\$ --	\$ --	\$16,471,641
Total Investments in the Fair Value Hierarchy	16,471,641	--	--	16,471,641
Investments Measured at Net Asset Value*	--	--	--	838,427
Total Investments	<u>\$16,471,641</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$17,310,068</u>
	As of December 31, 2021			
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual Funds	\$18,599,140	\$ --	\$ --	\$18,599,140
Total Investments in the Fair Value Hierarchy	18,599,140	--	--	18,599,140

Total Investments	<u>\$18,599,140</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$19,233,658</u>

* In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent), used as a practical expedient to estimate fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying Statements of Net Assets Available for Benefits.

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE (PRACTICAL EXPEDIENT)

The following tables summarize the investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are certain participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
John Hancock Stable Value Fund	<u>\$ 838,427</u>	N/A	Daily	N/A

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
John Hancock Stable Value Fund	<u>\$ 634,518</u>	N/A	Daily	N/A

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of the stable value fund and a bond fund managed by John Hancock, the Plan's trustee. Therefore, all activities related to these particular investments are considered to be party-in-interest transactions. For the year ended December 31, 2022, fees charged to the Plan by Actuarial Consulting Services, Inc. for recordkeeping and maintenance of participant accounts totaled approximately \$60,000. These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NATIONAL AIR CARGO 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 8 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan/Money Purchase with CODA (the “Non-Standardized Plan”), which received a favorable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, which stated that the Non-Standardized Plan and related trust, as then designed, are in accordance with applicable sections of the IRC. The Plan has been amended and certain provisions have been adopted since receiving the opinion letter. The plan administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During 2022, participant contributions and loan repayments totaling approximately \$83,200 were not remitted timely to the Plan. The Department of Labor (“DOL”) requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company’s general assets. Failure to remit participant contributions to the Plan in a timely manner results in a nonexempt prohibited transaction under ERISA which must be separately reported to the DOL. The accompanying supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions presents the nonexempt prohibited transactions of the Plan.

As of October 11, 2023, the date in which the financial statements were available to be issued, the Plan Sponsor in collaboration with the Plan’s third party administrator and John Hancock are working together to address the late remittances to the Plan.
