For the Year Ended December 31, 2022**

INDEPENDENT AUDITORS' REPORT

To the Administrator of the
SecTek Savings and Retirement Plan
and its Participants:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the SecTek Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the SecTek Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or derives from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the SecTek Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the SecTek Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the SecTek Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the SecTek Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and the schedule of delinquent participant contributions for the year ended December 31, 2022 are presented for the purpose of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SECTEK SAVINGS AND RETIREMENT PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the SecTek Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the summary plan description for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which covers substantially all eligible employees of SecTek, Inc. and J. Diamond Group, Inc. (collectively, the Company) who have attained 18 years of age. Eligible employees may participate in the Plan on the first day of the month after, or coinciding with, their month of hire. Prior to March 9, 2020, the Plan did not cover non-supervisors working on contracts covered under the McNamara-O'Hara Service Contract Act of 1965 (SCA), or certain administrative employees assigned to SCA contracts with prevailing wage requirements. The Plan also does not cover employees who are nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2020, the SecTek, Inc. SCA Employees Retirement Plan was terminated (SCA Plan). As of March 9, 2020, substantially all of the assets of the SCA Plan were transferred into the Plan.

The Plan was most recently restated effective July 13, 2022 to revise the eligibility date for non-elective contributions to the first day of each payroll period coincident or next following attainment of age 18.

Participant Contributions

Participants may contribute up to 100% of their eligible compensation, as defined by the Plan, not to exceed the maximum allowable contributions under the Internal Revenue Code (the Code). The maximum allowable pre-tax contribution totaled \$20,500 for the year ended December 31, 2022. Employees who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code, which totaled \$6,500 for the year ended December 31, 2022. Participants are permitted to make rollover contributions into the Plan.

Company Contributions

The Company may, at its discretion, elect to match a portion of the eligible participant's contributions on a Plan year basis. The Company retains discretion over the amount and allocation of any discretionary matching contributions. For the year ended December 31, 2022, the Company did not elect to make any discretionary matching contributions to the Plan.

The Company may also make nonelective discretionary contributions to the Plan. The nonelective discretionary contribution allocation is based on the ratio of each participant's compensation divided by the total eligible compensation of all participants. For the year ended December 31, 2022, the Company did not elect to make any nonelective discretionary contributions to the Plan.

The Plan also allows for the Company to make nonelective contributions to non-union supervisors assigned to certain contracts. For the year ended December 31, 2022, the Company made nonelective contributions to non-union supervisors totaling \$382,934.

SECTEK SAVINGS AND RETIREMENT PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN – cont'd.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant contributions, withdrawals, and allocations of Company contributions, plan earnings and administrative expenses in accordance with the investment options selected by the participant. Any earnings, losses, and administrative expenses are allocated to participant accounts based upon the balance in each account. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting

Participants are immediately vested in all contributions to the Plan plus earnings thereon.

Payment of Benefits

Upon termination of service due to disability, retirement or other reasons, a participant may receive the value of their vested interest as a lump sum distribution. Upon termination, vested account balances over \$5,000 require participant consent to be distributed. Upon a participant's death, vested balances are distributed to the participant's designated beneficiary. Hardship distributions are permitted from pre-tax elective deferrals, matching contributions and nonelective contributions. In-service distributions may also be taken for deemed severance of employment, by qualified reservists, and by any participant that has attained the age of 59 ½. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to age 59 ½. As of December 31, 2022 and 2021, there were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of year-end.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Trustee with assets of the Plan unless the Company, at its discretion, elects to pay them. Administrative expenses totaling \$62,336 were paid directly from the Plan for the year ended December 31, 2022. Distribution fees are paid by participants. Investment related expenses are included in net depreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

SECTEK SAVINGS AND RETIREMENT PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Risks and Uncertainties

The Plan provides for investments in financial instruments that are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur in the near term and materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as received. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

SECTEK SAVINGS AND RETIREMENT PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

The following is a description of the valuation methodologies used for assets measured at fair value:

Interests in registered investment companies: Valued at the closing price of the shares held by the Plan at year-end. Funds are traded on an active market.

Interest in guaranteed investment contract: Valued at estimated fair value based on the Plan's ownership in the underlying value of the fund as estimated using the most recent audited financial statements of the fund and other factors deemed relevant by management due to the inherent uncertainty of valuation, the valuation of the investment may differ significantly from the value that would have been recorded had a ready market for the investment existed. These differences could be material.

Interest in common collective trusts: Valued using the net asset value (NAV) practical expedient of units held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 317,063	\$ -	\$ -	\$ 317,063
Interest in guaranteed investment contract	-	-	6,198	6,198
Total investments in the fair value hierarchy	317,063	-	6,198	323,261
Investments valued using the NAV practical expedient:				
Interests in common collective trusts (*)	n/a	n/a	n/a	3,638,341
Total investments, at fair value	\$ 317,063	\$ -	\$ 6,198	\$ 3,961,602

SECTEK SAVINGS AND RETIREMENT PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 275,734	\$ -	\$ -	\$ 275,734
Total investments in the fair value hierarchy	275,734	-	-	275,734
Investments valued using the NAV practical expedient:				
Interests in common collective trusts (*)	n/a	n/a	n/a	5,459,660
Total investments, at fair value	\$ 275,734	\$ -	\$ -	\$ 5,735,394

* In accordance with ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan's investment in the guaranteed interest contract is held with the Principal Life Insurance Company. The guaranteed interest contract promises contract value for a benefit event (termination, death, disability and retirement); however, there is a possible market value adjustment, which is also called a surrender charge, when funds are withdrawn prior to their maturity. Thus, this guaranteed interest contract is not considered fully benefit-responsive and therefore, fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The Plan's investment in the guaranteed investment contract is valued at fair value. Fair value is determined to be withdrawal value prior to maturity as reported by Principal Life Insurance Company. Contract value of the guaranteed investment contract as of December 31, 2022 totaled \$6,198. There were no guaranteed investment contracts held as of December 31, 2021.

In accordance with the fair value measurement and disclosure guidance, the following table presents the category, fair value, redemption frequency, and redemption notice period, and unfunded commitments for Plan investments, the fair value of which is estimated using the NAV per share practical expedient as of December 31,:

	2022	2021	Redemption Frequency	Redemption Notice Period	Unfunded Commitments
Interests in common collective trusts (a)	\$ 3,638,341	\$ 5,459,660	Daily	Daily	n/a

(a) Funds in this category invest in domestic and international securities and in fixed income securities to achieve a long-term rate of return

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan evaluated for disclosure any subsequent events through October 6, 2023, the date the financial statements were available to be issued and determined there were no material events that warrant disclosure.

3. INVESTMENTS

All investment information disclosed in the accompanying financial statements and supplemental schedules, including assets held as of December 31, 2022 and 2021, and interest and dividend income and net depreciation in fair value of investments for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee of the Plan, Principal Trust Company.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by an affiliate of Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Trustee of the Plan. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

6. INCOME TAX STATUS

The volume submitter document upon which the Plan was designed received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan is qualified in accordance with applicable sections of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan was amended subsequent to receiving the opinion letter; however, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

SECTEK SAVINGS AND RETIREMENT PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

6. INCOME TAX STATUS – cont'd.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business taxable income, the provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2022 and 2021.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits for any periods in progress.

7. PROHIBITED TRANSACTIONS

During the year ended December 31, 2020, the Company failed to process and remit in a timely manner certain participant contributions from the Company's assets within the required time period as specified by the United States Department of Labor. Failure to segregate and remit contributions within the specified time period is a prohibited transaction according to the provisions of ERISA and the Code. The Company made the necessary corrections in March 2023.
