INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Administrative Committee
Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan
South El Monte, California

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the accompanying financial statements of Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institutions or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter

The financial statements of Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan for the year ended December 31, 2021, were audited by another auditor, who expressed an unmodified opinion on those statements on October 13, 2022.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair representation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion on whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

HANSEN HUNTER & CO. P.C.
Certified Public Accountants

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022

NOTE 1 – Description of Plan

The following description of Lincoln Training Center and Rehabilitation Workshop Retirement Income Plan (the Plan) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The employer profit-sharing plan is sponsored by Lincoln Training Center. The Plan covers all full-time employees of Lincoln Training Center (the Employer), with the exception of union employees governed by a collective bargaining agreement, leased employees, and nonresident aliens. Employees are eligible to participate in the Plan once they have completed 1,000 hours of service and are 21 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Lincoln Training Center may make profit sharing contributions to the plan at its discretion. The amount of contribution received is calculated by taking the total profit sharing contribution divided by the total of all participants' compensation. The percentage is then multiplied by the participants' compensation for the year. For the year ended December 31, 2022, the employer profit sharing contributions were 4.9% of eligible employee compensation. Rollover contributions are permitted from certain qualified plans, even if an employee is not yet a participant.

Investment Options – Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers pooled separate accounts.

Participant Accounts – Participant's rollovers and employer profit sharing contributions are held under a separate account on their behalf. The contributions are invested among investment options managed by John Hancock Insurance Company. Each participant's account is credit with the employer profit sharing contributions and an allocation of Plan earnings. Plan earnings are allocated based on a ratio of the participant's account balance to the total investment balance. The benefit to which a participant is entitled is the vested amount in his or her individual account.

Vesting – Participants are immediately 100% vested in their rollovers. For the employer profit sharing contribution, after the initial 1,000-hour service year, eligible years of service are calculated by the plan year. Under this method, vesting service is measured on a plan year basis from the date of hire through the severance date expressed in years or a fraction thereof. Participant's accounts attributable to profit sharing contributions are determined according to the following scale:

Vesting Service Years	Vesting Percentage
Less than 1	0%
1 but less than 2	0%
2 but less than 3	25%
3 but less than 4	50%
4 but less than 5	75%
5 or more	100%

NOTE 1 – Description of Plan (continued)

Each participant's vested interest becomes distributable upon retirement, attainment of age 59.5, termination of employment, disability, or death. Participants become fully vested in the Employer's profit sharing contribution in the event of death or disability while employed by the Employer, or upon normal retirement at the age of 65. Upon termination of the Plan, the accounts of all participants become fully vested.

Payment of Benefits – Upon death, disability, normal retirement or termination of service participants can elect to receive benefits as a lump sum or in installments. Upon termination, participants with account balances under $5,000 shall receive a lump-sum distribution. Participants with account balances that exceed $5,000 may elect to remain in the Plan after termination. Benefits are recorded when paid.

Effective June 3, 2022, the Plan was amended to state in-service withdrawals are available upon attainment of age 59.5 or normal retirement age, and can only be made from accounts that are 100% vested.

Administration of Plan Assets – The Sponsor is also the Plan administrator. The administrator entered into a contract with John Hancock Life Insurance Company (John Hancock). Under the terms of the contract, John Hancock holds the Plan's investment assets and executes investment transactions. As permitted by Department of Labor regulations, John Hancock has certified certain financial information contained in the statements of net assets available for benefits and the statement of changes in net assets available for benefits to be complete and accurate.

Forfeitures – A forfeiture is the portion of a participant's account which the participant loses upon termination of employment. It is equal to the non-vested portion of the account. Forfeitures may be used to reduce employer profit sharing contributions or pay plan expenses. During the plan year ended, December 31, 2022, there were $8,675 in forfeitures used to reduce employer profit sharing contributions and $1,225 used to pay plan expenses. There were no forfeitures available as of December 31, 2022 and 2021.

Notes Receivable from Participants – Participants can borrow from their fund accounts a maximum of $50,000 or 50 percent of their vested account balance and a minimum of $1,000. Participants can only have one outstanding loan at any time. Loan terms range from a maximum of five years, with the exceptions for the purchase of a primary residence, in which the Administrator of the Plan may permit a longer term. Loan payments are made through payroll deduction, with payments not less frequently than quarterly. The loans are secured by the balance in the participant's account and bear interest at a rate equal to 1 percentage point above the prime rate. The interest rate is fixed for the duration of the loan.

Plan Amendments – On June 3,2022 the Plan Sponsor adopted an amended and restated profit sharing Plan with an effective date of January 1, 2022. No significant changes were made to plan provisions in the amended and restatement profit sharing Plan.

NOTE 2 – Summary of Significant Accounting Policies

Basis of Accounting – The financial statements and supplemental schedule have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation – Investments are stated at fair value. The Plan's custodian, John Hancock, certifies the value of the pooled separate accounts and interest-bearing cash.

