INDEPENDENT AUDITOR'S REPORT

Plan Administrative Committee
Roger's Gardens 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Roger's Gardens 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Roger's Gardens 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified, defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was established on January 1, 1980 by Roger's Gardens Newport Beach, Inc., the Plan Sponsor, and includes the employees of Roger's Gardens Newport Beach, former employees of Roger's Gardens Landscaping, LP and the employees of La Casa Pacifica (collectively, the "Employer" and "Plan Sponsor"). The three companies are under common control.

Administration

The Plan is administered by an Administrative Committee appointed by the Plan Sponsor. The Administrative Committee manages the Plan in accordance with the Plan document and in compliance with ERISA and the Internal Revenue Code (IRC). The Plan's trustee is Gavin Herbert, Jr., the Plan's custodians are Charles Schwab Trust Bank and Standard Insurance Company (the "Custodians"), the Plan's recordkeeper is StanCorp Financial Group (the "Recordkeeper"), the Plan's financial advisor is Independent Financial Group, LLC (the "Financial Advisor"), and the Plan's third-party administrator is Plan Benefits Unlimited, Inc. (the "TPA").

Eligibility

Employees of the Employer who have reached 21 years of age and have completed three months of service are eligible to participate in the Plan. Only participants who have completed one year of service and 1,000 hours of service and are employed on the last day of the Plan year are eligible to share in any discretionary contribution made by the Employer.

Participant Contributions

Each year, participants may contribute a specified dollar amount or specific percentage of their pretax or Roth after tax annual compensation, in an amount not in excess of the maximum allowed by the IRC (\$20,500 for 2022). Upon satisfaction of the eligibility requirements, employees are automatically enrolled in the Plan with a 5% deferral election on pre-tax annual compensation. Employees who do not wish to participate in the Plan must make a separate salary deferral election indicating a zero deferral rate. Further, participants may elect to convert all or any portion of his/her non-Roth vested account balance to an In-Plan Roth Conversion Account. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2022). Participants may also rollover amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Contributions are subject to certain limitations, as defined in the Plan.

401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

The Employer's matching contributions are discretionary and determined by the Employer's Board of Directors. For the 2022 Plan year, the Employer matched twenty-five percent (25%) of each participant's deferral contribution, up to five percent (5%) of the participant's eligible compensation. All Employer contributions are invested in the same manner in which a participant directs his or her investments. Additional amounts may be contributed at the discretion of the Employer. No additional discretionary contributions were made for the Plan year ended December 31, 2022.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions, rollovers from qualified plans of the participant's previous employers, and allocations of the Plan's earnings and administrative expenses. Each participant's account is credited with the participant's contribution and the Employer's matching contribution. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Elections

Participants may direct participant and Employer contributions, as desired, into any of the several investment options offered by the Plan. Participants may change or transfer their investment options at any time.

Vesting

Participants are immediately vested in their salary deferral contributions, plus actual earnings thereon. Vesting in the Employer's discretionary contribution portion of their accounts is based on years of continuous service. A participant becomes twenty percent (20%) vested every year following a full year of service as defined and continues to vest at the rate of twenty percent (20%) for each successive year of service until 100% vested after five (5) years of credited service.

Notes from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of fifty percent (50%) of their vested account balance, or \$50,000. Notes are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. The notes bear interest rates of 4.25% – 7.25% as of December 31, 2022 and 2021, and mature through November 2027. A participant may have no more than one note outstanding at one time. Note terms shall not exceed five years unless the note is used to purchase a principal residence. Principal and interest is paid ratably through regular payroll deductions.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

Upon termination of service due to death, disability or retirement, a participant or the participant's beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a specified period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or rollover into another qualified benefit plan. For balances less than \$5,000, the entire vested account balance will be automatically distributed in a lump sum payment.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Forfeitures

A participant's accounts are forfeited if the Employer contribution portion has not been fully vested at the time of withdrawal. These amounts may be utilized to reduce Employer contributions and/or make additional Employer contributions. During the Plan year ended December 31, 2022, \$8,105 of forfeitures were used to reduce Plan administrative expenses. As of December 31, 2022 and 2021, there were \$9,346 and \$13,119 of forfeitures available, respectively.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

ROGER'S GARDENS
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for its investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for applicable investments.

Notes from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Interest income is recognized when earned. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. As of December 31, 2022 and 2021, there were no delinquent notes from participants. No allowance for credit losses have been recorded as of December 31, 2022 and 2021.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan are paid using forfeited amounts, and the remaining expenses are paid directly by either the Employer or by the Plan, as defined in the Plan document. Expenses that are paid by the Employer are excluded from these financial statements.

NOTE 3 – CERTIFIED INFORMATION

The Plan's management has elected the method of compliance permitted by 29 CFR 2520.103 8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Bank and Standard Insurance Company, the custodians of the Plan, have certified the completeness and accuracy of assets and notes receivable from participants, reflected on the accompanying statements of net assets available for plan benefits and the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2022 and 2021, and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification Topic 820, “*Fair Value Measurements and Disclosures*” (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ROGER'S GARDENS
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Following are descriptions of valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

<i>Cash</i>	Valued at the carrying value, which approximates fair value due to the short-term nature of such instruments.
<i>Registered investment companies (mutual funds):</i>	Valued at the daily closing price, as reported by the shares. Registered investment companies held by the Plan are open-ended shares that are registered with the Securities and Exchange Commission (SEC). These shares are required to publish the daily net asset value (NAV) and to transact at that price. The registered investment company shares held by the Plan are deemed to be actively traded.
<i>Insurance company general account (stable value fund):</i>	Valued at net asset value (NAV) of shares/units held by the Plan at year-end. The NAV practical expedient is based on the fair value of the underlying assets owned by the insurance company general account, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient of an insurance company general account is calculated based on a compilation of primary observable market information. The insurance company general account has a daily redemption frequency, no redemption period or restrictions and have no unfunded commitments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, respectively:

- ^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

NOTE 5 – TAX STATUS

Effective January 1, 2020, the Plan was restated to adopt a volume submitter plan sponsored by FIS Business Systems LLC. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken on an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability, asset, or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by Standard Insurance Company. The custodian of the Plan is considered a party-in-interest. The Employer, Third Party Administrator, Recordkeeper, and Financial Advisor are also parties-in-interest with respect to the Plan. Fees paid by the Plan amount to \$34,055 to the Recordkeeper, and \$22,401 to the Financial Advisor and \$8,105 to the Third Party Administrator, for the Plan year ended December 31, 2022. Notes from participants and the related interest income of \$7,473 are also considered related-party transactions.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for investment options in funds which can invest in a combination of equity, fixed income securities, and other investments. Investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

ROGER'S GARDENS
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 8 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Employer is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the plan years ended December 31, 2022 and 2021, the Employer inadvertently failed to remit certain participant contributions totaling \$1,264 and \$1,473, respectively, within the required timeframe as stated by the United States Department of Labor (DOL). The Employer calculated the lost earnings of late participant deferrals outside of the DOL's Voluntary Fiduciary Correction Program. Lost earnings were paid from the Employer's assets and not from assets of the Plan.

NOTE 9 – SUBSEQUENT EVENTS

The Plan Administrator has evaluated all activity through October 11, 2023, the date the financial statements were available to be issued.
