INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Participants and Plan Administrator of the
GLC Business Services LLC 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of GLC Business Services LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of GLC Business Services LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GLC Business Services LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GLC Business Services LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GLC Business Services LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GLC Business Services LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

Other Matter - Supplemental Schedule Required by ERISA

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GLC BUSINESS SERVICES LLC 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the GLC Business Services LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of the employees of GLC Business Services LLC (GLC). The Plan includes both profit sharing and 401(k) components and, unless otherwise indicated, the provisions of the Plan are identical for both components. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

GLC sponsors the Plan and is responsible for the general administration of the Plan and carrying out its provisions. Mid Atlantic Trust Company (MATC) is the trustee and serves as a custodian of the Plan's assets and Paychex, Inc. is the Plan's third-party administrator and provides recordkeeping services for the Plan.

Eligibility

Employees of GLC that are at least 18 years of age, other than those represented by collective bargaining agreements and non-resident aliens, are eligible to participate in elective deferrals and the employer match provisions of the Plan, immediately upon hire. Participants are eligible for profit sharing contributions upon the completion of one year of continuous employment with at least 1,000 hours of service. Employees who are eligible to contribute to the Plan are entered on the first day of the month following attainment of the eligibility requirements for the applicable contribution type.

Participant Contributions

Participants may make tax-deferred contributions to the Plan, subject to statutory limits. Participants are able to direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an automatic enrollment provision. Newly eligible employees who have not otherwise affirmatively opted out of enrolling in the Plan are automatically enrolled, with an automatic deferral amount of 2% of eligible compensation.

1. DESCRIPTION OF PLAN (Continued)

Employer Contributions

GLC may make discretionary matching contributions and profit-sharing contributions on behalf of participants. A participant must work at least 1,000 hours in any given plan year to be eligible to receive discretionary employer contributions for that year. GLC made discretionary matching contributions equal to 50% of the first 4% of compensation that a participant contributed to the Plan during 2022 and 2021. Discretionary match contributions totaled approximately \$60,000 for each the years ended December 31, 2022 and 2021. GLC made no profit sharing contributions to the Plan for the years ended December 31, 2022 and 2021.

Participant Accounts

Participant accounts are credited with participant contributions, employer contributions, and actual earnings and losses thereon. Participant accounts are reduced by benefit payments, hardship withdrawals, and administrative expenses. Profit sharing contributions are allocated to eligible participants based on each participant's compensation as a percentage of the total compensation of all eligible participants. Administrative expenses are allocated to individual participants based on each participant's account balance as a percentage of the total account balances of all participants.

Vesting

Participants are immediately vested in their elective deferrals and actual earnings thereon. Participants are immediately 25% vested in employer contributions, increasing at a rate of 25% per annum. Participants are fully vested in employer contributions after three years of service. Employer contributions also become fully vested upon attainment of normal retirement age (age 65), death, disability, or in the event of Plan termination.

Benefit Payments

The Plan provides for benefit payments upon death, disability, or retirement as soon as administratively feasible in the form of a lump sum payment. The Plan's normal retirement age is 65. The Plan allows for in-service withdrawals, provided that a participant is 100% vested in their participant account and has attained the age of 59 ½. If employment terminates for reasons other than death, disability, or retirement, participants with less than \$5,000 of vested benefits will automatically receive a lump-sum distribution.

Forfeitures

Forfeitures of non-vested account balances are used to reduce employer matching contributions or pay plan expenses. Forfeitures of non-vested account balances and related earnings totaled \$8,107 and \$10,488 during 2022 and 2021, respectively. The balance of unallocated forfeited non-vested accounts totaled \$12,189 and \$15,732 at December 31, 2022 and 2021, respectively. Total forfeitures used to reduce employer contributions or pay Plan expenses were approximately \$11,650 and \$1,280 for the years ended December 31, 2022 and 2021, respectively.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, but are extended if the proceeds are used for the purchase of a principal residence. The loans are secured by the participant's account and bear interest at the prime rate plus 2% per annum.

Hardship Withdrawals

Hardship withdrawals are permitted from employee deferral accounts under certain circumstances. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

1. DESCRIPTION OF PLAN (Continued)

Plan Termination

Although it has not expressed any intent to do so, GLC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants will become fully vested in their accounts.

Administrative Expenses

The Plan pays for substantially all expenses associated with the administration of the Plan. Certain administrative expenses are paid by GLC.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America.

Investments

The Plan's investments in mutual funds are reported at fair value at December 31, 2022 and 2021. The Plan's investment in a common collective trust, at December 31, 2022 and 2021, is reported at fair value using the net asset value (NAV) per share practical expedient, which is derived from the market value of the underlying investments and reported daily by the custodian.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net appreciation (depreciation) in fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes are reclassified as distributions based on the terms of the plan document. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement. A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

Benefit Payments

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by MATC, as trustee and custodian for the years ended December 31, 2022 and 2021, and is included in the financial statements and accompanying schedule:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ <u>1,665,390</u>	\$ <u>2,296,895</u>
Investment income (loss)	\$ <u>(340,111)</u>	\$ <u>292,845</u>
Schedule of Assets (Held at End of Year)	Schedule I (except "notes receivable from participants")	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 1,554,199	\$ -	\$ -	\$ 1,554,199
Common collective trust, at net asset value				<u>111,191</u>
Total investments, at fair value	<u>\$ 1,554,199</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,665,390</u>

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,168,225	\$ -	\$ -	\$ 2,168,225
Common collective trust, at net asset value				<u>128,670</u>
Total investments, at fair value	<u>\$ 2,168,225</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,296,895</u>

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual funds: Valued at fair value, based on quoted market prices in active markets.

Common collective trust: valued at fair value using the net asset value (NAV) per share practical expedient based on the underlying assets of the trust using a market based approach.

The methodology described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methodology is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of financial instruments could result in different fair value measurements at the reporting date.

4. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2022 and 2021. Participants are prohibited from directing investments into a competing fund without first investing in a non-competing fund for at least ninety days.

	December 31, 2022			
	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Collective trust fund	\$ 111,191	N/A	Daily	None

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
Collective trust fund	\$ 128,670	N/A	Daily	None

5. PARTY-IN-INTEREST TRANSACTIONS

MATC serves as a trustee and custodian of the Plan's assets. As such, transactions between MATC and the Plan qualify as party-in-interest transactions. Additionally, transactions involving notes receivable from participants qualify as party-in-interest transactions.

6. INCOME TAX STATUS

The Plan operates under a prototype plan document which received a determination letter from the Internal Revenue Service dated April 10, 2014 stating that the written form of the underlying prototype plan document was qualified under Section 401 of the Internal Revenue Code (the Code), and that any employer adopting the prototype plan document would be considered to have a plan exempt from taxation under the Code. The Plan has been amended since adopting the provisions of the prototype plan; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain items are classified differently between the financial statements and Form 5500.

The following is a reconciliation of total net assets available for benefits per the financial statements to total net assets available for benefits per Form 5500 as of December 31:

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.

The Plan changed third-party administrators and recordkeeper to ADP in August 2023. In addition, an amendment was signed that revised the entrance date to the Plan to be the date of eligibility as opposed to the first day of the month following attainment of eligibility.
