Report of Independent Auditor

To the Plan Administrator
DataLab USA, LLC 401(k)
Germantown, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of DataLab USA, LLC 401(k) Profit Sharing Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investments information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report on Compiled 2021 Financial Statement

Plan management is responsible for the accompanying financial statement of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2021 financial statement.

DATALAB USA, LLC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 (AUDITED) AND 2021 (COMPILED)

Note 1—Description of the Plan

The following description of the DataLab USA, LLC 401(k) (the "Plan") is provided for general purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a participant-directed defined contribution plan covering all eligible employees of the Company. The Plan was established on January 1, 2004 and amended on November 3, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). To be eligible to participate in the Plan, the employee must be 21 years of age and completed three months of service with the Plan Sponsor. The Plan entry date is the first day of the Plan year after you meet the applicable age and service requirements.

Administration Expenses – The Plan is administered by DataLab USA, LLC (the "Plan Sponsor" or "Company"). Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Administrative expenses are either paid directly by the Plan Sponsor or by the account of the participant.

Participant Contributions – Participants may elect to defer a portion of their annual compensation to the Plan, subject to Internal Revenue Code ("IRC") limitations, up to the maximum percentage of pre-tax compensation, not to exceed the amount allowable by law for income tax purposes as defined by the Plan. Participants may also make Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts. Participants direct the investment of their contributions into various investment options offered by the Plan.

Automatic Enrollment – Newly-hired eligible employees are automatically enrolled to contribute salary deferrals equal to 6% of compensation. A participant may specifically request to opt out of the automatic enrollment or may elect to contribute a different amount.

Employer Contributions –The Company may make discretionary matching contributions and/or profit sharing contributions in the amount determined by the Plan Sponsor each year. To be eligible to receive these contributions, the employee must work at least 6 months of service during the Plan year and be employed on the last day of the Plan year. For the year ended December 31, 2022, the Company made profit sharing contributions in the amount of \$734,251. The Company did not make discretionary matching contributions during the year ended December 31, 2022. The Company may also make qualified non-elective contributions and matching contributions, as determined necessary. No such qualified nonelective or matching contributions were made during the year ended December 31, 2022. All contributions are subject to certain IRC limitations.

Investment Options – Participants may direct Ascensus Trust Company, the "qualified institution", as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at the beginning of each quarter. Transfers of account balances between elected investment options may be made at the beginning of each quarter.

DATALAB USA, LLC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 (AUDITED) AND 2021 (COMPILED)

Note 1—Description of the Plan (continued)

Vesting – Participants are immediately vested in their salary deferral contributions, rollover contributions, qualified nonelective and matching contributions, plus actual earnings (losses) thereon. Participants may direct the investment of contributions on a daily basis into various investment options offered by the Plan. A participant also becomes 100% vested upon death, becoming disabled, or reaching retirement age, as defined by the Plan. The employer discretionary matching and profit sharing contributions vest as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less Than 1 year	0%
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participant Accounts – Individual accounts are maintained for each participant and include participants' salary deferral contributions, rollover contributions, plus an allocation of the Plan Sponsor's qualified nonelective and matching, if any, profit-sharing contribution, if any, and Plan earnings (losses), including realized and unrealized gains and losses on investments, and charged with the participant's distributions and the allocation of Plan expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits – A participant may make a withdrawal, at termination of the Plan, becoming disabled, for certain in-service withdrawals upon attainment of 59½, or attaining normal retirement age. Upon termination of service due to retirement, death, or disability, a participant or beneficiary may elect to receive the value of the vested interest in his or her account either by a lump-sum distribution or in monthly, quarterly, or annual installments over a period not to exceed the participant's or beneficiary's life expectancy at the time of distribution.

The Plan also allows, in certain hardship situations as defined in the Plan, participants to withdraw from their account balances while actively employed. These hardship withdrawals are subject to IRC restrictions and penalties.

Forfeitures – Terminating participants forfeit nonvested Plan Sponsor discretionary matching and profit-sharing contributions. Remaining forfeitures shall be applied against Plan Sponsor contributions in accordance with specific Plan provisions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$24,962 and \$39,252, respectively. For the year ended December 31, 2022, forfeitures in the amount of \$39,236 were used to reduce the 2022 employer profit-sharing contributions and forfeitures of \$16 were used to pay Plan expenses.

Note 2—Summary of significant accounting policies

Basis of Presentation – The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires the Plan management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

DATALAB USA, LLC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 (AUDITED) AND 2021 (COMPILED)

Note 2—Summary of significant accounting policies (continued)

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value. U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

Risk and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset and liability, in an orderly transaction value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability, including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Mutual and Money Market Funds – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DATALAB USA, LLC 401(k) PROFIT SHARING PLAN **NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2022 (AUDITED) AND 2021 (COMPILED)

Note 3—Information certified by the qualified institution (unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Ascensus Trust Company, the qualified institution, has certified to the completeness and accuracy of the following data included in the accompanying financial statements as of December 31, 2022 and 2021 and for the year ended December 31, 2022:

- Investments, at fair value, and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental Schedule of Assets (Held at End of Year).

Note 4—Fair value measurements

The Plan's financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31:

2022 (Audited)				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,089,541	\$ -	\$ -	\$ 16,089,541
Money Market Funds	1,718,937	-	-	1,718,937
Total assets in the fair value hierarchy	<u>\$ 17,808,478</u>	<u>\$ -</u>	<u>\$ -</u>	<u>17,808,478</u>
Investments, at fair value				<u>\$ 17,808,478</u>
2021 (Compiled)				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 19,110,553	\$ -	\$ -	\$ 19,110,553
Money Market Funds	1,074,937	-	-	1,074,937
Total assets in the fair value hierarchy	<u>\$ 20,185,490</u>	<u>\$ -</u>	<u>\$ -</u>	<u>20,185,490</u>
Investments, at fair value				<u>\$ 20,185,490</u>

Note 5—Parties-in-interest

Certain Plan investments are managed by Ascensus and, therefore, these transactions qualify as parties-in-interest transactions for which a statutory exemption exists. Fees paid to the qualified institution totaled \$13,651 for the year ended December 31, 2022 (Audited).

DATALAB USA, LLC 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 (AUDITED) AND 2021 (COMPILED)

Note 6—Plan termination

Although, it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event such discontinuance results in termination of the Plan, the Plan provides that the assets be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination. In the event of Plan termination, participants will become 100% vested in their account balances.

Note 7—Tax status

The Plan utilized a prototype plan document sponsored by Ascensus. The prototype plan sponsor has obtained a favorable opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although, the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan continues to be tax-exempt.

U.S. GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 (Audited) and 2021 (Compiled), there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8—Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2022 and 2021:

	<u>2022 (Audited)</u>	<u>2021 (Compiled)</u>
Net assets available for benefits per the financial statements	\$ 18,542,729	\$ 20,778,311
Less employer contributions receivable	-	(592,821)
Total net assets per Schedule H of Form 5500	<u><u>\$ 18,542,729</u></u>	<u><u>\$ 20,185,490</u></u>

The following is a reconciliation of the net increase/decrease in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2022 (Audited):

Net decrease in net assets available for benefits per the financial statements	\$ (2,235,582)
Changes in employer contribution receivable	<u>592,821</u>
Net loss per Schedule H of Form 5500	<u><u>\$ (1,642,761)</u></u>

Note 9—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through October 12, 2023, the date these financial statements were available to be issued.