Purchases and sales of securities are recorded on trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e. the "exit price") in an orderly transaction between market participants at the measurement date.

The following is a description of the valuation methodologies used for assets measured at fair value.

> ***Interest-bearing cash* –** The carrying value approximates fair value.
>
> ***Pooled separate account* –** Each pooled separate account invests its assets solely in the shares or units of an underlying mutual fund and the investment objective of each sub-account corresponds to the investment objective of the underlying fund. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding. There are no restrictions related to redemption frequency or requirements of redemption notice.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes the valuation methodologies are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date. At December 31, 2022 and 2021, the fair value of the pooled separate accounts was $2,194,347 and $2,564,955, respectively.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Operating Expenses – Certain administrative fees are collected from participant accounts and paid to the record keeper, the trustee and the Plan's investment advisor. Certain administrative expenses such as audit and legal fees are paid by the Sponsor and are not included in the financial statements. Expenses related to specific participant transactions are charged to the respective participant's accounts

NOTE 2 – Summary of Significant Accounting Policies (continued)

Temporary Plan Provisions – On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was passed by Congress. The CARES Act contains several provisions that temporarily impact retirement plans, including the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a pause option for loan payments. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the plan document. On June 3, 2022, the Plan was formally amended for these provisions.

NOTE 3 – Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from those estimates.

NOTE 4 – Information Certified by Trustee of the Plan

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2022 and 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – Notes Receivable from Participants

The Plan allows loans to participants based on their vested account balance. The maximum amount of any loan is the lesser of $50,000 or 50% of the vested interest of the participant in the Plan; reduced by the participant's highest outstanding loan balance in the previous twelve months and the existing loan balance; even if all or a portion of this amount has been repaid. An individual may have no more than 1 loan outstanding at any one time. Refinancing of an existing loan is not permitted. Interest rates on loans outstanding at December 31, 2022, ranged from 4.25% - 8.00%. Loans are secured by the vested account balance of the participant.

NOTE 6 – Plan Termination

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 7 – Separated Participants with Deferred Vested Benefits

Included in net assets available for benefits are amounts due to participants who have withdrawn from the Plan but still have vested benefits in the Plan's net assets. For the Plan year ended December 31, 2022, these benefits were $105,632.

NOTE 8 – Income Tax Status

The Plan has adopted a prototype plan sponsored by FIS Business Systems LLC. In a letter dated June 30, 2020, the Internal Revenue Service notified the Sponsor that the Plan is qualified, and the trust established under the Plan is tax-exempt under the appropriate sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, Plan management believes the Plan is currently designed and operating in accordance with the applicable requirements of the Internal Revenue Code (IRC).

In accordance with the guidance on accounting for uncertainty in income taxes, the Plan administrator evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure in or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – Related Party and Party-in-Interest Transactions

Certain Plan investments were held in investment vehicles managed by John Hancock, a party-in-interest. Recordkeeping fees to John Hancock amounted to $531 for the year ended December 31, 2022. Certain administrative fees are collected from participant accounts paid to the plan administrator. Administrative fees paid to Pension Benefits Unlimited, Inc. amounted to $6,270, for the year ended December 31, 2022. These transactions qualify as party-in-interest transactions.

NOTE 10 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 – Risks and Uncertainties (continued)

The Plan has a concentration of investments in the John Hancock Stable Value Fund and Mid Cap Index Fund. A change in the price could cause the value of the Plan's net assets available for benefits to change due to this concentration. In addition, as a result of the option for funds to be selected by participants, certain other funds may individually represent a concentration of greater than 10% of Plan's investments, at fair value in the statements of net assets available for benefits. Although these individual funds maintain a level of diversification by investing in multiple equity, debt or other instruments, there may be a concentration of risk because the funds are invested at the direction of a single fund manager. At December 31, 2022, John Hancock Stable Value Fund and Mid Cap Index Fund individually represented greater than 10% of the Plan's investments at fair value.

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The COVID-19 pandemic and resulting global distributions have caused significant economic uncertainty and volatility in financial markets. As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts related in the statements of net assets available for benefits and the statement of changes in net assets available for benefits, as mentioned above. Because of the uncertainty of the market during this time, Plan management is unable to estimate the total impact the pandemic will have. The Trustee and management monitor the performance of the Plan's investments including approving changes in investment options subsequent to year end.

NOTE 11 – Subsequent Events

The fair value of investments held by the Plan could fluctuate significantly subsequent to year end. The trustees and management monitor the performance of the Plan's investments including approve changes in the investment options subsequent to year end.

The Plan did not have any subsequent events through October 12, 2023, which is the date the financial statements were issued, requiring recording or disclosure in the financial statements for the year ended December 31, 2022.
