INDEPENDENT AUDITOR'S REPORT

To the 401(k) Investment Committee
SMS Data Products Group, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SMS Data Products Group, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SMS DATA PRODUCTS GROUP, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the SMS Data Products Group, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering employees of SMS Data Products Group, Inc. (the Company) who are age twenty-one (21) years or older. All employees, except union employees and leased employees, are eligible to participate in the Plan. There are no minimum service requirements. Eligible employees begin to participate on the day they meet the eligibility requirements. The Company is the Plan's Sponsor.

The Plan was established effective July 1, 1988 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective June 1, 2022, the Plan was amended and restated in accordance with certain regulatory updates. Plan provisions remained substantially unchanged.

The 401(k) Investment Committee is responsible for oversight of the Plan. The 401(k) Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: Each year, participants may contribute up to 100% of pre-tax or after-tax annual compensation including bonuses, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation with an automatic annual increase of 1% until reaching a rate of 15%. Participant contributions are invested in an age-based Target Date fund until changed by the participant.

Each year, the Company makes a discretionary matching contribution. The Plan provides for the Company to make a discretionary matching contribution of 50% of a participants' elective deferral up to the first 6% of compensation deferred. The Plan excludes from the calculation of the matching contribution compensation in excess of \$150,000. For the Plan year ended December 31, 2022, the Company made matching contributions of \$1,827,658 of which \$157,844 was offset by forfeitures. Additionally, the Company may make additional discretionary contributions. For the Plan year ended December 31, 2022, no additional discretionary contributions were made.

The participants' and Company's contributions are directed by the participant into various investment options offered by the Plan. Participants may change their allocations on a daily basis. All contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts: Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

SMS DATA PRODUCTS GROUP, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Vesting: Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. For amounts attributable to the Company's matching and/or discretionary contributions, the vested percentage is based on years of service, and is determined as follows:

Matching Contributions

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 2	0%
2 to 3	50%
3 or more	100%

Company Discretionary Contributions

<u>Years of Service</u>	<u>Percent Vested</u>
0 to 1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

However, a participant shall be fully vested in their entire account upon the attainment of age 65, attainment of age 55 with 2 years of service, death, total and permanent disability or if the Plan is terminated.

Notes receivable from participants: Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum number of loans that a participant can have outstanding at any one time is two (2). The loans are secured by the balance in the participant's account. The interest rate for loans is based on the rates available for similar loans from commercial lending institutions at the time the loan is taken. As of December 31, 2022, interest rates on outstanding loans range from 4.75% to 9.0%. Participants repay principal and interest directly to their accounts through payroll deductions, over a maximum five-year period.

Payment of benefits: On termination of service due to death, disability, retirement or other reason, a participant or beneficiary may elect to receive the value of the participant's vested interest in his or her account. Account balances of terminated participants less than \$5,000 are transferred to an Individual Retirement Account through a direct rollover, unless the participant elects to receive a lump sum distribution. If the benefit is more than \$5,000, it is at the discretion of the participant to have the distribution made as a lump sum distribution, in substantially equal installments or in partial withdrawals.

Hardship withdrawals are permitted as defined in the Plan document. In-service distributions are also available to those participants who have attained age 59½ or from balances consisting of rollovers from other qualified plans at any time.

SMS DATA PRODUCTS GROUP, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Forfeited accounts: At December 31, 2022 and 2021, there were \$191,984 and \$64,550 in forfeited non-vested accounts available for future use, respectively. Forfeited non-vested accounts may be used to pay Plan administrative expenses or to reduce future Company contributions. For the year ended December 31, 2022, \$157,184 and \$17,272 of forfeitures were used to offset 2022 Company contributions and to pay Plan administrative expenses, respectively.

Other unallocated accounts: Unallocated accounts related to revenue sharing were \$36,621 and \$53,088 as of December 31, 2022 and 2021, respectively. These funds are used to pay Plan administrative expenses. For the year ended December 31, 2022, \$17,500 of unallocated accounts were used to pay Plan administrative expenses.

