Report of Independent Auditor

To the Managing Partner and Chair of Retirement Plan Committee
Smith, Anderson, Blount, Dorsett, Mitchell & Jernigan 401(k) Profit Sharing Plan
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Smith, Anderson, Blount, Dorsett, Mitchell & Jernigan 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1—Description of the Plan

The following brief description of the Smith, Anderson, Blount, Dorsett, Mitchell & Jernigan 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all employees of Smith, Anderson, Blount, Dorsett, Mitchell & Jernigan, LLP (the "Sponsor"). There is no age or service requirement to be eligible for the Plan. Eligible employees may enter the Plan on the first day of the month following employment. Participants are eligible for the discretionary Sponsor match upon Plan entry. Participants are eligible for allocation of discretionary Sponsor profit-sharing contributions upon completion of one year of service, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established on January 1, 1997 and was most recently amended January 1, 2022.

Contributions – Each year, participants may contribute any amount of compensation within regulatory guidelines through payroll deduction. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Effective September 1, 2015, participants have the option to make Roth contributions to their accounts. For the year ended December 31, 2022, the Sponsor discretionary-matching contribution was 25% of the first 4% of the employee compensation contributed. Self-employed individuals, primarily partners of the Sponsor, are excluded from receiving the Sponsor discretionary-matching contribution. In addition to the matching contributions, the Sponsor may make an annual discretionary profit-sharing contribution to the Plan, as authorized by the Retirement Plan Committee and approved by the partners of the Sponsor. Discretionary Sponsor contributions were \$4,435,055 for the year ended December 31, 2022, which includes a discretionary profit-sharing contribution.

Participant Accounts – Each participant's account is credited with the participant's contribution including any rollover amounts from qualified plans and allocations of (a) the Sponsor's discretionary-matching contribution, (b) the Sponsor's discretionary profit-sharing contribution (upon completion of a year of service), and (c) Plan earnings (losses) and charged with the participant's distributions and allocations of administration expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – Participants may direct contributions to selected investments as made available and determined by the Plan administrator. Participants may change their investment options at any time throughout the year via direct phone and internet access to the third party administrator.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.25% which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid through semi-monthly payroll deductions for employees. Principal and interest are paid through monthly payroll deductions or by personal check for partners.

401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1—Description of the Plan (continued)

Vesting – Participants are vested immediately in their contributions, the Sponsor's discretionary-matching contributions, and actual earnings (losses) thereon. Vesting in the Sponsor's discretionary profit-sharing contribution portion of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 or more years	100%

Payments of Benefits – Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments as defined by the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant's vested account balance that is less than \$5,000 will automatically be distributed as soon as administratively practicable following the participant's separation from service.

Forfeited Accounts – As of December 31, 2022 and 2021, there were forfeited accounts of \$84 and \$12,732 respectively. Forfeitures may be used to reduce Sponsor contributions. During the year ended December 31, 2022, forfeited nonvested accounts totaling \$88,751 were used to reduce Sponsor contributions.

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") under the accrual method of accounting.

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits – Benefits are recorded when paid.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 — *Fair value measurements* for further discussion.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administration Expenses – Unless stated otherwise, Plan administration expenses are generally paid by the Sponsor.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 2—Summary of significant accounting policies (continued)

Risks and Uncertainties – The Plan provides for various investment options. Investments are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 3—Fair value measurements

U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Fixed Interest – This investment is a guaranteed interest fund and a general account product of Empower Annuity Insurance Company. Empower Annuity Insurance Company credits interest daily to the group contract holder on a portfolio basis and establishes the market and quotes the prices on daily basis based on the valuation method in the group annuity contract, which approximates the fair value. This is considered a Level 2 investment because the inputs used to determine the fair value are not quoted prices in an active market.

Common Collective Trusts – These investments are public investment vehicles valued using NAV provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. As the investment is valued at NAV as a practical expedient, the common collective trusts are not classified within fair value hierarchy.

Self-Directed Brokerage Accounts – These accounts are valued based on quoted prices in active markets (e.g., New York Stock Exchange) for identical assets or liabilities and closing prices used to value mutual funds and publicly traded stocks and are classified within Level 1 of the valuation hierarchy.

Note 3—Fair value measurements (continued)

The Plan believes its valuation methods are appropriate and consistent with those of other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables summarize investments measured at fair value as of:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 128,942,854	\$ -	\$ -	\$ 128,942,854

Investments, at fair value				<u>\$ 199,040,376</u>

(*) In accordance with U.S. GAAP, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of:

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Applicable)	Redemption Notice Period

401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 4—Information certified by the Plan’s Qualified Institution (unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC and Empower Annuity Insurance Company, the “qualified institutions” of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Interest and dividends, interest income on notes receivable from participants, and net depreciation in fair value of investments as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022.

The Plan’s independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 5—Common collective trusts

As of December 31, 2022, the Plan was invested in common collective trust investment offerings. The funds are common collective trust funds with investments in contracts at fair value of the underlying investments and then adjusted by the issuer to NAV. The funds could invest in fixed interest insurance investment contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds, and other fixed income securities. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV. NAV represents contributions made to the funds, plus earnings, less participant withdrawals. The risk of the common collective trusts and their net realizable value was dependent upon the financial stability of the issuing entity and its ability to fulfill the terms of the contract. There were no reserves established against contract value for credit risk as of December 31, 2022.

Note 6—Party-in-interest transactions

Fees paid to Empower Trust Company, LLC, the qualified institution of the Plan, totaled \$8,302 for the year ended December 31, 2022. Therefore, this transaction qualifies as a party-in-interest transaction.

Notes receivable from participants qualify as party-in-interest transactions.

Note 7—Plan termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

SMITH, ANDERSON, BLOUNT, DORSETT, MITCHELL & JERNIGAN
401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 8—Tax status

The Plan Sponsor adopted a non-standardized profit-sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on November 14, 2022. The Plan has not received a determination letter specific to the Plan itself. However, the Plan Sponsor believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2022. The Plan Sponsor believes the Plan has no income subject to unrelated business income tax.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or an asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9—Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2022	2021
Net assets available for benefits per financial statements	\$ 162,229,142	\$ 203,444,909
Employer contributions receivable	(4,365,954)	(3,946,994)
Net assets available for benefits per Form 5500	<u>\$ 157,863,188</u>	<u>\$ 199,497,915</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2022.

Change in net assets available for benefits per the financial statements	\$ (41,215,767)
Change in employer contributions receivable	(418,960)
Change in net assets available for benefits per Form 5500	<u>\$ (41,634,727)</u>

Note 10—Subsequent events

The Plan has evaluated subsequent events for potential recognition and disclosure through October 12, 2023, the date the financial statements were available to be issued.
