INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Bay Surgery Center LP / Pain & Rehabilitative Consultants 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bay Surgery Center LP / Pain & Rehabilitative Consultants 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bay Surgery Center LP / Pain & Rehabilitative Consultants 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bay Surgery Center LP / Pain & Rehabilitative Consultants 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Surgery Center LP / Pain & Rehabilitative Consultants 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bay Surgery Center LP / Pain & Rehabilitative Consultants 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Surgery Center LP / Pain & Rehabilitative Consultants 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year-End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. PLAN DESCRIPTION

The following description of the Bay Surgery Center LP / Pain & Rehabilitative Consultants 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description or Plan Document for a more complete discussion of the Plan's provisions.

General and eligibility - The Plan is a defined contribution plan covering all eligible employees of Bay Surgery Center LP / Pain & Rehabilitative Consultants Medical Group (Company). The Plan became effective January 1, 2002 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401 (a) of the Internal Revenue Code (IRC). All employees of the Company who are at least twenty-one years of age or older and have completed one year of service are eligible to participate in the Plan. Employees who are covered by a collective bargaining agreement and per diem nurses are not eligible to participate in the Plan.

Plan administration - The Company administers the Plan and is the Plan's named fiduciary. Ascensus Trust Company (Trustee) is the directed trustee and Ascensus, Inc. is the third party administrator. The Company has assigned the power to hold title to Plan assets to the Trustee.

Contributions - Eligible participants may contribute up to the Internal Revenue Service (IRS) limitations of their eligible annual pretax compensation, as defined. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan provides for automatic enrollment of eligible participants at a deferral rate of 3% of eligible pay, unless the participant affirmatively elects otherwise. Participants may also make rollover contributions from other qualified plans. Participants are allowed to designate all or a portion of their contributions as Roth Contributions.

The Company makes annual safe harbor matching contributions. For the year ended December 31, 2022, the Company safe harbor matching contribution was 100% of the first 4% of annual pretax compensation that a participant contributed to the Plan. Matching contributions totaled \$244,854 for 2022, of which \$13 was paid using forfeiture funds, and \$215,862 for 2021, of which \$829 was paid using forfeiture funds, as allowed by the Plan. The Company may make an annual discretionary profit sharing contribution as determined by the Board. There was no profit sharing contribution for the years ended December 31, 2022 and 2021.

Participant accounts - Each participant's account is credited with the Company's contributions and the salary deferral contributions as elected by the participant. An allocation of Plan earnings or losses is also credited to the participant's account. Allocations are based on the participant's account balance and individual investment directions.

Vesting - Participant account balances from salary deferral contributions and safe harbor matching contributions are 100% vested at all times. Participant account balances from profit sharing contributions vest at a rate of 20% per year of service with full vesting after six years of service.

Benefits and withdrawals - The Plan provides for the payment of benefits to the participant or the participant's beneficiary at retirement, death, disability or termination of employment with the Company. Participants may request in-service distributions if they have attained the age 59.5. The Plan permits involuntary distributions of account balances under \$5,000 if a participant terminates employment.

Forfeited accounts - The Plan is allowed to use forfeitures to reduce future Company discretionary contributions. At December 31, 2022 and 2021, there were \$436 and \$507, respectively, in forfeitures available to reduce employer contributions.

Notes to Financial Statements

1. PLAN DESCRIPTION (CONTINUED)

CARES Act - The Coronavirus Aid, Relief, and Economic Security (CARES) Act became law on March 27, 2020. It was a response to the market volatility and instability resulting from the coronavirus pandemic, and includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES act and has implemented the following provision: special coronavirus distributions up to \$100,000. The plan was formally amended to adopt this CARES act provision during 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and in accordance with generally accepted accounting principles.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures. Consequently, actual results may differ from such estimates.

Investment valuation and income recognition - The Plan's investments are stated at fair value. The Plan's trustee certifies the fair market value of all investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are reflected on a trade-date basis. Interest and dividend income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of maintaining the Plan are paid by the Company.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

4. FAIR VALUE MEASUREMENTS

The FASB *Accounting Standards Codification* (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Money Market and Mutual funds: Valued at the net asset value (NAV) of shares, based on quoted market prices, held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

<u>2022</u>

5. PARTY-IN-INTEREST TRANSACTIONS

Ascensus Trust Company serves as the trustee of the plan's assets. Ascensus, Inc. serves as the third party administrator of the plan. All transactions with Ascensus, Inc. qualify as party-in-interest transactions. Administrative expenses and transaction fees are paid by the Plan.

6. TAX STATUS

The Plan has adopted a prototype plan sponsored by a third party. The prototype plan received a letter dated June 30, 2020 from the Internal Revenue Service stating the prototype plan, as then designed, meets the applicable requirements of the IRC. Though the Plan has been amended, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

7. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the Trustees will distribute the entire net assets available for benefits to the participants or their beneficiaries in accordance with the terms and provisions of the Plan and ERISA.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of the Form 5500 as of December 31:

Net assets available for benefits per the Form 5500	<u><u>\$ 10,190,147</u></u>	<u><u>\$ 12,886,796</u></u>

The following is a reconciliation of contributions per the financial statements to Schedule H of the Form 5500 for the years ended December 31:

10. SUBSEQUENT EVENTS

The Plan management has reviewed the results of the operations for the period of time for its year ended December 31, 2022 through October 11, 2023, the date the financial statements were available to be issued, and has determined that no additional adjustments are necessary to the amounts reported in the accompany financial statements nor subsequent events have occurred, the nature of which would require disclosure.