Note 2. Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and experienced a distributable event and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced to zero and a benefit payment is recorded for the amount of the outstanding loan.

Payment of benefits: Benefit payments to participants are recorded when paid.

SMS DATA PRODUCTS GROUP, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participants' account and are included in administrative expenses. Certain investment related expenses are included in net depreciation in fair value of investments.

Subsequent events: The Plan has evaluated subsequent events through October 11, 2023, the date the financial statements were available to be issued.

Note 3. Information Certified by the Plan's Trustee

The following is a summary of the Plan's information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal), the trustee. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

	2022	2021
Investments, at fair value:		
Mutual funds	\$ 57,355,489	\$ 70,246,958
Pooled separate accounts	4,226,795	3,422,679
Self directed brokerage accounts	721,991	747,381
Notes Receivable from Participants	811,014	997,114
Net Depreciation in Fair Value of Investments	(16,617,170)	*
Dividends and Capital Gains	3,096,660	*
Interest Income on Notes Receivable from Participants	50,263	*

* Information not required to be presented.

Note 4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

SMS DATA PRODUCTS GROUP, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Self-directed brokerage accounts: Accounts primarily consist of interest-bearing cash and common stocks that are valued on the basis of readily determinable market prices.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account (Stable Value Fund): Valued on an amortized cost basis in accordance with Section 4240(a)(10) of the New York Insurance Law. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the account will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. A Plan initiated full redemption of the account without 12 months' notice is subject to a market value adjustment.

Pooled separate account (Mid Cap Growth Account): Valued based on the performance of companies within the Russell Midcap Index having higher price-to-book ratios and higher forecasted growth values. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the account will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily, but each participant is limited to one redemption or transfer per 30 day period. No notice is required for redemption.

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

SMS DATA PRODUCTS GROUP, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

The following tables summarize investments for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2022 and 2021:

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Account (Stable Value Fund)	\$ 4,047,617	N/A	Daily	Subject to fair value adjustment if less than 12 months
Pooled Separate Account (Mid Cap Growth)	\$ 179,178	N/A	One per participant per 30 days	None

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Account (Stable Value Fund)	\$ 2,988,873	N/A	Daily	Subject to fair value adjustment if less than 12 months
Pooled Separate Account (Mid Cap Growth)	\$ 433,806	N/A	One per participant per 30 days	None

Note 5. Tax Status

The Plan has adopted a Volume Submitter Profit-Sharing Plan sponsored by Principal Life Insurance Company. The Volume Submitter Profit-Sharing Plan has received a favorable opinion letter from the IRS, which stated that the Volume Submitter Profit-Sharing Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Volume Submitter Profit-Sharing Plan's opinion letter has been relied on by the Plan.

The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

SMS DATA PRODUCTS GROUP, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 7. Related-Party and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds and pooled separate accounts managed by Principal. Principal is the trustee, as defined by the Plan, therefore, these transactions qualify as party-in-interest transactions for which a statutory exemption applies.

Principal Life Insurance Company is the record keeper for the Plan and, therefore, a party-in-interest. For the year ended December 31, 2022, the Plan paid commissions and fees of \$147,209 to Principal Life Insurance Company.

PBMares, LLP is the auditor of the Plan and, therefore, a party-in-interest. For the year ended December 31, 2022, the Plan paid audit fees of \$17,760 to PBMares, LLP.

Kestra Advisory Services, LLC and Gallagher Fiduciary Advisors, LLC are the investment advisors for the Plan and, therefore, parties-in-interest. For the year ended December 31, 2022, the Plan paid indirect fees of \$25,109 and \$10,000 to Kestra Advisory Services, LLC and Gallagher Fiduciary Advisors, LLC, respectively.

The Plan also issues loans to participants, which are secured by the participants' vested balance. These transactions qualify as party-in-interest transactions.

Note 8. Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
